4 *easy* STEPS TO REGISTER

You must be admitted to the University before you can register for classes.
Undergraduates go to ADM 200 • **Graduates** go to LIB 234

1 Select your classes with your academic advisor.

Degree seeking students will receive a Registration Advising PIN (RAP) to register on the web during advisement. • At-large students do not need a RAP to register.

2 Register for classes.

Register online at www.csu.edu during the web registration. See pages 2-3.

3 Obtain a business receipt from the Cashier (ADM 211) to validate your classes.

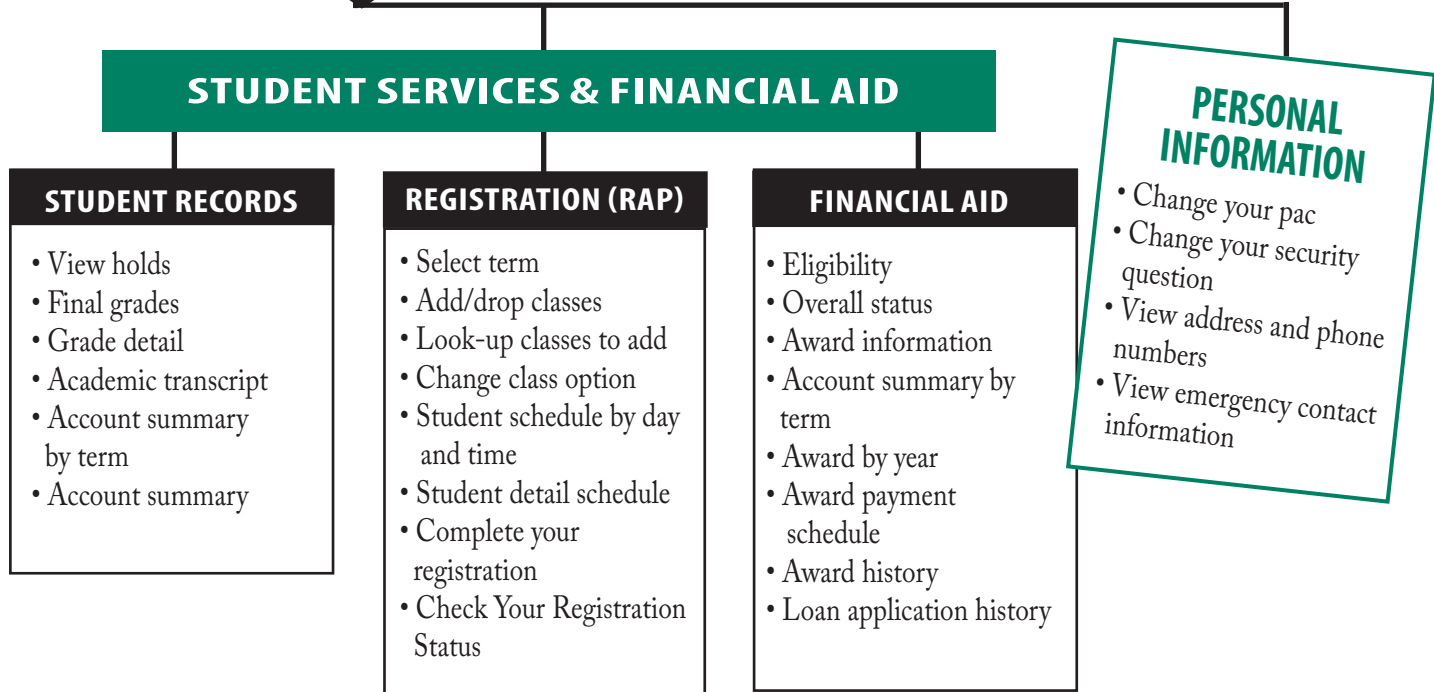

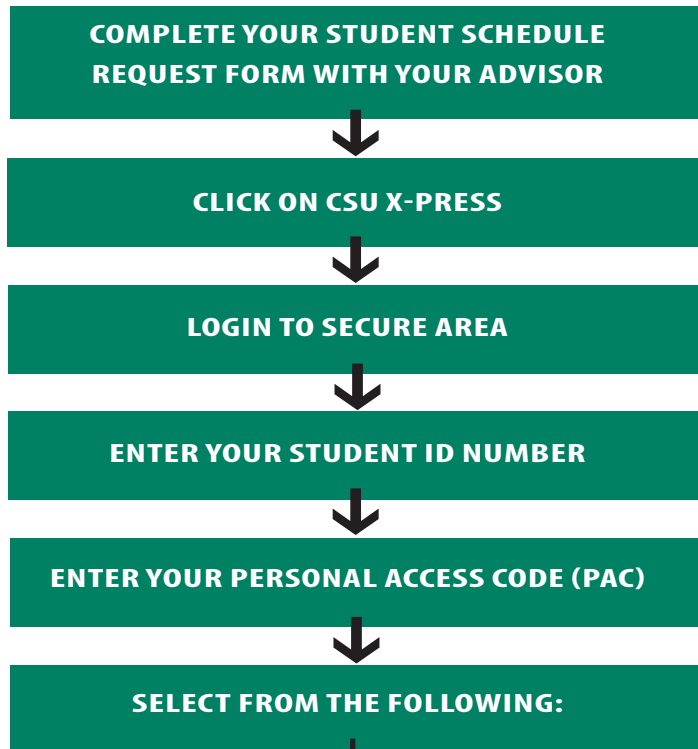

To validate your classes means that you must get a business receipt from the cashier. Your classes will be dropped for non-payment if you do not get a receipt. NOTE: Students with financial aid, tuition waivers or scholarships must get a waiver from the financial aid office, ADM 207. Present this waiver to the cashier to obtain a business receipt.

4 Obtain or update your ID card in LIB 143.

**Call extension 12447
or (773) 821-2447.**

A CSU student ID card is required for all student services.

Instructions for CSU X-Press WEB REGISTRATION (www.csu.edu)

Tips for a Successful Web Registration

- Check your registration status for your registration date.
- If you have all the course reference numbers (CRN) for your courses, click on 'Add/Drop Classes' even if this is the first time you are registering for the selected term. The system considers each class an "add," even if it is the first class registered for the term.
- You must click on "submit classes" to secure your selections.
- Scroll down to the bottom of the screen to check for registration errors. Your schedule is not final until you have corrected all registration errors.
- You are advised to print your final schedule.
- Changes to course information may be made after the Class Schedule Bulletin is published. Check CSU X-Press for the most up-to-date course information.

