CHICAGO STATE UNIVERSITY

COMMUTER MEAL PLANS

Commuter meal plans are created specifically to give you a better dining value when you use a meal card instead of paying cash for meals. When you purchase a meal plan, a magnetic strip is placed on the back of your student identification card to identify you as a dining plan member in our computer system. Our meal plans are valid for one semester and designed to help you save money.

WHY SHOULD I SIGN UP?

- Add some variety ...enjoy the same great food as resident students.
- Your meals are tax free, which means more money in your pocket.

WHERE CAN I SIGN UP AND WHAT ARE MY PAYMENT OPTIONS?

All meal plans can be purchased through the University Cashier's Office. Financial Aid dollars can be used to purchase the Commuter Meal Plans. You may also pay with MasterCard, Visa, cash or money order.

WHAT DOES IT COST ME?
