Tips for a Successful Web Registration

- Verify your eligibility to register (confirm admission, check for holds, etc.)
- If you have all the course reference numbers (CRN) for your courses, click on "Add/Drop Classes" even if this is the first time you are registering for the selected term. The system considers each class an "add," even if it is the first class registered for the term.
- You must click on "**submit classes**" to secure your selections.
- Scroll down to the bottom of the screen to check for registration errors. Your schedule is not final until you have corrected all registration errors.
- You are advised to print your final schedule and confirm your registration with your instructor at first class session.
- You must be officially registered to attend or participate in a CSU class. **For registration information contact the Registrar's Office.**
- Changes to course information may be made after the Class Schedule Bulletin is published. Check CSU X-Press for the most up-to-date course information.

Personal Access Code

Your first access to the secure area login requires your User ID (your University Identification Number, UID) and your Personal Access Code, (PAC/PIN), which is your birth date in the format of MMDDYY. Example: May 7, 1950 will be 050750.

The system is programmed to request that you immediately change your PAC on your first entry. Your new PAC must be six (6) characters and can be letters, numerals or a combination. Examples: AZ1234 or 135790 or KLMNOP.

You will be prompted to create a security question and an answer upon your first entry. If you forget your PAC, click the "Forgot PAC" button. Keep your PAC confidential and change it if you believe it has been compromised.

Registration Advising Personal Identification Number (PIN)

To register online, you must have a current registration advising PIN. Degree-seeking students (undergraduate and graduate) will receive a PIN from their academic advisors during the advisement session. New PINs are assigned each term and expire at the end of the regular registration period. At-large students may not need a PIN to register online.

Computer Locations & Help

You can use your own computer, a local library computer or a computer in the University Library. Technical support for CSU X-Press registration is available from 9am-5pm, Monday through Friday at 773-995-3963 (IT Help Desk) or 773-995-2522 (Office of the Registrar).

Online credit card payments can be made by visiting afford.com and selecting "Make a Payment." Students should validate their registration by making a payment per University guidelines. Undergraduate and Graduate Students

Continuing Students

(Those who have attended at least one term since Spring 2012)

Currently enrolled students who have been accepted as candidates for the bachelor's/graduate degree: use your Spring 2014 RAP (registration advising PIN) provided during your advisement session to register via CSU X-Press.

New Students

If you have never attended Chicago State University and you are seeking a degree, you must be admitted into a degree program. Undergraduate and Graduate Admissions is located in ADM 126. After you have been admitted, you must be advised. Your advisor will provide you with your Spring 2014 RAP (registration advising PIN) to access the CSU X-Press registration system.

Returning Students

Undergraduate students who have not attended since the Spring 2012 and who were in good standing their last term must file an application

for readmission in the Office of the Registrar, ADM 128. Students must submit transcripts covering all college courses completed since withdrawal from Chicago State University.

Undergraduate students who were dropped from the University, or who were not in good academic standing at the time of withdrawal should submit an academic petition form for reinstatement to the Office of the Registrar. Students seeking reinstatement must submit transcripts covering all college course work completed since withdrawal. The petition for reinstatement must be approved and processed prior to registration. **Spring 2014 deadline is December 1, 2013.**

Master's degree candidates in good academic standing, who have not exceeded the time limit to complete the degree and who have not registered since the Spring 2012, must file an application for readmission with the Office of Admissions (ADM 126), and obtain re-entry approval from the academic department supervising the degree program. Graduate students who have exceeded the time limit for completing the degree must petition the Council of Graduate and Professional Studies at CSU for re-entry into their program. The Council of Graduate and Professional Studies normally meets the second Tuesday of each month.

You must be advised before you register. Your advisor will give you a Spring RAP (registration advising PIN) for use with the CSU X-Press registration. See the Quick Reference Guide for a list of departments on page 6.

Undergraduate Students-at-Large (USAL/USUM)

A student who has not been admitted to degree status at CSU may enroll for Spring session courses on a non-degree basis as an at-large student. To enroll for Spring session courses, undergraduates complete the one-page application form available online at csu.edu/Admissions/atlargeinstructions.htm and submit to the Admissions Office ADM 126. The student must also provide evidence of good academic standing at the current or last attended college or university in the form of a current transcript or grade report. At-large students are eligible to register online through the CSU X-Press Web registration system without a registration advising PIN (RAP). However, special documented permission is required for at-large students to enroll in any undergraduate course that has a prerequisite requirement.

Graduate Students-at-Large (GSAL/GSUM)

Graduate students-at-large must complete the one-page application form available online at csu.edu/graduateschool/gradadmissions/graduateforms.htm and submit the application with proof of a Bachelor's degree to the Admissions Office, ADM 126, 773-995-2513. The Admissions Office will provide registration information. Graduate at-large students are eligible to register online through the CSU X-Press registration system without a registration advising PIN (RAP). However, special permission is required for at-large students to enroll in any 5000-level or higher graduate course. Students registering online must obtain academic departmental approval prior to attempting to register for these or any other restricted course.

