2015-2016 Research CUEs

In accordance with the 2010-2015 CSU/UPi Contract, Appendix F, up to 51 CUEs will be awarded for faculty research to be conducted during the 2015-2016 academic year. Full-time Unit A faculty who are interested in receiving up to three CUEs should submit proposals for research projects in accordance with contract guidelines.

The 2014-2015 Faculty Research CUE Committee will review the proposals, score each one according to a rubric, and make recommendations to the president and the interim provost for approval by November 17, 2014. The president will then make his final decision, and the Committee, deans, and applicants will be notified of approved projects by December 15, 2014.

All research-active faculty are encouraged to apply for the opportunity to receive 3 CUES in release time to conduct their research during the academic year. The deadline for proposals is October 27, 2014.

Questions and comments can be directed to Dr. Robert LeSuer at rlesuer@csu.edu or 773-995-2321.
