Tips for a Successful Web Registration

- Check your registration status for your registration date.
- If you have all the course reference numbers (CRN) for your courses, click on 'Add/Drop Classes' even if this is the first time you are registering for the selected term. The system considers each class an "add," even if it is the first class registered for the term.
- You must click on "submit classes" to secure your selections.
- Scroll down to the bottom of the screen to check for registration errors. Your schedule is not final until you have corrected all registration errors.
- You are advised to print your final schedule and confirm your registration with your instructor at first class session.
- You cannot attend classes for which they are not officially registered. **Contact Registrar's Office.**
- **Changes to course information may be made after the Class Schedule Bulletin is published. Check CSU X-Press for the most up-to-date course information.**

Personal Access Code

Your first access to the secure area login requires your User ID (your University identification number, UID) and your Personal Access Code, (PAC/PIN), which is your birth date in the format of MMDDYY. *Example:* May 7, 1950 will be 050750.

The system is programmed to request you to immediately change your PAC on your first entry. Your new PAC must be six (6) characters and can be letters, numerals or a combination. Examples: AZ1234 or 135790 or KLMNOP.

You will be prompted to create a security question and an answer upon your first entry. If you forget your PAC, click the "Forgot PAC" button. Keep your PAC confidential and change it if you believe it has been compromised.

Registration Advising Personal Identification Number, PIN (RAP)

To register online, you must have a current registration advising PIN (RAP). Degree seeking students (undergraduate and graduate) will receive a RAP from their academic advisors during the advisement session. New RAPs are assigned each term and expire at the end of the regular registration period. At-large students will not need a RAP to register online.

Please complete and submit a Free Application for Federal Student Aid, (FAFSA), to the U.S. Department of Education and complete the financial aid application process. To take tuition-free courses, the application for civil service employee education benefits must be completed, approved by your supervisor, and sent to the Office of Human Resources, ADM 203, prior to the start of the term. Applications are available in ADM 203.

University employees must adhere to the same academic regulations as other students at the university.

Faculty and Administrators

To take tuition-free courses, faculty and administrators must receive written approval from their chairperson or supervisor and college dean, where appropriate, indicating the course(s) for enrollment. The written approval then must be submitted to the Office of the Provost, ADM 306. All University employees are subject to the rules and regulations set forth by Chicago State University regarding education benefits for employees.

Tuition Waiver Applicants

Eligible employees and cooperating teachers requesting tuition waivers must present applications to the Office of Financial Aid, ADM 207, with all appropriate signatures by September 15, for the fall term, January 30 for the Spring term and by the first day of classes for any intersession or summer session in which the waiver is presented and the individual enrolls.

If a tuition waiver is the sole source of payment for tuition and fees for the term, the waiver should be submitted at the time of registration to avoid being dropped for nonpayment.

The tuition waiver is to be applied toward the term in which the course is taken. Waiver applications are to be submitted for each term of enrollment. Waivers do not cover past due bills and will not be accepted after the deadline date.

ADVISEMENT

All degree-seeking students are **REQUIRED** to be advised prior to registration. Advisors will give a RAP to a student during the advisement session to use with the CSU X-Press web registration system.

Special undergraduate students-at-large (USAL) do not need advisement and are eligible to register through the CSU X-Press web registration system without a registration advising PIN (RAP). Master's degree candidates and graduate certificate students must be advised by the department supervising the program to which they have been admitted. RAPs are distributed by graduate advisors.

Graduate students-at-large (GSAL, GSUM) do not need advisement and are eligible to register through the CSU X-Press web registration system without a RAP. However, special permission is required for at-large students to enroll in some 5000-level or higher graduate courses. Students registering online must obtain the academic department's approval prior to attempting to register for these or any other restricted course. Students should not attempt to register for two different sections of the same course. If additional work is desired in a variable credit course, students should talk with the department chairperson.