Personal Access Code (PAC)

Your first access to the secure area login requires your User ID (your University ID number, UID) and your Personal Access Code, which is your birth date in the format of MM/DD/YY. *Example:* May 7, 1950 will be 050750.

The system is programmed to request you to immediately change your personal access code (PAC) on your first entry. Your new PAC must be six (6) characters and can be letters, numerals or a combination. Examples: AZ1234 or 135790 or KLMNOP.

You will be prompted to make up a security question and an answer on your first entry. If you forget your PAC click the "Forgot PAC" button. Keep your PAC confidential and change it if you believe it has been compromised.

Registration Advising Personal Identification Number, PIN (RAP)

To register online, you must have a current registration advising PIN (RAP). Degree seeking students (undergraduate and graduate) will receive a RAP from their academic advisors during the advisement session. New RAPs are assigned each term and expire at the end of the regular registration period. At-large-students will not need a RAP to register online effective Summer 2009.

Computer Locations & Help

You can use your own computer, a local library computer or a computer in the Academic Library. CSU X-PRESS registration technical support is available from 9 a.m. - 5 p.m., Monday through Friday at (773) 995-2038.

Fee Payment

Your fees must be received by the published deadline dates. If you are paying by check or credit card, please click on 'on-line payment' after you have completed your registration. Students with financial aid awards or other tuition waivers must confirm their registration with a paid receipt at the cashier office in ADM-211.

Holds

You will not be able to register if there is a hold (academic or financial) placed on your record. Contact the appropriate office prior to your registration to clear your hold. Most offices are not open evenings or weekends.

