Instructions for CSU X-press WEB REGISTRATION (www.csu.edu)

Tips for a Successful Web Registration

- Check your registration status for your registration date.
- If you have all the course reference numbers (CRN) for your courses, click on 'Add/Drop Classes' even if this is the first time you are registering for the selected term. The system considers each class an "add," even if it is the first class registered for the term.
- You must click on "submit classes" to secure your selections.
- Scroll down to the bottom of the screen to check for registration errors. Your schedule is not final until you have corrected all registration errors.
- You are advised to print your final schedule.
- **Changes to course information may be made after the Class Schedule Bulletin is published. See the Class Schedule Addendum or CSU X-Press for the most up-to-date course information.**

Personal Access Code (PAC)

Your first access to the secure area login requires your User ID (your University identification number, UID) and your Personal Access Code, (PAC), which is your birth date in the format of MMDDYY. *Example:* May 7, 1950 will be 050750.

The system is programmed to request you to immediately change your PAC on your first entry. Your new PAC must be six (6) characters and can be letters, numbers or a combination. Examples: AZ1234 or 135790 or KLMNOP.

You will be prompted to make up a security question and an answer on your first entry. If you forget your PAC, click the "Forgot PAC" button. Keep your PAC confidential and change it if you believe it has been compromised.

Registration Advising Personal Identification Number, PIN (RAP)

To register online, you must have a current registration advising PIN (RAP). Degree seeking students (undergraduate and graduate) will receive a RAP from their academic advisors during the advisement session. New RAPs are assigned each term and expire at the end of the regular registration period. At-large-students will not need a RAP to register online.

Computer Locations & Help

You can use your own computer, a local library computer or a computer in the University Library. Technical support for CSU X-Press registration is available from 9 a.m. - 5 p.m., Monday through Friday at 773-995-3963.

Fee Payment

Your fees must be received by the published deadline dates. If you are paying by check or credit card, please click on "on-line payment" after you have completed your registration. Students with financial aid awards or other tuition waivers must confirm their registration with a paid receipt at the Cashier's Office in ADM 211.

GRADUATE STUDENTS

Continuing Students

(Those who have attended at least one term since Spring 2009)

MASTER'S DEGREE CANDIDATES

Your graduate advisor will issue your Spring registration advising PIN (RAP) in your advisement session for use on the CSU X-press web registration system.

GRADUATE STUDENTS-AT-LARGE

If necessary, you will be referred to a department for advisement and course approval. Graduate-at-large students are eligible to register online through the CSU X-Press web registration system without a RAP.

New & Returning Students

Master's degree candidates attending for the first time must be advised. Your advisor will issue your RAP (registration advising PIN) for use on the CSU X-press web registration system during your advisement session.

New graduate students-at-large who are attending for the first time must first report to the School of Graduate & Professional Studies (Graduate School) LIB 428, to complete a short data form. If necessary, you will be referred to a department for advisement and course approval. You will not need a RAP to register online using the CSU X-Press web registration system.

If you are a master's degree candidate or a student-at-large who has not attended prior to Spring 2009, an application for readmission must be completed. Forms may be obtained from the graduate school office, LIB 428. Master's degree candidates must obtain approval signatures for re-entry and for advisement. The Graduate School will approve the registration form for the non-degree (graduate-at-large) student to

register via CSU X-Press; restricted courses will require departmental approval.

NOTE: Cooperating teachers eligible for tuition waivers may contact the Office of Community Outreach & Field Placement, ED 322, 773-995-2392. Note that the proper parties must sign the waiver form before a waiver is issued. Forms must also be submitted to and signed in the Provost (ADM 306) and Financial Aid (ADM 207) offices.

TEACHER CERTIFICATION

If you plan to enroll for courses to achieve initial teacher certification and you have been evaluated by the Chicago Board of Education or the State of Illinois, present your deficiency statement at the College of Education's Teacher Certification Officer. For more information, call 773-995-2519. All College of Education requirements for entry to teacher certification sequences must be met and appropriate departmental signatures obtained prior to enrolling in certification courses.

UNIVERSITY EMPLOYEES

Civil Service Staff

If you are a civil service employee enrolled in an undergraduate program, and intend to pay for tuition with a Civil Service Waiver, please be informed that you may be eligible for financial aid. Please complete and submit a Free Application for Federal Student Aid to the U.S. Department of Education, and complete the financial aid application process.

If you need assistance completing the financial aid documents, contact the Educational Opportunity Center/Project Success at 773-995-2371. To take tuition-free courses, the application for civil service employee education benefits must be completed, approved by your supervisor, and sent to the Office of Human Resources, ADM 203. Applications are available in ADM 203.

Civil service employees are under the same academic regulations as other students at the university. All university employees not possessing a bachelor's degree are limited to a maximum of thirty (30) semester hours of course work prior to their formal admission to the university.

Faculty and Administrators

To take tuition-free courses, employees must receive written approval from their chairperson or supervisor and college dean, where appropriate, indicating the course(s) for enrollment. The written approval then must be submitted to the Provost, ADM 306. All University employees are subject to the rules and regulations set forth by Chicago State University regarding education benefits for employees.

Tuition Waiver Applicants

Eligible employees and cooperating teachers requesting tuition waivers must present applications to the Office of Financial Aid, ADM 207, with all appropriate signatures by September 15, for the fall term, January 30 for the spring term and by the first day of classes for any intersession or summer session in which the waiver is presented and the individual enrolls.

