Instructions for CSU X-press WEB REGISTRATION (www.csu.edu)

Tips for a Successful Web Registration

- Check your registration status for your registration date.
- If you have all the course reference numbers (CRN) for your courses, click on 'Add/Drop Classes' even if this is the first time you are registering for the selected term. The system considers each class an "add," even if it is the first class registered for the term.
- You must click on "submit classes" to secure your selections.
- Scroll down to the bottom of the screen to check for registration errors. Your schedule is not final until you have corrected all registration errors.
- You are advised to print your final schedule.
- **Changes to course information may be made after the Class Schedule Bulletin is published. Check CSU X-press for the most up-to-date course information.**

Personal Access Code (PAC)

Your first access to the secure area login requires your User ID (your University identification number, UID) and your Personal Access Code, (PAC), which is your birth date in the format of MMDDYY. *Example:* May 7, 1950 will be 050750.

The system is programmed to request you to immediately change your PAC on your first entry. Your new PAC must be six (6) characters and can be letters, numerals or a combination. Examples: AZ1234 or 135790 or KLMNOP.

You will be prompted to make up a security question and an answer on your first entry. If you forget your PAC, click the "Forgot PAC" button. Keep your PAC confidential and change it if you believe it has been compromised.

Registration Advising Personal Identification Number, PIN (RAP)

To register online, you must have a current registration advising PIN (RAP). Degree seeking students (undergraduate and graduate) will receive a RAP from their academic advisors during the advisement session. New RAPs are assigned each term and expire at the end of the regular registration period. At-large-students will not need a RAP to register online.

Computer Locations & Help

You can use your own computer, a local library computer or a computer in the University Library. Technical support for CSU X-press registration is available from 9a.m. - 5p.m., Monday through Friday at 773-995-2038.

Fee Payment

Your fees must be received by the published deadline dates. If you are paying by check or credit card, please click on "on-line payment" after you have completed your registration. Undergraduate Students

Continuing Students

(Those who have attended at least one term since Fall 2008)

Currently enrolled students who have been accepted as candidates for the bachelor's degree will use the Fall RAP (registration advising PIN) given at the advisement session to register on the CSU X-press web registration system. If you must register on campus, you must present your validated CSU student identification card for Spring 2010 with your advisor-signed student schedule request form in the Office of the Registrar, ADM 128.

New Students

If you have never attended Chicago State University and you are seeking a degree, you must first be admitted: undergraduates in ADM 200, graduates in LIB 234. After you have been admitted, you must be advised. Your advisor will give you a Fall 2010 RAP (registration advising PIN) to use the CSU X-press web registration system. **Fall 2010 deadline: July 15, 2010.**

Returning Students

Undergraduates who have not attended since the Fall 2008 and who were in good standing their last term must file an application for readmission in the Office of the Registrar, ADM 128. Undergraduates must submit transcripts covering all college courses completed at other institutions since withdrawal from Chicago State University. **Fall 2010 deadline: August 2, 2010.**

Undergraduate students who were dropped from the university, or who were not in good academic standing at the time of withdrawal, should submit to the Office of Undergraduate Admissions, ADM 200, an academic petition form and an application for admission (\$25 fee). Students seeking reinstatement must submit transcripts covering all college courses completed since withdrawal. The letter of acceptance issued by the director of the Office of Undergraduate Admissions will serve as authorization to register. **Fall 2010 deadline: July 15, 2010.**

You must be advised to register. Your advisor will give you a Fall RAP (registration advising PIN) for use with the CSU X-press web registration. See the Quick Reference Guide for a list of departments.

Undergraduate Students-at-Large

Students may attend the university as students-at-large in any of the following categories: (1) individuals who are regular students at a regionally accredited college or university and who can demonstrate their good academic standing at their home institution; (2) individuals who are not currently regular students at a regionally accredited college or university but who can demonstrate their good academic standing at the institution last attended; or (3) individuals enrolling at CSU as part of a special program or a cooperative agreement with another institution. Students enrolling as students-at-large in category one or two who wish to earn more than 30 credits must be admitted as regular students. Students enrolling as students-at-large in category three will abide by the guidelines established for the program or cooperative agreement. At-large students are eligible to register online through the CSU X-press web registration system without a registration advising PIN (RAP). For more information and an undergraduate at-large application, contact the Office of Undergraduate Admissions at 773-995-2513.