Students should not attempt to register for two different sessions of the same course. If additional work is desired in a variable credit course, students should talk with the department chairperson.

TEACHER CERTIFICATION

If you plan to enroll for courses to achieve initial teacher certification and you have been evaluated by the Chicago Board of Education or the State of Illinois, present your deficiency statement at the College of Education

Office of Teacher Certification. For more information, call 773-995-2519. All College of Education requirements for entry to teacher certification sequences must be met and appropriate departmental signatures obtained prior to enrolling in certification courses.

NOTE: Cooperating teachers eligible for tuition waivers may contact the Office of Field Placement, ED 322, 773-995-2392. The proper parties must sign the waiver form before a waiver is issued. Forms must also be submitted to and signed in the provost (ADM 306) and financial aid (ADM 207) offices by September 15, for the Fall term, January 30 for the Spring term and by the first day of classes for any Intersession or Summer Sessions in which the waiver is presented and the individual enrolls. See page 19 for information on the tuition waiver application process.

University Employees

Civil Service Staff

If you are a civil service employee enrolled in an undergraduate program, and intend to pay for tuition with a Civil Service Waiver, you may be eligible for financial aid. Please complete and submit a Free Application for Federal Student Aid, (FAFSA), to the U.S. Department of Education and complete the financial aid application process. To take tuition-free courses, the application for civil service employee education benefits must be completed, approved by your supervisor, and sent to the Office of Human Resources, ADM 203, prior to the start of the term. Applications are available in ADM 203.

Faculty and Administrators

To take tuition-free courses, faculty and administrators must receive written approval from their chairperson or supervisor and college dean, where appropriate and indicate the course(s) for enrollment. The written approval then must be submitted to the Office of the Provost, ADM 306, prior to the start of the term. See page 19 for information on the tuition waiver application process.

All University employees are subject to the rules and regulations set forth by Chicago State University regarding education benefits for employees.

University employees must adhere to the same academic regulations as other students at the University.

If a tuition waiver is the sole source of payment for tuition and fees for the term, the waiver should be submitted at the time of registration to avoid being dropped for non-payment.

Advisement

All degree-seeking students are REQUIRED to be advised prior to registration. Advisors will give a PIN to a student during the advisement session to use with the CSU X-Press Web registration system.

Master's degree candidates and graduate certificate students must be advised by the department supervising the program to which they have been admitted. PIN numbers are distributed by graduate advisors. *Students should note that the time for advisement is not during registration. To speed up your registration, have your schedule prepared with alternative courses to take if certain courses are closed.*

Student Registration Responsibility

It is the responsibility of each student to provide the proper course reference number on all registration transactions. A student should only register for advised courses. Abuse of the Web registration system may result in your courses being dropped by request of the department chairperson or the instructor of the course.

You are responsible for making a payment and obtaining a receipt for payment on your account by the published date, and at the time of registration and before payment due dates, even if your account is being paid through a grant, scholarship, loan or another party.

If an admitted student is advised on the basis of his or her unofficial transcript, the student is responsible for any consequences related to course selection, registration and academic progress. Students must provide official transcripts by the required due date.

University Holds

Students with financial or certain academic holds may not register until a release is processed by the department that initiated the hold. Clear your hold(s) before your scheduled registration date.

Academic Progression Policy

A student who has not successfully completed the academic skills requirements will have hold(s) placed on his/her record that will remain until the specified requirements have been met.

Academic Skills Courses & Placement Assessment

Freshmen: Once accepted for admission to Chicago State University, all freshmen must take the University diagnostic examinations in English, mathematics, and reading by the end of the first term in residence. All

freshmen must either meet the minimal requirements of the University diagnostic examinations or pass the appropriate academic skills course, namely English 1230, Reading 1500, or Math 0990. To exit from these courses, students must pass the appropriate examination.

Transfer Students: Transfer students who have not completed an associate's degree (A.A. degree or A.S. degree) must take proficiency examinations in English and reading. Transfer students who transfer eligible general education math courses with a C or better and whose majors do not require additional mathematics courses do not have to take the proficiency examination in mathematics. Cancelled Classes

The University reserves the right to limit the size of classes and to cancel classes for which there is insufficient enrollment. Class cancellations are usually made before the first day of class for the term. If the class for which you are registered is officially cancelled for the term, you will automatically be dropped from the class. If you do not register for an alternative class, a tuition refund will be processed to your account according to the refund policy. Students receiving financial aid benefits may wish to consult with their financial aid counselor concerning any award implications. Notification of cancellation are communicated to students via CSU email.

Class Enrollment/Participation

Students cannot attend classes for which they are not officially registered. Students attending classes in which they are not officially enrolled will not be permitted to register for the course after the last day to add the class.

Students are expected to make their own arrangements with faculty members about making up class work and all assignments when classes are missed.

