8 Week Session • Winter 2012

begins Saturday, January 28, 2012

Registration starts Tuesday, January 3, 2012

Welcome to the Winter Session

The Options Program at Chicago State University is honored to be a part of a community that places high value on education and lifelong learning. Our non-credit program offers a wide variety of classes to meet your interests as well as your personal and professional development and enrichment needs. In addition to new language and art classes, we will also be expanding our career training programs with new and continuing classes in the spring session. We firmly believe that education improves the quality of life and contributes to community economic vitality.

We appreciate your commitment to lifelong learning and for making this community such a special place to learn and grow. We look forward to serving you through our Kids Corner, Business & Vocational, Personal Development, Academics and The Young at Heart learning groups.

Remember to take the time to consider your *Options*.

See you in class!