Holds can be placed by:

- Bursar Balance Due
- Wellness Center Immunization/records needed
- Registrar/Admissions Dropped for Poor Scholarship Examinations. Exam(s) or courses required

Please complete and submit a Free Application for Federal Student Aid to the U.S. Department of Education, and complete the financial aid application process.

If you need assistance completing the financial aid documents call (773) 995-2371 or contact the Educational Opportunity Center, located in the Douglas Hall, Room 132. To take tuition-free courses, the "Application for Civil Service Employee Education Benefits" must be completed, approved by your supervisor, and sent to the Department of Human Resources, ADM 203. Applications are available in ADM 203.

Civil Service employees are under the same academic regulations as other students at the university. All university employees not possessing a bachelor's degree are limited to a maximum of thirty (30) semester hours of course work prior to their formal admission to the university.

Faculty and Administrators

To take tuition-free courses, employees must receive written approval from their chairperson or supervisor and college dean, where appropriate, indicating the course(s) for enrollment. The written approval then must be submitted to the provost, ADM 306. The program identification code for faculty and administrators not seeking a degree is GSAL. All university employees are subject to the rules and regulations set forth by Chicago State University regarding education benefits for employees.

Tuition Waiver Applicants

Eligible employees and cooperating teachers requesting tuition waivers must present applications to the Office of Financial Aid at CSU with all appropriate signatures by September 15, for the fall term, January 30 for the Spring term and by the first day of classes for any intersession or summer session in which the waiver is presented and the individual enrolls.

All waivers are for the term in which the course is taken, which means applications are to be submitted each term. Waivers do not cover past due bills and will not be accepted after the deadline date.

Advisement

All degree-seeking students are REQUIRED to be advised prior to their registration. Advisors will give the RAP to a student during the advisement session to use with the CSU X-Press web registration system.

Special undergraduate students-at-large (USAL) do not need advisement or a RAP to register through the CSU X-Press web registration system. Master's degree candidates and graduate certificate students must be advised by the department supervising the program to which they have been admitted. RAPs are distributed by graduate advisors.

Graduate-at-large students (GSAL, GSUM) do not need advisement or a RAP to register through the CSU X-Press web registration system. However, special permission is required for at-large students to enroll in any 5000-level or higher graduate course. Students registering online must obtain academic departmental approval prior to attempting to register for these or any other restricted course. Students should not attempt to register for two different sections of the same course. If additional work is desired in a variable credit course, please talk with the department chairperson.

Students should note that the time for advisement is not during registration. To speed up your registration, please have your schedule prepared with alternative courses to take, if certain course are closed.

Student Registration Responsibility

It is the responsibility of each student to enter the proper course reference number (CRN) for all registration transactions. A student should only register for advised courses. Abuse of the web registration system will result in the ineligibility to use the system in the future. You are responsible for obtaining a receipt for payment on your account by the published payment due dates, even if your account is being paid through a grant, scholarship, loan or another party. You must confirm your registration with a paid receipt from the cashier's office (ADM 211).

If an admitted student presents unofficial transcripts as a basis for advising, the student is responsible for any consequences related to course selection, registration and academic progress based upon the unofficial transcripts.

Cancelled Classes

The university reserves the right to limit the size of the classes and to cancel classes for which there is insufficient enrollment. If the class for which you are registered is cancelled, you will automatically be dropped from the class. If you do not find an alternative class, a tuition refund will be processed to your account according to the refund policy.

Students receiving financial aid benefits may wish to consult with their financial aid counselor concerning any award implications.

Class Attendance

Students are expected to attend all class sessions in the course sections for which they are registered unless prevented by illness, an official university activity, or other urgent and unavoidable reasons. The responsibility for maintaining class attendance records rests with each faculty member. Students are expected to arrange with faculty members to complete class work and all assignments when classes are missed.