Instructors may initiate a student's unofficial withdrawal from a class for which a student either has never attended or stopped attending. A WN withdrawal is for non-attendance. A WA withdrawal is for lack of attendance if a student has attended at least once. The grade codes of WN and WA are counted in the student's attempted hours. For additional information, refer to

the University catalog. Although the University has adopted an administrative process to identify unofficial withdrawals, **it is solely the students responsibility to drop or withdraw from enrolled classes.**

Students are expected to attend all class sessions in the course sections for which they are registered. It is the student's responsibility to drop the class if she/he is not attending. Failure on the part of a student to officially withdraw from a class prior to the official drop date may result in a failing grade (F) and financial obligation for the class. A student may drop/withdraw all but the last class through the published deadlines. For complete withdrawal see page 14.

Students can request to withdraw from a course with a grade of W on their transcripts January 20, 2014 through March 28, 2014 for the Regular Session, and February 9, 2014 through March 28, 2014 for the Special Session.

See "Complete Withdrawal" on page 14 for more information to drop/withdraw your last class.

Credit Hour Load

Undergraduate Students

The maximum credit hour load for the Fall and Spring semesters is 16 credit hours. Students whose CSU cumulative grade point average is 3.0 or better may register for a program of 18 semester hours. Additional hours beyond 16 must be approved in writing by the academic department. The Office of the Registrar must record that approval in the system.

Although generally there is no minimum credit-hour load for some students, the following minimum credit-hour loads are recommended: Veterans receiving benefits under Public Law 89-358 (Veterans Re-adjustments Benefits Act of 1966) must carry 12 credit hours to be eligible for full subsistence allowances during the semester. Students may not be registered at other colleges without written permission from the Academic Evaluation and Advisement Office, ADM 128. This permission **MUST** be obtained prior to registration at either college.

For the following students a minimum credit hour load is required: **Student athletes must carry a minimum of 12 hours during the fall and spring terms to maintain eligibility status.**

F-1 international students must carry a minimum of 12 credit hours during Fall and Spring terms to maintain lawful F-1 student status in the United States.

Graduate Students

The maximum credit-hour load of graduate courses is 12 hours in the Fall and Spring semesters. Exceptions to the graduate course credit-hour load may be made with the approval of the graduate faculty advisors and/or the department chairperson and the graduate dean. Students may not be registered at other colleges and universities without approval of their advisors and the graduate dean. Permission must be obtained prior to registration at either college.

Undergraduate Incomplete Grade Policy

An undergraduate student may request a grade of Incomplete (I) if extraordinary and unavoidable circumstances have prevented completion of the required course work. The student must have completed at least 50% of the graded work with a passing grade (D or better) and must have attended classes within three weeks of the last day of scheduled classes. If a student does not complete the course work by the specified date, the grade of "I" will be replaced by the default grade as stated in the contract. If there is no default grade the student will be assigned an F grade.

A request for a grade of Incomplete must be initiated by the student and submitted in writing using the Incomplete (I) Grade Request & Contract form. The contract must be submitted to the Office of the Registrar by May 13, 2014. Contracts submitted after this deadline may not be processed and result in the default grade of F.

The Incomplete (I) Grade Request & Contract form can be obtained in the Office of the Registrar, ADM 128.

Students should not re-register for a course for which they have a grade of incomplete (I). If, after the incomplete contract has expired and/or a change of grade has been issued to replace the "I", a student may then register for the course again. See Repeat Policy on page 14.

Placement Assessment • ADM 126

Students must have a picture ID to take the placement assessment. The assessment placement schedule is posted in the office, as well as on the examination office web site at csu.edu/examinations/.

Prerequisites

Prerequisites are listed in the University catalog at csu.edu/catalogs. A student should not attempt to register for a course unless she/he meets the prerequisites, if any, for the course. If a student does not meet the prerequisite for a course, the student may be dropped from the course. Please consult your academic advisor about prerequisites for your courses.

Undergraduate Repeat Policy

Students are allowed to repeat a course and have the highest grade earned count toward their cumulative grade point average. Please note that certain financial aid programs may not cover tuition for repeated courses. Students should contact a financial aid advisor when attempting to repeat a course, to determine eligibility.

Complete Withdrawal

(Drop/withdraw from all courses resulting in zero hours of enrollment)

Prior to requesting to formally withdraw from all classes, students are strongly encouraged to seek guidance from an academic advisor, major department chairperson, college dean, or from the Office of the Registrar (ADM 128)/Enrollment Management (ADM 129) for a more suitable resolution to concerns affecting enrollment.

Students who completely withdraw **by January 19, 2014 for the Spring Regular 16-week Session, or February 8, 2014 for the Spring Special Session are eligible for a total reversal of tuition and applicable fees.**

The last day to withdraw with a W grade is March 28, 2014 for both regular (16-week) and special (12-week) sessions.