GRADUATE STUDENTS

Continuing Students

(Those who have attended at least one term since Fall 2008)

MASTER'S DEGREE CANDIDATES

Your graduate advisor will issue your Fall RAP in your advisement session for use on the CSU X-press web registration system.

GRADUATE STUDENTS-AT-LARGE

If necessary, you will be referred to a department for advisement and course approval. Graduate-at-large students are eligible to register online through the CSU X-press web registration system without a RAP.

New & Returning Students

Master's degree candidates attending for the first time must be advised. Your advisor will issue your RAP (registration advising PIN) for use on the CSU X-press web registration system during your advisement session.

New graduates-at-large who are attending for the first time must first report to the School of Graduate & Professional Studies (Graduate School) LIB 234, to complete a short data form. If necessary, you will be referred to a department for advisement and course approval. You will not need a RAP to register online using the CSU X-press web registration system.

If you are a master's degree candidate or a student-at-large who has not attended prior to Fall 2008, an application for readmission must be completed. Forms may be obtained from the graduate school office, LIB 234. Master's degree candidates must obtain approval signatures for re-entry and for advisement. The Graduate School will approve the registration form for the non-degree (graduate-at-large) student to register via CSU X-press; restricted courses will require departmental approval.

NOTE: Cooperating teachers eligible for tuition waivers may contact the Office of Field Placement, ED 322, 773-995-2392. UNIVERSITY EMPLOYEES

Civil Service Staff

If you are a civil service employee enrolled in an undergraduate program, and intend to pay for tuition with a Civil Service Waiver, please be informed that you may be eligible for financial aid. Please complete and submit a Free Application for Federal Student Aid to the U.S. Department of Education, and complete the financial aid application process.

If you need assistance completing the financial aid documents, contact the Educational Opportunity Center/Project Success, DH 132 at 773-995-2371. To take tuition-free courses, the application for civil service employee education benefits must be completed, approved by your supervisor, and sent to the Office of Human Resources, ADM 203. Applications are available in ADM 203.

Civil service employees are under the same academic regulations as other students at the university. All university employees not possessing a bachelor's degree are limited to a maximum of thirty (30) semester hours of course work prior to their formal admission to the university.

Faculty and Administrators

To take tuition-free courses, employees must receive written approval from their chairperson or supervisor and college dean, where appropriate, indicating the course(s) for enrollment. The written approval then must be submitted to the provost, ADM 306. The program identification code for faculty and administrators who are not seeking a degree is GSAL. All University employees are subject to the rules and regulations set forth by Chicago State University regarding education benefits for employees.

Tuition Waiver Applicants

Eligible employees and cooperating teachers requesting tuition waivers must present applications to the Office of Financial Aid, ADM 207, with all appropriate signatures by September 15, for the fall term, January 30 for the Spring term and by the first day of classes for any intersession or summer session in which the waiver is presented and the individual enrolls.

All waivers are for the term in which the course is taken, which means waiver applications are to be submitted each term. Waivers do not cover past due bills and will not be accepted after the deadline date.

ADVISEMENT

All degree-seeking students are **REQUIRED** to be advised prior to their registration. Advisors will give a RAP to a student during the advisement session to use with the CSU X-press web registration system.

Special undergraduate students-at-large (USAL) do not need advisement and are eligible to register through the CSU X-press web registration system without a registration advising PIN (RAP). Master's degree candidates and graduate certificate students must be advised by the department supervising the program to which they have been admitted. RAPs are distributed by graduate advisors.

Graduate-at-large students (GSAL, GSUM) do not need advisement and are eligible to register through the CSU X-press web registration system without a RAP. However, special permission is required for at-large students to enroll in any 5000-level or higher graduate course. Students registering online must obtain the academic department's approval prior to attempting to register for these or any other restricted course. Students should not attempt to register for two different sections of the same course. If additional work is desired in a variable credit course, students should talk with the department chairperson.

Graduate-at-large students may enroll in graduate level courses by obtaining permission from the academic department supervising the courses prior to attempting course registration. Restrictions or safeguards are built into the registration system that prevent registration in these courses by students-at-large. Students at-large who wish to enroll for graduate courses should first check with graduate advisors or chairpersons to have these restrictions lifted prior to registration. Student Registration Responsibility

It is the responsibility of each student to enter the proper course reference number (CRN) for all registration transactions. A student should only register for advised courses. Abuse of the web registration system may result in your courses being dropped by request of the department or the instructor of the course.