The following is the university policy on class attendance:

- An instructor may drop students who do not attend the first day of class and make no attempt to contact the instructor or department chairperson prior to the absence. The instructor may report students who do not attend the first two weeks of class without evidence of a legitimate excuse to the registrar who will drop the student from the class.
- Instructors are required to monitor and keep records of the attendance of students at all class meetings. If a student's total absences are equal to or exceed the equivalent of two weeks of instruction, the instructor may drop the student from the course with a grade of W by September 23. The instructor may assign a nonattendance grade of W/A or W/N. (See WITHDRAWAL FROM THE UNIVERSITY)
- To drop or withdraw from courses, the student must use the drop/withdrawal form, have an advisor sign it, and then submit the form to the registrar's office. If a student stops attending a class but fails to withdraw officially from the class before the official drop date, the result may be a failing grade. Although the instructor may drop a student for nonattendance, it is ultimately the student's responsibility to drop the class. (See WITHDRAWAL FROM THE UNIVERSITY).

If you are registering for a class and you are informed that your name does not appear on the official preliminary and subsequent class rosters, it is your responsibility to investigate the matter immediately by contacting the Office of Records and Registration.

Validation

What is validation?

Validation is any form of payment in the following manner:

- Cash
- Check/money order
- Charge
- Third party letter (outside agency)
- Financial aid waiver

What does validation do for a student?

- Validation locks students into their classes so that they will not be dropped unless the student or instructor does so.
- Every student should formally withdraw if s/he is not going to attend the university.
- If you have already validated with cash, check, charge, third party letter or a financial aid waiver, your class(es) will not be dropped. If you make a payment to your account for parking, library fines, meal plans, or any other items for the current term, your classes for that term will not be dropped.

Calculate Your Tuition

This formula shows how to tabulate your tuition charges.

- **On-Campus:** (Total number of credit hours selected) x (tuition per credit hour) + (fees applicable to your total credit hours) = your tuition.
- **Off-Campus:** (Total number of credit hours selected) x (tuition per credit hour) + (fees applicable to your total credit hours) = your tuition.
- **Distance Learning:** (Total number of credit hours selected) x (tuition per credit hour) + \$50 distance learning fee = your tuition.

NOTE: Some courses carry additional fees. These fees are not included in the tuition and mandatory fee information. The list of courses with additional fees is in the back of this bulletin.

Mandatory fees

Mandatory fees apply to all on-campus students and students with a combination off-campus and on-campus schedules regardless of student level or residency status.

Any combination of extension or distance learning courses and on-campus courses will have mandatory fees charged.

Four Year Guaranteed Tuition Plan

The "Truth in Tuition" bill mandates that Illinois public universities provide four years of level tuition for new students enrolling for the first time beginning with the Fall 2004-2005 academic year. Undergraduate and transfer students enrolling at CSU for the first time after Fall 2004 and students who enroll for the first time every semester beginning Fall 2004-2005 and thereafter will maintain the same tuition rate for four consecutive years, or until the student reaches 120 credit hours. The hours will be extended to accommodate any majors or programs that exceed the 120 hours or four years. The guaranteed rate will remain in effect, except in the event of a break in enrollment of more than one year (two semesters, excluding summer school). In no case will the initial guaranteed rate be valid beyond five years of total enrollment. A tuition surcharge of 10% will be assessed for students who extend beyond the four-year guarantee period (120 credit hours) or five years of total enrollment. For all other students, CSU's current tuition program will remain in effect.

IMPORTANT NOTE: A change in major will not affect the guaranteed rate. That rate will continue for the number of credit hours necessary to complete the new major, not to exceed five years of total enrollment. Beyond five years of total enrollment, a 10% surcharge will be assessed.

Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis through the student appeal process.

Transfer student rates will be guaranteed based upon 120 credit hours less the number of credits transferred at the time of first enrollment. All extensions and exceptions that apply to new freshmen will be extended to new transfer students.

Credit hour pricing / Beginning with the Fall 2004-2005 academic year, tuition and mandatory fees will be charged on a per credit hour basis up to 15 hours. This 15 credit hour cap will allow students to complete 120 credit hours in eight semesters or four years. Credit hours exceeding 15 will be charged at the rate for 15 credit hours.