Waiver/Enrollment Process

Students are required to complete an online form to waive out of or enroll into the mandatory CSU insurance plan every Fall and Spring semester. The confirmation email you will receive from the UHCSR Student Center immediately upon submitting your waiver will be required for any waiver disputes.

Waiver/enrollment periods and deadlines are published every semester in the Academic Calendar, on the Student Health Insurance webpage, and on the Cougar Connect Resources Web page.

Six-Year Guaranteed Tuition Plan

The “Truth in Tuition” bill mandates that Illinois public universities provide four years of level tuition for new students enrolling for the first time beginning with the 2004-2005 academic year. Beginning with the Fall 2004 semester, each new undergraduate class of students (first-time freshmen and transfer students) will have the tuition rate held constant for four consecutive years. In 2010 the bill was amended to include an additional two years of guaranteed tuition rates for the amount the University charged students who first enrolled in the University for the academic year following the academic year the student first enrolled in the University.

The guaranteed rates will remain in effect for six years or until the student reaches 120 credit hours, whichever comes first. The hours will be extended to accommodate any majors or programs that exceed the 120 hours or six years. The guaranteed rate will remain in effect except in the event of a break in enrollment of no more than one year (two semesters, excluding summer school). In no case will the initial guarantee rate be valid beyond six years of total enrollment. The undergraduate (returning, non-guaranteed rate) will be assessed for students that extend beyond the six-year guarantee period (120 credit hours) or six years of total enrollment. For all other students, Chicago State University’s current tuition program remains in effect. The Class Schedule Bulletin published each term should be referenced for current information.

IMPORTANT NOTES:

A change in major will not affect the guaranteed rate. The guaranteed rate will continue for the number of credit hours necessary to complete the new major, not to exceed six years of total enrollment. Beyond six years of total enrollment, the undergraduate (returning, non-guaranteed rate) will be assessed. Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis by invoking the student appeal process. Transfer student rates will be guaranteed.

Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis through the student appeal process.

Transfer student rates will be guaranteed based upon 120 credit hours less the number of credits transferred at the time of first enrollment. All extensions and exceptions that apply to new freshmen will be extended to new transfer students.

Credit Hour Pricing

Beginning with the Fall 2004 to Fall 2005 academic year, tuition and mandatory fees will be charged on a per credit hour basis up to 15 hours. This 15 credit hour cap will allow students to complete 120 credit hours in eight semesters or four years. Credit hours exceeding 15 will be charged at the rate for 15 credit hours.

Out-of-State Tuition

The Six-Year Guaranteed Tuition Plan is extended to all undergraduate out-of-state new freshmen and transfer students whose permanent residence is not within the state of Illinois.

In-State Tuition

The Six-Year Guaranteed Tuition Plan is extended to all undergraduate new freshmen and transfer students whose permanent residence is within the state of Illinois.

Effective Fall 2010, newly admitted students whose permanent residency is within the states of Indiana, Iowa, Kentucky, Missouri or Wisconsin, and effective Fall 2012, students whose permanent residency is within the states of Ohio, Michigan, Kansas, Minnesota, North Dakota or South Dakota are extended in-state tuition rates at Chicago State University.

Mandatory Fees

Mandatory fees apply to all on-campus students and students with a combination of off-campus and on-campus schedules regardless of student level or residency status.

Any combination of extension or distance learning courses and on-campus courses will have mandatory fees charged.

Payment

By registering for classes at Chicago State University (CSU), you acknowledge financial responsibility for the confirmed courses resulting from this registration, and all fees assessed to your student account (including the student health insurance fee). You also accept responsibility for any additional costs related to your enrollment at CSU including, but not limited to, room, board, parking, library fines, books and other class materials and any other departmental or college charges. By enrolling, you acknowledge that you are receiving an educational benefit from CSU, and that the costs associated with that benefit are an extension of credit from the University which is due and payable upon registration.

Tuition and fee charges are billed on a monthly basis. CSU does not mail billing statements to students. If you are a currently enrolled student, you will receive email notification each month, at your University email

address, indicating your tuition and fee statements are available online. The online statement, called the E-Bill, allows you to see your charges in an easy-to-read, user-friendly format.

Student account balances are expected to be paid in full by the start of each term to avoid a late fee. These charges, in accordance with CSU Policy, apply to all customers billed through the Student Accounts Receivable system, and are subject to a LATE PAYMENT CHARGE when payment is not made upon established due dates. A financial hold will be placed on a delinquent student account. This hold will prevent registration, release of transcripts, and the release of a diploma.

In addition, you understand that Chicago State University may refer your past due account for collection and may authorize legal action against you for the collection of this debt. You agree to be liable for all reasonable collection costs, including attorney fees, court costs, and other charges necessary for the collection of your past due account. You understand that if you allow your account to go into delinquent status, your registration, release of your transcript and diploma will be prohibited until such time as your account is paid in full.