Graduate-at-large students may enroll in graduate level courses by obtaining permission from the academic department supervising the courses prior to attempting course registration. Restrictions or safeguards are built into the registration system that prevent registration in some courses by students-at-large. Students at-large who wish to enroll for graduate courses should first check with graduate advisors or chairpersons to have these restrictions lifted prior to registration.

Students should note that the time for advisement is not during registration. To speed up your registration, have your schedule prepared with alternative courses to take, if certain courses are closed.

- Off Campus: Total number of credit hours selected x tuition per credit hour + fees applicable to your total credit hours = your tuition.
- Distance Learning: Total number of credit hours selected x tuition per credit hour + \$50 distance learning fee = your tuition.

NOTE: Some courses carry additional fees. These fees are not included in the tuition and mandatory fee information. The list of courses with additional fees is in the back of this bulletin.

E-Bills

Four-Year Guaranteed Tuition Plan

The “Truth in Tuition” bill mandates that Illinois public universities provide four years of level tuition for new students enrolling for the first time beginning with the Fall 2004-2005 academic year. Undergraduate and transfer students enrolling at CSU for the first time after Fall 2004 and students who enroll for the first time every semester beginning Fall 2004-2005 and thereafter will maintain the same tuition rate for four consecutive years, or until the student reaches 120 credit hours. The hours will be extended to accommodate any majors or programs that exceed the 120 hours or four years. The guaranteed rate will remain in effect, except in the event of a break in enrollment of more than one year (two semesters, excluding summer school). In no case will the initial guaranteed rate be valid beyond five years of total enrollment. A tuition surcharge of 10% will be assessed for students who extend beyond the four-year guarantee period (120 credit hours) or five years of total enrollment. For all other students, CSU’s current tuition program will remain in effect.

IMPORTANT NOTE: A change in major will not affect the guaranteed rate. That rate will continue for the number of credit hours necessary to complete the new major, not to exceed five years of total enrollment. Beyond five years of total enrollment, a 10% surcharge will be assessed.

Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis through the student appeal process.

Transfer student rates will be guaranteed based upon 120 credit hours less the number of credits transferred at the time of first enrollment. All extensions and exceptions that apply to new freshmen will be extended to new transfer students.

Credit hour pricing / Beginning with the Fall 2004-2005 academic year, tuition and mandatory fees will be charged on a per credit hour basis up to 15 hours. This 15 credit hour cap will allow students to complete 120 credit hours in eight semesters or four years. Credit hours exceeding 15 will be charged at the rate for 15 credit hours.

Out-of-state tuition / The Four Year Guaranteed Tuition Plan is extended to all undergraduate out-of-state new freshmen and transfer students whose permanent residence is not within the state of Illinois.

In - State tuition / The Four Year Guaranteed Tuition Plan is extended to all undergraduate new freshmen and transfer students whose permanent residence is within the state of Illinois.

Effective Fall 2010, newly admitted students whose state of permanent residency is Indiana, Iowa, Kentucky, Missouri or Wisconsin are extended in-state tuition rates at Chicago State University.

Mandatory Fees

Mandatory fees apply to all on-campus students and students with a combination of off-campus and on-campus schedules regardless of student level or residency status.

Any combination of extension or distance learning courses and on-campus courses will have mandatory fees charged.

Mandatory fee rates are subject to change.

Payment and Refund Policy

By registering for classes at the Chicago State University (CSU), you acknowledge financial responsibility for the confirmed courses resulting from this registration, and all fees assessed to your student account (including the student health insurance fee). You also accept responsibility for any additional costs related to your enrollment at CSU including, but not limited to, room, board, parking, library fines, books and other class materials and any other departmental or college charges. By enrolling, you acknowledge that you are receiving an educational benefit from CSU,

and that the costs associated with that benefit are an extension of credit from the University which is due and payable upon registration. Tuition and fee charges are billed on a monthly basis.

CSU does not mail billing statements to students. If you are a currently enrolled student, you will receive e-mail notification each month, at your university e-mail address, indicating your tuition and fee statements are available online. The online statement, called the E-Bill, allows you to see your charges in an easy-to read, user- friendly format.