Out-of-state undergraduate tuition / *Undergraduate* out-of-state (non-Illinois resident) per credit hour tuition is twice the resident per credit hour tuition. The Four Year Guaranteed Tuition Plan is extended to all undergraduate out-of-state new freshmen and transfer students.

Student Health Insurance

CRSU 247 • (773) 995-4533

The basic student health plan for accident and sickness is mandatory for students, undergraduate and graduate, who enroll with 12 hours or more. The fee applies to students with on-campus semester hours and students with a combination of off-campus and on-campus semester hours. Students (with 12 hours or more) are automatically billed and enrolled in the mandatory health plan. Students who have coverage have the option of waiving enrollment in the CSU plan before the September 11, 2009 deadline if they have equal or better coverage.

Students enrolled with 12 or more semester hours are automatically charged a fee for student health insurance on their tuition accounts through the Bursar's office. There is an additional cost to insure dependents. The Fall 2009 health insurance cost per student is not available at the time of publication. Please contact the student health insurance office for more information at (773) 995-4533.

Coverage Period

Students enrolled in the insurance plan for the Fall 2009 semester will receive coverage until the beginning of the Spring 2010 semester.

Part-time students now eligible for coverage

Part-time students (enrolled in 6-11 credit hours) will be allowed to enroll in the student health insurance plan on a voluntary enrollment basis. Part-time students must enroll before the September 11, 2009 deadline.

Cancellation Requirements

An insurance cancellation form must be submitted every semester a student enrolls in 12 credit hours or more. Students with equal or better insurance coverage may apply for cancellation of the mandatory fee before the September 11, 2009 deadline. A copy of insurance card and ID must accompany cancellation form. The forms are available during registration or may be obtained from the Office of Student Health Insurance (CRSU 247) before the Fall deadline.

NOTE: Don't wait until you receive a bill with the insurance charge itemized, or you might miss the deadline to cancel. Cancellation requests are not accepted after September 11, 2009. Students insured under the plan will receive their ID cards by mail. Please make sure a current address is on file with the registrar's office. Contact the student health insurance office for more information at (773) 995-4533.

Student Financial Aid

ADM 207 • (773) 995-2304

Deadlines and policies are available in the Office of Financial Aid, Office of Student Financial Aid and on the financial aid website. The university provides an established financial assistance program designed to best meet the needs of Chicago State University students. Assistance is available to eligible students in the form of scholarships, grants, assistantships, student employment and loans. All students wishing to be considered for financial assistance must complete the FAFSA (Free Application for Federal Student Aid).

To be eligible for Federal Grants

Students must be enrolled in a program leading to a degree/certificate, to be eligible for Federal Pell Grants, Federal Supplemental Educational Grants, Federal College Work-Study, Federal Stafford Loans, Federal Perkins Loan and the Illinois Student Assistance Commission MAP Grant.

Special students (at-large, conditionally admitted Graduate students, or students enrolled in contract courses) are not eligible for state or federal financial assistance. Generally, students must be enrolled for at least six (6) credit hours, to be eligible for assistance from these programs.

Undergraduate students must be enrolled for at least nine (9) hours, to be considered three-quarter time, and twelve (12) or more hours in order to be considered full time. Nine hours is considered full time for master's candidates; five (5) hours part-time. A change in enrollment status (hours

enrolled and/or grade level) that occurs after a financial aid recipient's original registration must be reported immediately, in writing, to the Office of Student Financial Aid. Failure to report changes in enrollment status may result in overpayment, cancellation of benefits, and jeopardize future eligibility for student financial assistance.

Students selected for verification by the U.S. Department of Education or the university will be required to provide requested documentation before their financial aid awards can be processed.

Review your financial aid status anytime

Students may review their financial aid status at any time on the CSU X-Press website. This website provides students with information relating to the amount of their financial aid awards, if any, as well as, any requirements that they might need to fulfill, such as, but not limited to, submitting verification documents, tax forms, SAP (Satisfactory Academic Progress) petitions, etc., before their financial aid package may be finalized.