You are responsible for obtaining a receipt for payment on your account by the published payment due dates, even if your account is being paid through a grant, scholarship, loan or another party. You must confirm your registration with a paid receipt from the cashier's office, ADM 211.

If an admitted student presents unofficial transcripts as a basis for advising, the student is responsible for any consequences related to course selection, registration and academic progress based upon the unofficial transcripts.

Cancelled Classes

The University reserves the right to limit the size of classes and to cancel classes for which there is insufficient enrollment. If the class for which you are registered is cancelled, you will automatically be dropped from the class. If you do not register for an alternative class, a tuition refund will be processed to your account according to the refund policy. Students receiving financial aid benefits may wish to consult with their financial aid counselor concerning any award implications.

Class Attendance

Students are expected to attend all class sessions in the course sections for which they are registered unless prevented by illness, an official University activity, or other urgent and unavoidable reasons. The responsibility for maintaining class attendance records rests with each faculty member. Students are expected to consult with instructors to complete class work and all assignments when classes are missed.

The following is the university policy on class attendance:

- An instructor may drop students who do not attend the first day of class and make no attempt to contact the instructor or department chairperson prior to the absence. The instructor may report students who do not attend the first two weeks of class without evidence of a legitimate excuse to the registrar who will drop the student from the class.
- Instructors are required to monitor and keep records of the attendance of students at all class meetings. If a student’s total absences are equal to or exceed the equivalent of two weeks of instruction, the instructor may drop the student from the course with a grade of W by September 22. The instructor may assign a nonattendance grade of W/A or W/N. (See Withdrawal from the University)
- To drop or withdraw from courses, the student must use the drop/withdrawal form, have an advisor sign it, and then submit the form to the Office of the Registrar. If a student stops attending a class but fails to withdraw officially from the class before the official drop date, the result may be a failing grade. Although the instructor may drop a student for nonattendance, it is ultimately the student’s responsibility to drop the class. (See Withdrawal from the University.)

If you are registered for a class and you are informed that your name does not appear on the official preliminary and subsequent class rosters, it is your responsibility to investigate the matter immediately by contacting the Office of Records and Registration, ADM 128, at 773-995-2517.

Four-Year Guaranteed Tuition Plan

The "Truth in Tuition" bill mandates that Illinois public universities provide four years of level tuition for new students enrolling for the first time beginning with the Fall 2004-2005 academic year. Undergraduate and transfer students enrolling at CSU for the first time after Fall 2004 and students who enroll for the first time every semester beginning Fall 2004-2005 and thereafter will maintain the same tuition rate for four consecutive years, or until the student reaches 120 credit hours. The hours will be extended to accommodate any majors or programs that exceed the 120 hours or four years. The guaranteed rate will remain in effect, except in the event of a break in enrollment of more than one year (two semesters, excluding summer school). In no case will the initial guaranteed rate be valid beyond five years of total enrollment. A tuition surcharge of 10% will be assessed for students who extend beyond the four-year guarantee period (120 credit hours) or five years of total enrollment. For all other students, CSU's current tuition program will remain in effect.

IMPORTANT NOTE: A change in major will not affect the guaranteed rate. That rate will continue for the number of credit hours necessary to complete the new major, not to exceed five years of total enrollment. Beyond five years of total enrollment, a 10% surcharge will be assessed.

Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis through the student appeal process.

Transfer student rates will be guaranteed based upon 120 credit hours less the number of credits transferred at the time of first enrollment. All extensions and exceptions that apply to new freshmen will be extended to new transfer students.

Credit hour pricing / Beginning with the Fall 2004-2005 academic year, tuition and mandatory fees will be charged on a per credit hour basis up to

15 hours. This 15 credit hour cap will allow students to complete 120 credit hours in eight semesters or four years. Credit hours exceeding 15 will be charged at the rate for 15 credit hours.

Out-of-state undergraduate tuition / *Undergraduate* out-of-state (non-Illinois resident) per credit hour tuition is twice the resident per credit hour tuition. The Four Year Guaranteed Tuition Plan is extended to all undergraduate out-of-state new freshmen and transfer students.

Out-of-state graduate tuition rates / *Graduate* out-of-state (non-Illinois resident) per credit hour tuition is twice the resident per credit hour tuition.