- Students must have met all their financial obligations** to the University before they are eligible to register for classes unless payment arrangements for meeting such obligations have been made with the Bursar.
- American Express, Discover Card, MasterCard, Visa,** cash, money orders, cashier's checks, certified checks, personal checks and traveler's checks will be accepted for tuition and fees. Online credit card payments can be made by visiting afford.com and selecting "Make a Payment." ECAP also provides electronic check approval that takes funds from your checking account within 48 hours of the time the check is written to CSU. Business checks will not be accepted.
- Students who have presented two NSF** (not sufficient funds) checks to the University, even though restitution has been made, will be required to pay for their registration with cash, money orders, certified checks, traveler's checks, American Express, MasterCard, Visa or Discover Card. Business checks will not be accepted.

Policy on Returned Checks - All checks are processed through Telecheck. Any returned check will incur a \$40 Chicago State University return check fee and a \$25 fee payable to Telecheck, for a total of \$65. If you reimburse Chicago State University directly for any check you will still be assessed the \$25 fee by Telecheck, and an additional \$25 delinquent payment fee by Chicago State University.

It is the responsibility of the student to maintain a current address in the Office of the Registrar.

4. Spring 2014 payment deadlines

All registered students must present an initial payment to the Cashier's Office (ADM 211) upon registration or by the listed payment due date to secure and maintain registration in your Spring 2014 classes. Students must present one of the following payment arrangements by the 100% reversal/refund deadline (see page 4):

- Financial Aid Memo
- TMS installment plan for remaining account balance
- Bursar Office Third Party Authorization Memo
- Initial monetary down payment
- Quick Pay payment receipt

The deadline for the 100% refund/reversal to drop/withdraw from registered courses is January 19 for Regular Session courses and February 8 for Special Session. See page 4 for additional dates. Failure to do so may result in the cancellation of your courses.

Final payment of tuition and fees is due by February 15 for Regular and Special Session; intersession due upon registration.

5. Reinstatement

Students who are eligible to register after being dropped for non-payment will only be reinstated into course sections for which they were previously registered and are available for enrollment.

6. Installment Payment Option

A. **Eligible:** All Illinois resident students registering for six or more hours during advance, regular and late registration.

B. **Non-eligible:** Students who have tuition and fee charges that amount to less than the required deposit due to financial aid credits are not eligible. Students registering for less than six hours are not eligible.

C. **Tuition Management Installment Plan:** Chicago State University offers an interest-free monthly payment plan to distribute your education expenses over time instead of one large payment. To enroll, call 1-800-222-4867 (TMS/24 hours a day); or visit afford.com.

Students using the installment payment option are required to make an initial payment at the time of registration. Remember, your initial deposit must go to Chicago State University or your registration will be cancelled. The enrollment fee for using the installment plan varies according to the number of payments in your plan. Whether or not you are on the installment plan with TMS, you will still pay the deferred fee amount if tuition is not paid in full at the time of registration. The deferred fee is non-refundable.

1. TMS Refunds

The service fee is non-refundable; the down payment is refundable in accordance with the University refund policy. Selecting the installment payment option cannot extend the refund period. Final payment is due on withdrawals after the refund period.

2. TMS Final Payment

Partial or complete payment will be accepted at any time; however, the total balance must be paid according to your TMS payment plan. If you are not enrolled in TMS, the total balance must be paid by February 15, 2014. Make full payment before the deadline to avoid any additional charges.

3. Default on TMS Plan

Failure to make a complete payment on time according to your payment plan will cause payment default and all outstanding balances are subject to be assessed a late fee. In addition, a hold will be placed on your academic record and you will not be permitted to register for subsequent terms until the balance is paid in full.

4. Your Financial Responsibilities

If you fail to meet the terms of your installment payment agreement, you run the risk of your courses being dropped and you will be responsible for payment in full. In addition, Chicago State University may report your account to the credit bureau, place your student account with an outside collection agency and assign the account to the State of Illinois Off-Set System. It is further understood that all reasonable collection costs, fees or legal expenses incurred by Chicago State University and any outside agency in securing payment is your responsibility. These fees could range from 25% to 50% of your unpaid balance.

Refund Policy

1. 100% reversal: A 100% reversal of tuition and refundable fees may be applicable for classes dropped from the University during the period beginning November 18, 2013 through January 19, 2014 for regular session and November 18, 2013 through February 8, 2014 for special session.

**Chicago State University
Spring 2014 CTA Ventra U-Pass Card Policy**

This fall, CTA and U-Pass transitioned to Ventra, the new easy way to pay for trains and buses on the CTA and PACE. Below you will find some general information to help students become familiar with the new Ventra U-Pass.

- The Ventra U-Pass Card provides unlimited rides on the CTA during your enrollment as a full-time student.
- You will no longer need to obtain a new U-Pass every semester.
- As long as you're enrolled full-time in school, your U-Pass privileges will be loaded onto your card automatically.