The Office of Student Financial Aid no longer mails document tracking and award letters to continuing students. Instead, students are notified via e-mail that there is "activity" on their financial aid accounts and that they should go to the CSU X-Press website to review their status. All continuing CSU students have been assigned an e-mail account. It is every student's responsibility to access his/her e-mail periodically and to review any communication from the Office of Student Financial Aid.

Financial Aid Waivers: A limited number of "temporary financial aid waivers" may be issued to students who have submitted all accurate financial aid documentation: accurate and signed Student Aid Report, income documentation, and additional documentation requested by the Office of Student Financial Aid prior to the academic term. Waivers are issued through the Office of Student Financial Aid and are contingent upon pending financial aid, enrollment status, and academic progress standards. Students are responsible for payment if funds are not received due to program limitations.

Student Financial Aid Satisfactory Academic Progress

Policy and Procedures

Federal and state regulations require Chicago State University to establish and implement a "Satisfactory Academic Progress Policy" for students. Chicago State University's Satisfactory Academic Progress (SAP) Policy measures whether eligible undergraduate/graduate students are progressing at a reasonable rate toward the completion of their educational objectives. Students must comply with this policy to maintain their continued financial aid eligibility. Copies of the current Satisfactory Academic Progress Policy are available for students in the Office of Student Financial Aid. The document is also available for review in both the undergraduate and graduate catalog, as well as on the Chicago State University website.

Mitigating circumstances/Appeal Process

Students who fail to make satisfactory academic progress may petition for reinstatement of their eligibility to the Financial Aid Appeals Board. The student must document mitigating circumstances, such as injury, illness, family death or other emergencies. Students appealing for reinstatement of their financial aid eligibility will be required to seek assistance through academic support services offered by the university. Students whose appeals are denied will be required to sit out financial aid for one semester. In that semester they must:

- a) fulfill stipulations of a NEW contract and
- b) attain a minimum semester G.P.A. as specified and,
- c) successfully meet requirements of the quantitative measure. Students who have fulfilled all of the above requirements can apply for probationary financial aid status. If granted, they must spend a semester on financial aid probation. To exit this probation, they must fulfill requirements specified under "Exiting Probation." Students who are terminated from financial aid eligibility and subsequently reinstated are considered to be in probationary status.

NOTE: The Satisfactory Academic Progress Policy is subject to change without notice. The Office of Student Financial Aid will make every attempt to provide students with timely notice regarding their satisfactory academic progress status. However, it is every student's responsibility to read the policy and monitor his/her own progress.

ISAC Monetary Award Limitations

The State of Illinois MAP grants, which are administered by the Illinois Student Assistance Commission (ISAC), are tracked by the equivalent number of semester hours of MAP benefits paid on a student's behalf. This is called "MAP paid credit hours." Payment for each term is being made according to the equivalent number of credit hours eligible for MAP payment, with a minimum of three (3) and a maximum of 15 MAP paid credit hours. There is a limit on the number of MAP credit hours that can be paid while a student is classified as a freshman and sophomore. This is the equivalent of 75 MAP paid credit hours. If this maximum is reached, a student must attain junior status for MAP grant eligibility to resume. The maximum number of MAP paid credit hours that can be received is capped at 135.

NOTE: ISAC reserves the right to change the terms of the State of Illinois MAP grant program, at any time, prior to the beginning of the Fall 2009 semester.

Student Loans

The Federal Stafford Loan program limits, if combined, cannot exceed the established limits and cost of attendance. During the 2009-2010 year a student may be eligible to borrow a Federal Stafford Loan based on the following limits:

	<i>Subsidized.....</i>	<i>Unsubsidized</i>
Freshman	\$3,500	\$6,000
Sophomore.....	\$4,500	\$6,000
Junior	\$5,500	\$7,000
Senior.....	\$5,500	\$7,000
Fifth Year	\$5,500	\$7,000
Certification.....	\$5,500	\$7,000
Certificate	\$5,500	\$5,000
Master's/Doctorate	\$8,500	\$12,000

You will only be eligible to borrow one loan for one academic year. For example: If you borrow \$3,500 through a subsidized Stafford Loan as a freshman, you will not be allowed a subsequent loan until you advance to the sophomore level. To obtain a loan, a student must complete a CSU Federal Stafford Loan request form. This form may be downloaded from the financial aid website. Go to www.csu.edu, click 'Financial Aid' and then click 'Apply for Loans.' Downloaded forms must be completed and submitted to the Office of Student Financial Aid. October 15, 2009 is the last day that the Office of Student Financial aid will accept loan applications for the Fall 2009 semester.

