- Developing empathy through making friends p102-104
- Developing self-esteem p37-60
- Different subgroups p23
- Discovering common bonds p3-20
- Eating fine foods p155-174
- Engaging in physical expression p111-132
- Every body is different p111
- Folktales as multicultural bridge builders p 80-81
- Getting along with other children p89-110
- The importance of acceptance p37

Incorporating cultural diversity into a common bonds curriculum p8  
 Incorporating large-motor equipment in the classroom setup p112  
 Incorporating learning activities p13-15  
 Language acquisition in preschool children p134  
 Learning activities p16, 32, 57, 84, 106, 129, 151, 170, 196  
 Learning empathy from interpersonal conflicts p90-91  
 Making music and dance p201-218  
 A multicultural curriculum p4  
 Multicultural books that promote ball playing p121-123  
 Multicultural books that promote bicycle riding p126-127  
 Multicultural books that promote exercising, stretching, lifting, carrying, and pulling p115-118  
 Multicultural books that promote hopping, jumping, and leaping p119-120  
 Multicultural books that promote swinging, skating, skiing and swimming p124-125  
 Multicultural books that promote walking p112-114  
 Multicultural family involvement in early childhood programs p79  
 Multicultural family role models p61-65  
 Music as a natural language in the classroom p201  
 A new people-perspective p3  
 Picture-book characters as multicultural models p9  
 Racial attitudes of children p51  
 References p16, 32, 57, 84, 106, 130, 152, 171, 197  
 Relating to family members p61-88The route to appreciating diversity p4  
 Showing your acceptance p39-48  
 Speaking other languages p133-154  
 Speaking other languages in the preschool classroom p133  
 Stages in learning a second language for young children p135  
 Stages of children's learning through play p178-182  
 Stages of learning to sing through play p202  
 Story reenactments p96-97  
 Storytelling p82  
 Urban vs. rural p21-22  
 Use of dolls to facilitate bonding p66-67Use of picture books in the curriculum p12  
 Using book-bonding to integrate other cultures into the curriculum p10  
 Using children's books to motivate conflict conversion p94  
 Using multicultural picture books to awaken children's appreciation of color p176  
 Using multicultural picture books to promote appreciation of three-dimensional art p193-194  
 Using multicultural picture books to promote children's drawing skills p183-186  
 Using multicultural picture books to promote speaking of native American languages p139-143  
 Using multicultural picture books to promote speaking of Spanish p136-138  
 Using multicultural picture books to promote the speaking of many languages p144-147  
 Using picture books to motivate multicultural food experiences p156-168  
 Using picture books to promote the speaking of English by children who speak another first language p148-149  
 Young children's awareness of picture book art p175

#### Building healthy relationships: multicultural relationship

Campus and classroom: Making schooling multicultural (2<sup>nd</sup> ed.). Grant, Carl A. & Gomez, Mary Louise. Prentice-Hall, 2001.

Americanization through curriculum p20-22  
 Assessment as a way of knowing children p65-92  
 Assessment dimensions p80  
 Assessment strategies p81-83  
 Burdens of schooling's history p16-19  
 Concept mapping p58-59  
 Conclusion p26, 44  
 Cooperative learning p52-53  
 Creating a vision for classroom assessment p75-77  
 Curriculum components p32-33  
 Curriculum definition p31  
 Curriculum, instruction, and assessment p29-134  
 The debate p50  
 Education that is multicultural and social reconstructionist p8  
 Efficiency p66  
 Enacting a vision for assessment p78-85  
 Equity p66, 67  
 Excellence p67, 68  
 Finally p13  
 The force for multiculturalism p24-25  
 The formal curriculum p38-39  
 Guided imagery p56  
 Guiding principles for curriculum reform p36-37

Historical view of testing in the United States p66  
 Instructional pluralism: A means to realizing the dream of multicultural, social reconstructionist education p47-64  
 Intent, focus, and comparisons p73  
 Interdisciplinary teaching p60  
 An introduction to multicultural teaching p1-28  
 Human relations p7  
 Journeying toward multicultural and social reconstructionist teaching and teacher education p3-14  
 Making schooling multicultural in every discipline p9-12  
 Making sense of assessment information p84-85  
 Manifestations of formal curricula p34  
 A multicultural and social reconstructionist framework for teaching p6-8  
 Multicultural education p8  
 Multicultural school curriculum p31-46  
 Multiculturalism and the American educational tradition p15-28  
 Perspective-taking/empathy exercises p57  
 The place of instructional pluralism in elementary and middle school programs p61 Recent change and illusion p23  
 References p13, 27-28, 44-46, 62-64  
 Professional judgment p76  
 Relationship to instruction p75  
 Relevance p54  
 The role of parents p77  
 The role of students p77  
 The role of values p77  
 Significance of the symbolic curriculum p35  
 Simulations p55  
 Single-group studies p7  
 The social context of testing and its influence on classroom life p67-68  
 The solution p51-60  
 Strategies for multiculturalizing the curriculum p38-43  
 The symbolic curriculum p40-43  
 Teacher practice p70  
 Teacher preparation p69  
 Teaching the exceptional and culturally different p7  
 Testing and teachers p69-70  
 A testing critique p71-72  
 Type of task p73-74  
 Types of curricula p34-35  
 Using the concrete as a vehicle to the abstract p54

A Celebration of American Black History: Chronology.

Choosing Democracy. A Practical Guide to Multicultural Education, 2<sup>nd</sup> ed. From Duane E. Campbell. Prentice Hall, 1996, 2000.

Common Ground. Reading and Writing About America's Cultures. From Laurie G. Kirszner & Stephen R. Mandell. St. Martin's Press, New York, 1994.

The awakening of people of color p4  
 Concurrent with these p4  
 A crisis of vision p5-6  
 Environmental education p5  
 Families and communities need to be directly and significantly involved in the development and implementation of environmental education curricula and programs p6  
 In order to develop more inclusive teaching models, a multicultural environmental education acknowledges that children may have different needs based upon and shaped by their places and conditions of residence p6  
 Key ideas of a multicultural environmental education p6  
 A multicultural environmental education critiques the forces which have oppressed people as well as nature p6  
 A multicultural environmental education envisions a multicultural society at peace with the natural world and itself p6  
 A multicultural environmental education illuminates the essential idea that all cultures have a relationship with the natural world which they and all others can draw upon for understanding and for inspiration p6  
 A multicultural environmental education uses the opportunity to help children become aware of, understand, accept, and celebrate other cultures and their environmental traditions p6  
 A note on model programs p6  
 A pedagogical crisis p5  
 A rationale for a multicultural environmental education p4  
 A sociological crisis p4-5  
 Towards a multicultural environmental education. Running-Grass p4-6

*Multicultural education: The magazine of the National Association for Multicultural Education* 2 (3), Spring 1995

Assumptions about family realities p19-20  
 Building communities of learners: Teachers must learn how to humanize the teaching environment and develop their classrooms as communities of learners p20  
 Celebrating diversity, unlearning prejudice: Teachers need to reflect on their own schooling and cultural experiences in order to acknowledge and understand the perspective that they bring to the profession p19-20  
 The college commitment to a diverse teaching force p17  
 Cooperative learning, complex instruction, tribes p20