- Add full fare passes and transit value to your Ventra U-Pass:
 - Use on the CTA when school is not in session or when you do not qualify as a full-time student.
 - Use on PACE year-around
- Your U-Pass is good for five years, and your transit account will stay active when you are not in school.

Who is eligible for the Ventra U-Pass Card?

All full-time students registered are eligible for the Ventra U-Pass Card. To receive a Ventra U-Pass Card, you must present a valid CSU ID when the CTA and Cashier's Office is on-site to take photos and issue cards. "Full-time student" is defined by the written policy of the University and the definition is valid for both graduate and undergraduate students.

What process is required to activate a Ventra U-Pass account for each student?

Each full-time student will receive a Ventra Card at the first distribution following the student's enrollment at the University. The Ventra Card will be registered to the student's account by the school, who will assign a valid term to that student's account. The student will keep the same Ventra Card during his or her entire academic career with the university unless the Ventra card is lost, misplaced, stolen or misused.

How much does the Ventra U-Pass cost?

CTA sets the price for the Ventra U-Pass Card on an annual basis. For the 2013-2014 Academic year, the Ventra U-Pass Card \$140.00 per semester. All full-time students with 12 hours or more will have their accounts billed automatically. If you drop below full-time enrollment, your Ventra U-Pass will be deactivated.

When is my Ventra U-Pass Card activated?

Students Ventra U-Pass Cards are activated at the beginning of each semester. The following are the dates and times for Ventra U-Pass card distribution for the Spring 2014 semester:

(Continuing students do not need to pick up a new card)

Pick-up location: TBA 10am to 6pm

- Thursday, January 9, 2014 from 10am to 6pm
- Friday, January 10, 2014 from 10am to 6pm
- Monday, January 13, 2014 from 10am to 6pm
- Tuesday, January 14, 2014 from 10am to 6pm

CTA is off campus now, so where do I go to receive a Ventra U-Pass Card?

See the Ventra U-Pass Card Coordinator in the Cashier's Office (ADM 211).

When will my CTA Ventra Card be available for pick up?

Students who have completed the authorization form and contacted the Ventra U-Pass Coordinator will pick up their Ventra U-Pass Card at the Cashier's Office located in the Cook ADM 211 on the following Friday.

Do I use the same Ventra U-Pass Card for the Fall and Spring semesters?

Yes. The Ventra U-Pass Card will be effective for up to five (5) years and the student may continue to use the card after graduation or withdrawal from the University. However, a regular CTA fare will be charged if the card holder is no longer a student. Every effort will be made to distribute Ventra U-Pass cards before the activation date. Your U-Pass Coordinator will announce the dates and times.

Can I waive receiving the Ventra U-Pass Card? The Chicago Transit Authority designed U-Pass Card program not only as a way to offer a discount to full-time students but also to increase CTA ridership. Therefore, for a school to participate in the program, CTA requires that all full-time students at the university receive the a U-Pass Card. However, there are limited circumstances when the U-Pass Card may be waived if the student meets one of the following criteria:

- Student enrolled in ALL distance learning or online courses
- Student enrolled in ALL extension courses
- Student with disabilities
- Student studying abroad
- Student who is 62 years or older

In order to waive the U-Pass fee, the student must submit all requests in writing with supporting documentation to the Ventra U-Pass Card Coordinators, Bobbie Stewart and Pearleen Wiley in the University Cashier's Office at ADM 211 by 5pm CST on **February 1, 2014**. The Ventra U-Pass Card Coordinator can be reached by telephone at 773-995-2029 or email to upass@csu.edu.

Can I receive a credit towards semester parking permit?

Students who purchase a semester parking permit will be issued up to a \$50.00 credit on their student account towards the cost of the parking permit per semester. Credit will only be issued for full-time students.

How will the parking credit be issued?

The credit waiver towards the parking permit will be automatically beginning **February 15, 2014**. No waiver will be issued to students who purchase their parking permit after the 100% drop date.

Can I give my Ventra U-Pass Card to someone else to use?

No. Ventra U-Pass Cards are not transferable and will be confiscated by the CTA. Furthermore, its holder will be subject to criminal prosecution if it is misused or presented for transportation by another person other than the person to who it is issued. CTA maintains the right to inspect the Ventra U-Pass Card used by a student and to ask the student for another form of identification to ensure that the pass is being used by the person to whom it is issued. Furthermore, CTA maintains the right to deny a student access to the CTA system. The Ventra U-Pass Card Reduces fees if the student does not possess both the Ventra Card and a current student ID.

What should I do if my card is lost, stolen, and/or damaged?

Lost, stolen and/or damaged cards require a SWORN STATEMENT to be signed by each student who wishes to replace their Ventra U-Pass due to being lost/stolen these stipulations should be reported to Chicago State Cashier's Office (ADM 211) between the hours of 9am to 4pm Monday thru Friday. The card will be deactivated.