Student account balances are expected to be paid in full by the final payment due date each term. These charges, in accordance with CSU Policy, apply to all customers billed through the Student Accounts Receivable system, and are subject to a LATE PAYMENT CHARGE of \$25.00 when the full amount is not paid when the final payment is due. Such accounts will also be assessed a PENALTY of \$40.00 IN ADDITION to the LATE PAYMENT CHARGE when the account balance becomes past due (delinquent). A financial hold will be placed on any delinquent student account. This hold will prevent registration, release of transcripts, and may also prevent graduation and the release of a diploma.

In addition, you understand that Chicago State University may refer your past due account for collection and may authorize legal action against you for the collection of this debt. You agree to be liable for all reasonable collection costs, including attorney fees, court costs, and other charges necessary for the collection of your past due account. You understand that if you allow your account to go into delinquent status, your registration, release of your transcript and diploma will be prohibited until such time as your account is paid in full.

5. Reinstatement

Students who are eligible to register after being dropped or administratively withdrawn for non-payment will not be reinstated into course sections for which they were previously registered.

6. Installment Payment Option

- A. **Eligible:** All Illinois resident students registering for six or more hours during advance, regular and late registration.
- B. **Non-eligible:** Students who have tuition and fee charges that amount to less than the required deposit due to financial aid credits are not eligible. Students registering for less than six hours are not eligible.
- C. **Tuition Management Installment Plan:** Chicago State University offers an interest-free monthly payment plan to distribute your education expenses over time instead of one large payment. To enroll, call 800-222-4867 (TMS / 24 hours a day); or visit www.afford.com.

Students using the installment payment option are required to make an initial payment at the time of registration. Remember, your initial deposit must go to Chicago State University or your registration will be cancelled. The enrollment fee for using the installment plan varies according to the number of payments in your plan. Whether or not you are on the installment plan with TMS, you will still pay the deferred fee amount if tuition is not paid in full at the time of registration. The deferred fee is non-refundable.

Fall 2012 CTA U-Pass Policy

The Chicago State University Board of Trustees is pleased to announce that it is joining the Chicago Transit Authority to provide the U-Pass to all students with 12 or more credit hours undergraduate, graduate, doctoral and pharmacy students. The U-Pass is a discount fare card that replaces cash for all CTA fares and can be used for unlimited rides on all CTA buses and trains.

The CTA U-Pass IS A MANDATORY FEE.

Who is eligible for the U-Pass?

- All full-time students are eligible for the U-Pass.
- To receive a U-Pass, you must be present when the CTA is onsite to take photos and issue cards.

How much does the U-Pass cost?

CTA sets the price for the U-Pass on an annual basis. For the 2012-2013 academic years, the U-Pass costs \$113.00 per semester. All full-time students with 12 hours or more will have their accounts billed automatically. And any students, who have less than 12 hours, may also purchase the U-Pass for an additional cost.

Can I waive receiving the U-Pass?

The Chicago Transit Authority designed the U-Pass program not only as a way to offer a discount to full-time students but also to increase CTA ridership. Therefore, for a school to participate in the program, CTA requires that all full-time students at the school receive the U-Pass. However, there are limited circumstances when the U-Pass may be waived if the student meets one of the following criteria:

- Student enrolled in distance learning or online courses
- Student enrolled in extension courses
- Student with disabilities
- Student studying abroad
- Student who is 62 years or older

In order for a fee waiver to be considered, the student must submit all requests in writing with supporting documentation to the U-Pass coordinator, Bobbie Stewart, in the University Cashier's Office at ADM 211 by 5 p.m. CST on September 21, 2012. The U-Pass credit waiver will be issued beginning October 1, 2012. The U-Pass Coordinator can be reached by telephone at (773)995-2029 or email to upass@csu.edu.

Can I receive a credit towards semester parking permit?

- Students who purchased a semester parking permit will be issued up to a \$ 50.00 credit on their student account towards the cost of the parking permit.
- Credit will only be issued for full-time students.
- You must go to the cashier's Office to fill out the credit form for each semester by the waiver due date.