Student Health Insurance

CRSU 247 • 773-995-4533

The basic student health plan for accident and sickness is mandatory for students, undergraduate and graduate, who enroll with 12 hours or more. The fee applies to students enrolled in all on-campus semester hours and students with a combination of off-campus and on-campus semester hours. Students (with 12 hours or more) are automatically billed and enrolled in the mandatory health plan. Students who have coverage have the option of waiving enrollment in the CSU plan before the September 10, 2010 deadline if they have equal or better coverage.

Students enrolled with 12 or more semester hours are automatically charged a fee for student health insurance on their tuition accounts through the Bursar’s office. There is an additional cost to insure dependents. The Spring 2010 health insurance cost per student is not available at the time of publication. Contact the Office of Student Health Insurance for more information at 773-995-4533.

Period of Coverage

Students enrolled in the insurance plan for the Fall 2010 semester will receive coverage until the beginning of the Spring 2011 semester.

Part-time students eligible for coverage

Part-time students (enrolled in 6-11 credit hours) will be allowed to enroll in the student health insurance plan on a voluntary enrollment basis.

Part-time students must enroll before the September 10, 2010 deadline.

Cancellation Requirements

An insurance cancellation form must be submitted every semester that a student enrolls in 12 credit hours or more. Students with adequate insurance coverage may apply for cancellation of the mandatory fee by the September 10, 2010 deadline. An insurance card showing your name or a letter of proof of coverage from your insurance company and an ID are required. The forms are available for completion in the Office of Student Health Insurance located in CRSU Room 247.

NOTE: The University is in the process of procuring a new student health insurance carrier to serve our students beginning Fall 2010. Deadlines and other pertinent information may change from the information in this bulletin. Any revisions will be publicized through the various CSU medias. You may visit the Office of Student Health Insurance located in CRSU-247 or call at (773) 995-4533.

Student Financial Aid

ADM 207 • 773-995-2304

Deadlines and policies are available in the Office of Student Financial Aid and on the financial aid website. The University provides an established financial assistance program designed to best meet the needs of Chicago State University students. Assistance is available to eligible students in the form of scholarships, grants, assistantships, student employment and loans. All students wishing to be considered for financial assistance must complete the FAFSA (Free Application for Federal Student Aid).

To be eligible for Financial Assistance Grants

Students must be enrolled in a program leading to a degree/certificate, to be eligible for Federal Pell Grants, Federal Supplemental Educational Grants, Federal College Work-Study, Federal Stafford Loans, Federal Perkins Loan and the Illinois Student Assistance Commission MAP Grant.

Special students (at-large, conditionally admitted graduate students, or students enrolled in contract courses) are not eligible for state or federal financial assistance. Generally, students must be enrolled for at least half-time to be eligible for assistance from these programs.

Undergraduate students must be enrolled for at least nine hours, to be considered three-quarter time, and twelve or more hours in order to be considered full time. Nine hours is considered full time for master’s and doctoral candidates; five hours part-time. A change in enrollment status (hours enrolled and/or grade level) that occurs after a financial aid recipient’s original registration must be reported immediately, in writing, to the Office of Student Financial Aid. Failure to report changes in enrollment status may result in overpayment, cancellation of benefits, and jeopardize future eligibility for student financial assistance.

Students selected for verification by the U.S. Department of Education or the University will be required to provide requested documentation before their financial aid awards can be processed.

Review your financial aid status anytime

Students may review their financial aid status at any time on the CSU X-press website. This website provides students with information relating to the amount of their financial aid awards, if any, as well as, any requirements that they might need to fulfill, such as, but not limited to, submitting verification documents, tax forms, SAP (Satisfactory Academic Progress) petitions, etc., before their financial aid package may be finalized.

The Office of Student Financial Aid no longer mails document tracking and award letters to continuing students. Instead, students are notified via e-mail that there is "activity" on their financial aid accounts and that they should go to the CSU X-press website to review their status. All continuing CSU students have been assigned an e-mail account. It is every student's responsibility to access his/her e-mail periodically and to review any communication from the Office of Student Financial Aid.