CTA requires a payment of \$50 for a lost, stolen and/or damaged Ventra U-Pass Card. Students who return to university without their initial U-Pass Card, should be considered lost/stolen and therefore a new card had to be issued. The replacement fee for a lost/stolen card is fifty dollars (\$50.). This fee is paid at the Chicago State University's Cashier's Office ADM 211.

Most students damage their U-Pass by allowing it to touch the magnetic strip of another card such as a credit card. If a card is damaged, there is a replacement fee of (\$50).

How will students pay for a Ventra Card once they graduate or withdraw from the university?

Students may use the Ventra card as a "regular" fare; however the student MUST first load the Ventra card with Transit or Transit Pass Value. Transit value can be loaded at any participating Ventra retail location and/or at any Ventra vending machine at any CTA rail station. Additionally, students can also load/reload the card using a debit/credit or ACH online.

What happens if I have problems with my card?

Any problems to the Chicago State University (ADM 211) between the hours of 9am to 4pm Monday thru Friday. The card will be deactivated and a new card will be ordered.

How will I determine if the card is defective?

A card will be considered defective if it cannot be read by a Ventra reader AND has never been used before. If it's been used at least once, the policy is the user must have damaged it. Most students damage their U-Pass by allowing it to touch the magnetic strip of another card such as a credit card. If the card is damaged, there is a replacement fee.

Who is responsible for enforcing CTA's rules regarding re-entry into the U-Pass program for any student whose U-Pass has been confiscated due to improper use?

Per the CTA U-Pass contract, the school is responsible for enforcing CTA's rules regarding reentry into the U-Pass program for any student whose U-Pass is confiscated due to improper use.

What should I do if my card is captured on a bus or train?

If a card is captured on a bus or train, it is not considered a student error. Contact the bus driver to get a receipt stating that the card was captured, or contact the CTA personnel to write a "Fare Discrepancy Report." The CTA personnel will give the student a free transit card to get to their destination. Students must take the receipt to the Chicago State University Cashier's Office to request a new U-Pass. It will take five to seven business days for a replacement card to be mailed to Chicago State University from the CTA. This replacement card will be sent to the Cashier's Office for pick up.

Student Financial Aid

ADM 207 • 773-995-2304

Deadlines and policies are available in the Office of Student Financial Aid and on the Financial Aid website. The University provides an established financial assistance program designed to best meet the needs of Chicago State University students. Assistance is available to eligible students in the form of scholarships, grants, assistantships, student employment and loans. All students wishing to be considered for financial assistance must complete the FAFSA (Free Application for Federal Student Aid).

To be eligible for Federal Assistance

Students must be enrolled in a program leading to a degree/certificate to be eligible for Federal Pell Grants, Federal College Work-Study, Federal Stafford Loans and Federal Perkins Loans. To be eligible for Stafford or Perkins loans students must be enrolled at least half-time (6 hours).

Students at-large are not eligible for state or federal financial assistance.

Undergraduate students (including second bachelor's and teacher certification) must be enrolled 12 or more hours in order to be considered full time, a minimum of nine hours to be considered three-quarter time, and six hours for part-time status.

A change in enrollment status (hours enrolled and/or grade level) that occurs after a financial aid recipient's original registration must be reported immediately, in writing, to the Office of Student Financial Aid. Failure to report changes in enrollment status may result in overpayment, cancellation of benefits, and jeopardize future eligibility for student financial assistance.

Students selected for verification by the U.S. Department of Education or the University will be required to provide requested documentation before their financial aid awards can be processed.

Review your financial aid status anytime

Students may review their financial aid status at any time on the CSU X-Press. CSU X-Press provides students with information relating to the amount of their financial aid awards, if any, as well as, any requirements that they might need to fulfill, such as, but not limited to, submitting verification documents, IRS tax transcripts, SAP (Satisfactory Academic Progress) petitions, etc., before their financial aid package may be finalized.

The Office of Student Financial Aid no longer mails document tracking and award letters to continuing students. Instead, students are notified via email that they should go to the CSU X-Press to review their financial aid for changes to their financial aid award. All continuing CSU students have been assigned an email account. It is every student's responsibility to access his/her email periodically and to review any communication from the Office of Student Financial Aid.

Student Financial Aid Satisfactory Academic Progress Policy and Procedures

Federal and state regulations require Chicago State University to establish and implement a "Satisfactory Academic Progress (SAP) Policy" for undergraduate/graduate/professional students. Chicago State University's SAP Policy measures whether students are progressing at a reasonable rate toward the completion of their educational objectives. Students must comply with the SAP policy to maintain their continued financial aid (including loans) eligibility. A copy of the current SAP policy is available for students in the Office of Student Financial Aid. It is also available for review in both the undergraduate and graduate catalogs, as well as on the Chicago State University website.