Can I receive a credit towards full year parking permit?

NO. Students must purchase a semester parking permit to receive the credit towards the cost of the parking permit.

How will the waiver credit be issued?

The credit waiver towards the parking permit will be issued on October 1, 2012. No waiver will be issued to students who purchase their parking permit after the 100 percent refund drop date of August 31, 2012.

When is my U-Pass activated?

You will receive a new U-Pass at the beginning of each semester. The following are the dates and times for U-Pass distribution for the Fall semester:

Pick-up location: Jones Convocation Center (JCC)

- Monday, August 13, 2012 from 9 a.m. to 6 p.m.
- Tuesday, August 14, 2012 from 9 a.m. to 6 p.m.
- Monday, August 20, 2012 from 9 a.m. to 6 p.m.
- Tuesday, August 21, 2012 from 9 a.m. to 6 p.m.

CTA is off campus now so where can I go with my U-Pass?

See the U-Pass Coordinator (Bobbie Stewart) in the Cashier's Office (ADM 211).

When will my CTA U-Pass be available for pick up?

Students that have completed the authorization form and contacted the U-Pass coordinator by will pick up their U-Pass at the Cashier's Office located in the Cook ADM 211 on the following Friday.

Do I use the same U-Pass card for fall and spring semesters?

- Yes. Your U-Pass card will re-activated at the beginning of each semester. At the start of a new semester, the U-Pass Coordinator will announce the dates and times of U-Pass distribution for new students. Every effort will be made to distribute U-Pass cards before or on the activation date.
- For the Fall 2012 semester, your U-Pass will work from Monday, August 13, 2012 to Friday December 14, 2012.

Can I give my U-Pass card to someone else to use?

No. U-Pass cards are not transferable and will be confiscated by the CTA and its holder subject to criminal prosecution if it is misused or presented for transportation by any person other than the person to whom it is issued. CTA maintains the right to inspect the U-Pass used by a student and to ask the student for another form of identification to ensure that the pass is being used by the person to whom it is issued. Furthermore, CTA maintains the right to deny a student access to the CTA system at the U-Pass reduced fee if the student does not possess both the U-Pass and a current school I.D.

What do I do if my card is lost or stolen?

Lost or stolen cards should be reported to the U-Pass Coordinator, Ms. Bobbie Stewart, in the Cashier's Office. The card will be deactivated. Students must go the Cashier's Office to request a new pass. A \$50.00 charge will apply. Only one replacement card is issued in one semester. If students lose their replacement card, they have to wait until the new semester to apply for another U-Pass.

What do I do if my card is damaged?

Most students damage their U-Pass by allowing it to touch the magnetic strip of another card such as a credit card. If a card is damaged, it will be replaced for free, but students have to go to the Cashier's Office to request a new card. It takes five days for the replacement card to be ready and students will be given a temporary card to use while they wait for their replacement card. The Cashier's Office will notify students when their replacement card comes in and can be picked up in the Cashier's Office.

What do I do if my card is captured on a bus?

If a card is captured on a bus, it is considered a student error. Contact the bus driver to get a receipt stating that the card was captured. Students must then take the receipt to the U-Pass Coordinator in the Cashier's Office to request a new U-Pass. It will take five days for a replacement card to be mailed to Chicago State University from the CTA. No free passes are given to students while they wait. The Cashier's Office will notify students when their replacement card is available and they can pick it up from the Cashier's Office.

What do I do if my card is captured on a train?

If a card is captured on the train, contact the CTA personnel to write a "Fare Discrepancy Report." The CTA personnel will give the student a free transit card to get to their destination. Students will have to take the report to the U-Pass Coordinator in the Cashier's Office to request a new replacement card. The Cashier's office will notify students when their replacement card is available and they can pick it up from the Cashier's Office.

Student Financial Aid

ADM 207 • 773-995-2304

Deadlines and policies are available in the Office of Student Financial Aid and on the financial aid website. The University provides an established financial assistance program designed to best meet the needs of Chicago State University students. Assistance is available to eligible students in the form of scholarships, grants, assistantships, student employment and loans. All students wishing to be considered for financial assistance must complete the FAFSA (Free Application for Federal Student Aid).