Financial Aid Refund/Repayment Policy

If a student who receives any federal and/or state student financial assistance completely withdraws prior to the end of an academic term in which s/he receives federal/state aid, federal regulations require CSU to prorate or reduce the award(s) received, according to the actual number of calendar days in which the student was enrolled. Funds to which the student was not entitled, due to the proration calculation, must be returned to the federal/state award program(s). If a student's charges exceed the prorated awards remaining on her/his account, a balance will be owed to the university. If a student receives a disbursement check prior to obtaining a complete withdrawal-or use some of the awarded funds for a book voucher-based upon the proration, s/he will be required to repay a portion or all of such funds to the university and/or the award program(s). Before initiating a complete withdrawal, contact the Office of Student Financial Aid for a complete explanation.

Timeline dates will be posted in the Office of Student Financial Aid for recipients of the basic state and federal financial aid programs. Timeline dates do not apply to recipients of other aid that may be based on academic performance, pursuit of a specific program/degree, etc., or aid from private sources.

Debt Management

Students who receive federal family education loans are required to complete debt management loan counseling prior to receiving a disbursement and an Exit Interview when they drop to less than half-time enrollment, completely withdraw or graduate from the institution. Students must complete both of these requirements online at the financial aid website. Go to www.csu.edu, click 'Financial Aid' and then 'Loan Counseling.' Follow the instructions on the screen.

Federal Work-Study (FWS)/Student State Aid

A limited number of positions are available throughout the university through the federal work-study and state aid funded student employment programs. Students with exceptional need are awarded FWS/SA eligibility and given the opportunity to be employed. Students wishing consideration for student employment should indicate their interest on the FAFSA. Rates of pay vary, depending upon the type of work and the level of responsibility. A student must be paid at least the minimum wage. Students are responsible for monitoring the time/hours they work so that they will not exceed their award balance.

Veterans Affairs Office

Students receiving veterans benefits are required to adhere to the university's academic standing policies as outlined in the university's catalog. A change in enrollment status that occurs after the veteran's status has been certified must be immediately reported to the Veterans Affairs Office which is located in the Office of Student Financial Aid. Failure to report changes in enrollment status may result in overpayments. An unapproved change of program may cause termination of future benefits.

It is the responsibility of all students stay informed about issues that may affect their financial aid eligibility by regularly monitoring email correspondence from the Office of Student Financial Aid and accessing the Office of Student Financial Aid website and CSU X-Press.

ORAL ENGLISH PROFICIENCY Student Complaint Procedures

Approved September, 1991

Illinois statute requires each public institution of higher education to "establish a program to assess the oral English language proficiency of all persons providing classroom instruction to students," and to "ensure that each person who is not orally proficient in the English language attain such proficiency prior to providing any classroom instruction to students."

Students with complaints about the oral English proficiency of Chicago State faculty should first contact the chairperson of the department involved. The complaint must be in writing and should be as specific as possible. Copies of the complaint must be sent to the appropriate college dean and to the provost/vice president for academic affairs.

The chairperson will investigate the complaint and may observe the class. If the chairperson concludes that the faculty member's English is adequate, the chairperson will notify the student, the faculty member, the dean, and the provost/vice president for academic affairs. The student may appeal the chairperson's decision to the dean. The dean will then investigate the complaint and follow the same notification procedure. The decision of the dean will be final.

If the chairperson or the dean finds that the faculty member's oral English is unsatisfactory, he or she will make a recommendation to the provost/vice president for academic affairs. The provost will take action on this recommendation and notify all parties involved of his or her decision.

Except for the necessary notifications, the identities of all students and faculty involved in oral English proficiency complaints shall remain confidential.