Basic elements of the SAP policy require students to:

- Maintain a 67% completion rate (number of hours earned as opposed to number of hours attempted).
- Maintain a minimum grade point average (Undergraduates = 2.0; Certification & Second Bachelor's = 2.5; Master's and Doctorate = 3.0; PharmD = 2.0).
- Complete their undergraduate and/or graduate degree program in which they are enrolled within the maximum time frame. i.e., undergraduate maximum time frame: (120 credit hours x 1.5 maximum of 180 credits may be attempted).

In the event that a student must appeal their SAP, the appeal must be completed within 30 days after the start of the semester for which the appeal is requested or 30 days after the receipt of notice of cancellation, whichever is later.

The Satisfactory Academic Progress Policy is subject to change without notice. The Office of Student Financial Aid will make every attempt to provide students with timely notice regarding their SAP status. However, it is every student's responsibility to read the policy and monitor his/her own progress. Students who find themselves affected by SAP, should refer to the Financial Aid website for more information.

Return of Federal Student Aid Due to Withdrawal

Federal Student Aid (FSA) funds are awarded to students based on the assumption the student will attend classes for the entire period of enrollment. When a student drops, withdraws from all classes, stop attending courses, or is expelled from the University, the student may no longer be eligible for the full amount of FSA funds originally awarded. Any student that withdraws completely from a semester are required to return a portion of the federal funds that has been applied to their account. The final account of financial aid earned will be based on the period of time that the student was attending during the term. Students will be considered to have earned all of their federal financial aid after the sixty percent point of the semester. If a student's charges exceed the revised amounts remaining on his/her account, a balance will be owed to the University. If a student receives a disbursement check or uses some of the awarded funds for a book voucher, parking, or other non-mandatory fees, s/he will be required to pay such funds back to the University and/or the award program(s). Before initiating a complete withdrawal, contact the Office of Student Financial Aid at 773-995-2304 for a complete explanation.

Loan Counseling

Students who receive loans are required to complete Entrance Counseling prior to receiving a disbursement and Exit Counseling when they graduate, drop to less than half-time enrollment, or completely withdraw from the University. Online Entrance Counseling and Exit Counseling may be accessed through StudentLoans.gov website.

Federal Work-Study/Student State Aid Employment

A limited number of positions are available throughout the University through the federal work-study and state aid funded student employment programs. Students with exceptional need are awarded FWS/SA eligibility and given the opportunity to be employed. Students wishing consideration for student employment should indicate their interest on the FAFSA. Rates of pay vary, depending upon the type of work and the level of responsibility. A student must be paid at least the minimum wage. Students are responsible for monitoring the time/hours they work so that they will not exceed their award balance.

Veterans Affairs Office

Students receiving veterans benefits are required to adhere to the University's academic standing policies as outlined in the University's catalog. A change in enrollment status that occurs after the veteran's status has been certified must be immediately reported to the Veterans Affairs Office which is located in the Office of Student Financial Aid, ADM 207. Failure to report changes in enrollment status may result in overpayments. An unapproved change of program may cause termination of future benefits.

Financial Aid Website, Email & CSU X-Press

All information provided in this student financial aid section is subject to change. Any such changes and/or modifications will be reflected on the Office of Student Financial Aid website. It is the responsibility of all students to stay informed about issues that may affect their financial aid eligibility by regularly monitoring email correspondence from the Office of Student Financial Aid and accessing the Office of Student Financial Aid website and CSU X-Press.

Courses with section numbers 21–29 are hybrid courses. Courses with section numbers 51–59 are online/web courses. Courses with section numbers 61–69 are on-campus evening classes meeting between 4pm and 10pm. Section numbers 61–69 are also used to identify courses held on campus on a Saturday or Sunday. Courses with section numbers 71–89 are contract courses and generally do not appear within the Class Schedule Bulletin. Extension courses are listed with section numbers 91–99.

CHICAGO STATE UNIVERSITY Oral English Proficiency Student Complaint Procedures

Approved September 1991

Illinois statute requires each public institution of higher education to "establish a program to assess the oral English language proficiency of all persons providing classroom instruction to students," and to "ensure that each person who is not orally proficient in the English language attain such proficiency prior to providing any classroom instruction to students."

Students with complaints about the oral English proficiency of Chicago State faculty should first contact the chairperson of the department involved. The complaint must be in writing and should be as specific as possible. Copies of the complaint must be sent to the appropriate college dean and to the provost/vice president for academic affairs.

The chairperson will investigate the complaint and may observe the class. If the chairperson concludes that the faculty member's English is adequate, the chairperson will notify the student, the faculty member, the dean and the provost/vice president for academic affairs. The student may appeal the chairperson's decision to the dean. The dean will then investigate the complaint and follow the same notification procedure. The decision of the dean will be final.

If the chairperson or the dean finds that the faculty member's oral English is unsatisfactory, he or she will make a recommendation to the provost/vice president for academic affairs. The provost will take action on this recommendation and notify all parties involved of his or her decision.

Except for the necessary notifications, the identities of all students and faculty involved in oral English proficiency complaints shall remain confidential.