To be eligible for Federal Grants

Students must be enrolled in a program leading to a degree/certificate to be eligible for Federal Pell Grants, Federal College Work-Study, Federal Stafford Loans and Federal Perkins Loans.

Special students (at-large, conditionally admitted graduate students, or students enrolled in contract courses) are not eligible for state or federal financial assistance. Generally, students must be enrolled for at least halftime to be eligible for assistance from these programs.

Undergraduate students must be enrolled for at least nine hours to be considered three-quarter time, and twelve or more hours in order to be considered full time. Nine hours is considered full time for master's and doctoral candidates; five hours half-time. A change in enrollment status (hours enrolled and/or grade level) that occurs after a financial aid recipient's original registration must be reported immediately, in writing, to the Office of Student Financial Aid. Failure to report changes in enrollment status may result in overpayment, cancellation of benefits, and jeopardize future eligibility for student financial assistance.

Students selected for verification by the U.S. Department of Education or the University will be required to provide requested documentation before their financial aid awards can be processed.

Review your financial aid status anytime

Students may review their financial aid status at any time on the CSU X-Press website. This website provides students with information relating to the amount of their financial aid awards, if any, as well as, any requirements that they might need to fulfill, such as, but not limited to, submitting verification documents, tax forms, SAP (Satisfactory Academic Progress) petitions, etc., before their financial aid package may be finalized.

The Office of Student Financial Aid no longer mails document tracking and award letters to continuing students. Instead, students are notified via e-mail that there is "activity" on their financial aid accounts and that they should go to the CSU X-Press website to review their status. All continuing CSU students have been assigned an e-mail account. It is every student's responsibility to access his/her e-mail periodically and to review any communication from the Office of Student Financial Aid.

Student Financial Aid Satisfactory Academic Progress Policy and Procedures

Federal and state regulations require Chicago State University to establish and implement a "Satisfactory Academic Progress (SAP) Policy" for undergraduate/graduate/professional students. Chicago State University's SAP Policy(s) measures whether students are progressing at a reasonable rate toward the completion of their educational objectives. Students must comply with the applicable SAP policy to maintain their continued financial aid (including loans) eligibility. Copies of the current SAP policies are available for students in the Office of Student Financial Aid. They are also available for review in both the undergraduate and graduate catalogs, as well as on the Chicago State University website.

Mitigating Circumstances/Appeal Process

A student who fails to make satisfactory academic progress may petition for reinstatement of their eligibility to the Financial Aid Appeals Board. The student must document mitigating circumstances, such as injury, illness, family death or other emergencies. Petitions are available in the Office of Student Financial Aid, and are available for download from the Office of Student Financial Aid web site.

NOTE: The Satisfactory Academic Progress Policy(s) is subject to change without notice. The Office of Student Financial Aid will make every attempt to provide students with timely notice regarding their satisfactory academic progress status. However, it is every student's responsibility to read the policy and monitor his/her own progress.

Student Loans

The Federal Stafford Loan program limits, if combined, cannot exceed the established limits and cost of attendance. A student may be eligible to borrow a Federal Stafford Loan based on the following limits:

	<i>Subsidized</i>	<i>Unsubsidized</i>
Freshman	\$3,500	\$6,000
Sophomore.....	\$4,500	\$6,000
Junior	\$5,500	\$7,000
Senior.....	\$5,500	\$7,000
Fifth Year	\$5,500	\$7,000
Certification.....	\$5,500	\$7,000
Certificate	\$5,500	\$5,000
Master's/Doctorate	\$8,500	\$12,000

You will only be eligible to borrow one loan for one academic year. For example: If you borrow \$3,500 through a subsidized Stafford Loan as a freshman, you will not be allowed a subsequent loan until you advance to the sophomore level.