Student Financial Aid Satisfactory Academic Progress

Policy and Procedures

Federal and state regulations require Chicago State University to establish and implement a "Satisfactory Academic Progress (SAP) Policy" for students. Chicago State University's SAP Policy measures whether eligible undergraduate/graduate students are progressing at a reasonable rate toward the completion of their educational objectives. Students must comply with this policy to maintain their continued financial aid eligibility. Copies of the current SAP policy are available for students in the Office of Student Financial Aid. The document is also available for review in both the undergraduate and graduate catalog, as well as on the Chicago State University website.

Mitigating Circumstances/Appeal Process

Students who fail to make satisfactory academic progress may petition for reinstatement of their eligibility to the Financial Aid Appeals Board. The student must document mitigating circumstances, such as injury, illness, family death or other emergencies. Students appealing for reinstatement of their financial aid eligibility will be required to seek assistance through academic support services offered by the university. Students whose appeals are denied will be required to sit out financial aid for one semester.

In that semester they must:

- fulfill stipulations of a new contract and
- attain a minimum semester G.P.A. as specified; and
- successfully meet requirements of the quantitative measure.

Students who have fulfilled all of the above requirements can apply for probationary financial aid status. If granted, they must spend a semester on financial aid probation. To exit this probation, they must fulfill requirements specified under "Exiting Probation." Students who are terminated from financial aid eligibility and subsequently reinstated are considered to be in probationary status.

NOTE: The Satisfactory Academic Progress Policy is subject to change without notice. The Office of Student Financial Aid will make every attempt to provide students with timely notice regarding their satisfactory academic progress status. However, it is every student's responsibility to

read the policy and monitor his/her own progress.

ISAC Monetary Award Program

The State of Illinois MAP grants, which are administered by the Illinois Student Assistance Commission (ISAC), are tracked by the equivalent number of semester hours of MAP benefits paid on a student's behalf. This is called "MAP paid credit hours." Payment for each term is being made according to the equivalent number of credit hours eligible for MAP payment, with a minimum of three and a maximum of 15 MAP paid credit hours. There is a limit on the number of MAP credit hours that can be paid while a student is classified as a freshman and sophomore. This is the equivalent of 75 MAP paid credit hours. If this maximum is reached, a student must attain junior status for MAP grant eligibility to resume. The maximum number of MAP paid credit hours that can be received is capped at 135.

NOTE: ISAC reserves the right to change the terms of the State of Illinois MAP grant program, at any time, prior to the beginning of the Fall 2010 semester.

Student Loans

The Federal Stafford Loan program limits, if combined, cannot exceed the established limits and cost of attendance. During the 2010-2011 year a student may be eligible to borrow a Federal Stafford Loan based on the following limits:

	<i>Subsidized.....</i>	<i>Unsubsidized</i>
Freshman	\$3,500	\$6,000
Sophomore.....	\$4,500	\$6,000
Junior	\$5,500	\$7,000
Senior.....	\$5,500	\$7,000
Fifth Year	\$5,500	\$7,000
Certification.....	\$5,500	\$7,000
Certificate	\$5,500	\$5,000
Master's/Doctorate	\$8,500	\$12,000

You will only be eligible to borrow one loan for one academic year. For example: If you borrow \$3,500 through a subsidized Stafford Loan as a freshman, you will not be allowed a subsequent loan until you advance to the sophomore level. To obtain a loan, a student must complete a CSU Federal Stafford Loan request form. This form may be downloaded from the financial aid website. Go to www.csu.edu, click "Financial Aid" and then click "Apply for Loans." Downloaded forms must be completed and submitted to the Office of Student Financial Aid, ADM 207.

October 15, 2010 is the last day that the Office of Student Financial Aid will accept loan applications for the Fall 2010 semester.

Financial Aid Refund/Repayment Policy

If a student who receives any federal and/or state student financial assistance completely withdraws prior to the end of an academic term in which s/he receives federal/state aid, federal regulations require CSU to prorate or reduce the award(s) received, according to the actual number of calendar days in which the student was enrolled. Funds to which the student was not entitled, due to the proration calculation, must be returned to the federal/state award program(s). If a student's charges exceed the prorated awards remaining on her/his account, a balance will be owed to the university. If a student receives a disbursement check prior to obtaining a complete withdrawal-or uses some of the awarded funds for a book voucher-based upon the proration, s/he will be required to

repay a portion or all of such funds to the University and/or the award program(s). Before initiating a complete withdrawal, contact the Office of Student Financial Aid at 773-995-2304 for a complete explanation.

