FACT BOOK

This is the Fact Book.

We continue to attempt to incorporate all suggestions for the *Fact Book*. Not much has changed from the previous *Fact Book*. We have decided to continue using the Adobe Acrobat file format and have received praise regarding its usability.

Please note that a link is provided on our website that will direct you to the information that was previously presented in Table V.1 (Comparative Discipline Cost Study) and Table V.2 (Credit Hours Generated by Program Annually).

Finally, it is clear by now that no single document can meet all of the university's operational needs. This publication, therefore, is intended to serve as a useful reference. For more specific questions, please contact the Office of Institutional Effectiveness and Research by phone (ext. 2382) or in writing (ADM 129).

Chicago State University Core Values, Vision, and Mission

Chicago State University, a public, comprehensive, urban institution of higher learning located on the south side of Chicago, strives for excellence in teaching, research, creative expression and community service. June 2011, the Board of Trustees of Chicago State approved a resolution proposing a new set of core values, vision and mission for the University as the institution continues to go through a transformation in new leadership, new achievements and new endeavors. More detailed information can be found on the University website at: <http://www.csu.edu/news/missionvisioncorevalues.htm>.

Core Values

Chicago State University values:

- Intellectual development
- Creative and innovative thinking and learning
- Dignity and unique talents of all persons
- Responsible choices and actions
- Personal and academic excellence
- Personal, professional and academic integrity
- Diversity
- Leadership, service, philanthropy, social justice, and entrepreneurship
- Pride in self, community and the university
- Lifelong learning

Vision Statement

Chicago State University will be recognized for innovations in teaching and research, and in promoting ethical leadership, entrepreneurship, and social and environmental justice. We will embrace, engage, educate, and empower our students and community to transform lives locally and globally.

Mission Statement

Chicago State University (CSU) is a public, comprehensive university that provides access to higher education for students of diverse backgrounds and educational needs. The university fosters the intellectual development and success of its student population through a rigorous, positive, and transformative educational experience. CSU is committed to teaching, research, service and community development including social justice, leadership and entrepreneurship.

Chicago State University was founded as a teacher training school in Blue Island, Illinois on September 2, 1867. Today, the University is a fully accredited public, urban institution located on 161-picturesque acres in a residential community on Chicago's South side. CSU is governed by a Board of Trustees appointed by the Governor of Illinois. The University's five colleges—Health Sciences, Arts and Sciences, Business, Education and Pharmacy—offer 37 undergraduate and 26 graduate and professional degree-granting programs. CSU also offers an interdisciplinary Honors College for students in all areas of study and has a Division of Continuing Education and Nontraditional Degree Programs that offers extension courses, distance learning and not-for-credit programs to the entire Chicago community.