October 15, 2012 is the deadline to accept "Offered Loans" or submit requests for loan revisions to the Office of Student Financial Aid. Procedures for obtaining a loan for the Fall 2012 semester are published on the Office of Student Financial Aid website at www.csu.edu/financialaid/.

Financial Aid Refund/Repayment Policy

If a student who receives any federal and/or state student financial assistance completely withdraws prior to the end of an academic term in which s/he receives federal/state aid, federal regulations require CSU to prorate or reduce the award(s) received, according to the actual number of calendar days in which the student was enrolled. Funds to which the student was not entitled, due to the proration calculation, must be returned to the federal/state award program(s). If a student's charges exceed the prorated awards remaining on her/his account, a balance will be owed to the university. If a student receives a disbursement check prior to obtaining a complete withdrawal or uses some of the awarded funds for a book voucher-based upon the proration, s/he will be required to repay a portion or all of such funds to the University and/or the award program(s). Before initiating a complete withdrawal, contact the Office of Student Financial Aid at 773-995-2304 for a complete explanation.

Timeline Dates

Timeline dates will be posted in the Office of Student Financial Aid for recipients of the basic state and federal financial aid programs. Timeline dates do not apply to recipients of other aid that may be based on academic performance, pursuit of a specific program/degree, etc., or aid from private sources.

Loan Counseling

Students who receive loans are required to complete Entrance Counseling prior to receiving a disbursement and Exit Counseling when they graduate, drop to less than half-time enrollment, or completely withdraw from the University. Online Entrance Counseling and Exit Counseling may be accessed through StudentLoans.gov web site.

Federal Work-Study / Student State Aid Employment

A limited number of positions are available throughout the university through the federal work-study and state aid funded student employment programs. Students with exceptional need are awarded FWS/SA eligibility and given the opportunity to be employed. Students wishing consideration for student employment should indicate their interest on the FAFSA. Rates of pay vary, depending upon the type of work and the level of responsibility. A student must be paid at least the minimum wage. Students are responsible for monitoring the time/hours they work so that they will not exceed their award balance.

Veterans Affairs Office

Students receiving veterans benefits are required to adhere to the University's academic standing policies as outlined in the University's catalog. A change in enrollment status that occurs after the veteran's status has been certified must be immediately reported to the Veterans Affairs Office which is located in the Office of Student Financial Aid, ADM 207. Failure to report changes in enrollment status may result in overpayments. An unapproved change of program may cause termination of future benefits.

Financial Aid Website, E-mail & CSU X-Press

All information provided in this student financial aid section is subject to change. Any such changes and/or modifications will be reflected on the Office of Student Financial Aid website. It is the responsibility of all students to stay informed about issues that may affect their financial aid eligibility by regularly monitoring e-mail correspondence from the Office of Student Financial Aid and accessing the Office of Student Financial Aid website and CSU X-Press.

CHICAGO STATE UNIVERSITY

ORAL ENGLISH PROFICIENCY Student Complaint Procedures

Approved September, 1991

Illinois statute requires each public institution of higher education to "establish a program to assess the oral English language proficiency of all persons providing classroom instruction to students," and to "ensure that each person who is not orally proficient in the English language attain such proficiency prior to providing any classroom instruction to students."

Students with complaints about the oral English proficiency of Chicago State faculty should first contact the chairperson of the department involved. The complaint must be in writing and should be as specific as possible. Copies of the complaint must be sent to the appropriate college dean and to the provost/vice president for academic affairs.

The chairperson will investigate the complaint and may observe the class. If the chairperson concludes that the faculty member's English is adequate, the chairperson will notify the student, the faculty member, the dean, and the provost/vice president for academic affairs. The student may appeal the chairperson's decision to the dean. The dean will then investigate the complaint and follow the same notification procedure. The decision of the dean will be final.

If the chairperson or the dean finds that the faculty member's oral English is unsatisfactory, he or she will make a recommendation to the provost/vice president for academic affairs. The provost will take action on this recommendation and notify all parties involved of his or her decision.

Except for the necessary notifications, the identities of all students and faculty involved in oral English proficiency complaints shall remain confidential.