Timeline dates will be posted in the Office of Student Financial Aid for recipients of the basic state and federal financial aid programs. Timeline dates do not apply to recipients of other aid that may be based on academic performance, pursuit of a specific program/degree, etc., or aid from private sources.

Debt Management

Students who receive federal family education loans are required to complete debt management loan counseling prior to receiving a disbursement and an Exit Interview when they drop to less than half-time enrollment, completely withdraw or graduate from the institution. Students must complete both of these requirements online at the financial aid website. Go to www.csu.edu, click "Financial Aid" and then "Loan Counseling." Follow the instructions on the screen.

Federal Work-Study / Student State Aid Employment

A limited number of positions are available throughout the university through the federal work-study and state aid funded student employment programs. Students with exceptional need are awarded FWS/SA eligibility and given the opportunity to be employed. Students wishing consideration for student employment should indicate their interest on the FAFSA. Rates of pay vary, depending upon the type of work and the level of responsibility. A student must be paid at least the minimum wage. Students are responsible for monitoring the time/hours they work so that they will not exceed their award balance.

Veterans Affairs Office

Students receiving veterans benefits are required to adhere to the University's academic standing policies as outlined in the University's catalog. A change in enrollment status that occurs after the veteran's status has been certified must be immediately reported to the Veterans Affairs Office which is located in the Office of Student Financial Aid, ADM 207. Failure to report changes in enrollment status may result in overpayments. An unapproved change of program may cause termination of future benefits.

Students choosing the installment plan option must utilize the tuition management installment plan, as presented in the front of this bulletin.

REFUNDS: See Refund Policy.

CLASS SIZE: The University reserves the right to limit the size of classes and to cancel due to insufficient enrollment.

CLASS MEETING: Normally, classes meet once a week for 16 weeks. Sessions consist of 50 minutes of instruction each week for each credit hour (i.e., a three-credit hour course meets 150 minutes per week). Courses meeting for fewer than 16 weeks compensate with more frequent and/or longer class meetings each week, as detailed in the individual class listing.

PREREQUISITES: Course prerequisites are stated in the Chicago State University catalog or CSU's Website: www.csu.edu/catalogs.

GRADUATE ADMISSION APPLICATION

(NON- DEGREE STUDY): Students enrolling in graduate courses for the first time and who are not currently admitted to a graduate degree program are required to complete a graduate-at-large application. A \$25 application fee must be submitted with the at-large application. Additionally, proof of a bachelor's degree must be submitted with the application, (i.e., copy of a transcript illustrating an awarded degree, copy of diploma, or state teaching certificate). Graduate at-large students who have not enrolled in a course at CSU within two years or more, but left in good standing, are required to apply for readmission by completing a readmit form. There is a \$25 fee for readmission. Students admitted to

a program who have not attended CSU within the last two years must obtain a departmental advisor's signature. Submit your extension registration form, at-large application or readmit form, proof of degree, tuition fee and a \$25 readmission application fee to your instructor or an extension services department representative on the first day of the class, or submit to the extension services department, JDC 201, if enrolling only in extension courses.

ORAL ENGLISH PROFICIENCY Student Complaint Procedures

Approved September, 1991

Illinois statute requires each public institution of higher education to "establish a program to assess the oral English language proficiency of all persons providing classroom instruction to students," and to "ensure that each person who is not orally proficient in the English language attain such proficiency prior to providing any classroom instruction to students."

Students with complaints about the oral English proficiency of Chicago State faculty should first contact the chairperson of the department involved. The complaint must be in writing and should be as specific as possible. Copies of the complaint must be sent to the appropriate college dean and to the provost/vice president for academic affairs.

The chairperson will investigate the complaint and may observe the class. If the chairperson concludes that the faculty member's English is adequate, the chairperson will notify the student, the faculty member, the dean, and the provost/vice president for academic affairs. The student may appeal the chairperson's decision to the dean. The dean will then investigate the complaint and follow the same notification procedure. The decision of the dean will be final.

If the chairperson or the dean finds that the faculty member's oral English is unsatisfactory, he or she will make a recommendation to the provost/vice president for academic affairs. The provost will take action on this recommendation and notify all parties involved of his or her decision.

Except for the necessary notifications, the identities of all students and faculty involved in oral English proficiency complaints shall remain confidential.