All waivers are for the term in which the course is taken, which means waiver applications are to be submitted each term. Waivers do not cover past due bills and will not be accepted after the deadline date.

ADVISEMENT

All degree-seeking students are **REQUIRED** to be advised prior to their registration. Advisors will give a RAP to a student during the advisement session to use with the CSU X-Press web registration system.

Special undergraduate students-at-large (USAL) do not need advisement and are eligible to register through the CSU X-Press web registration system without a registration advising PIN (RAP). Master's degree candidates and graduate certificate students must be advised by the department supervising the program to which they have been admitted. RAPs are distributed by graduate advisors.

Graduate students-at-large (GSAL, GSUM) do not need advisement and are eligible to register through the CSU X-press web registration system without a RAP. However, special permission is required for at-large students to enroll in any 5000-level or higher graduate course. Students registering online must obtain the academic department's approval prior to attempting to register for these or any other restricted course. Students should not attempt to register for two different sections of the same course. If additional work is desired in a variable credit course, students should talk with the department chairperson.

Graduate students-at-large may enroll in graduate level courses by obtaining permission from the academic department supervising the courses prior to attempting course registration. Restrictions or safeguards are built into the registration system that prevent registration in these courses by students-at-large. Students at-large who wish to enroll for graduate courses should first check with graduate advisors or chairpersons to have these restrictions lifted prior to registration.

Students should note that the time for advisement is not during registration. To speed up your registration, have your schedule prepared with alternative courses to take, if certain courses are closed.

Student Registration Responsibility

It is the responsibility of each student to enter the proper course reference number (CRN) for all registration transactions. A student should only register for advised courses. Abuse of the web registration system may result in your courses being dropped by request of the department or the instructor of the course.

You are responsible for making a payment and obtaining a receipt for payment on your account by the published payment due dates, even if your account is being paid through a grant, scholarship, loan or another party. You must confirm your registration with a paid receipt from the cashier's office, ADM 211.

If an admitted student presents unofficial transcripts as a basis for advising, the student is responsible for any consequences related to course selection, registration and academic progress based upon the unofficial transcripts.

Academic Regulations

Academic Progression Policy

A student who has not successfully completed the academic skills requirements will have holds placed on his/her record that will remain until the specified requirements have been met.

Academic Skills Courses & Placement Assessment

Freshmen: Once accepted for admission to Chicago State University, all freshmen must take the University diagnostic examinations in English, mathematics, and reading by the end of the first term in residence. All freshmen must either meet the minimal requirements of the University diagnostic examinations or pass the appropriate academic skills course, namely English 1230, Reading 1500, or Math 0990. To exit from these courses, students must pass the appropriate examination.

Transfer Students: Transfer students who have not completed an associate's degree (A.A. degree or A.S. degree) must take proficiency examinations in English and reading. Transfer students who transfer general education math courses with a C or better and whose majors do not require additional mathematics courses do not have to take the proficiency examination in mathematics. Transfer students who do not transfer general education math or who are required by their majors to take more math must take the proficiency examinations in mathematics.

Transfer students who have earned an associate's degree (A.A. degree or A.S. degree) or who have completed seventy-five (75) hours or more from a combination of two-year and four-year institutions, and who have completed the Illinois General Education Core, are not required to take the proficiency examinations in English, reading or math unless they are required as a prerequisites for other courses.

Reading Dr. C. Busch ED 219 773-995-2086

Cancelled Classes

The University reserves the right to limit the size of classes and to cancel classes for which there is insufficient enrollment. If the class for which you are registered is cancelled, you will automatically be dropped from the class. If you do not register for an alternative class, a tuition refund will be processed to your account according to the refund policy. Students receiving financial aid benefits may wish to consult with their financial aid counselor concerning any award implications.

Class Attendance

Students are expected to attend all class sessions in the course sections for which they are registered unless prevented by illness, an official University activity, or other urgent and unavoidable reasons. The responsibility for maintaining class attendance records rests with each faculty member. Students are expected to consult with instructors to complete class work and all assignments when classes are missed.

The following is the university policy on class attendance:

- An instructor may drop students who do not attend the first day of class and make no attempt to contact the instructor or department chairperson prior to the absence. The instructor may report students who do not attend the first two weeks of class without evidence of a legitimate excuse to the registrar who will drop the student from the class.
- Instructors are required to monitor and keep records of the attendance of students at all class meetings. If a student's total absences are equal to or exceed the equivalent of two weeks of instruction, the instructor may drop the student from the course with a grade of W by February 16, 2011. The instructor may assign a nonattendance grade of W/A or W/N. (See Withdrawal from the University)
- To drop or withdraw from courses, the student must use the drop/withdrawal form, have an advisor sign it, and then submit the form to the Office of the Registrar. If a student stops attending a class but fails to withdraw officially from the class before the official drop date, the result may be a failing grade. Although the instructor may drop a student for nonattendance, it is ultimately the student's responsibility to drop the class. (See Withdrawal from the University.)

If you are registered for a class and you are informed that your name does not appear on the official preliminary and subsequent class rosters, it is your responsibility to investigate the matter immediately by contacting the Office of Records and Registration, ADM 128, at 773-995-2517.

Calculate Your Tuition

This formula shows how to tabulate your tuition charges:

- **On Campus:** Total number of credit hours selected x tuition per credit hour + fees applicable to your total credit hours = your tuition.
- **Off Campus:** Total number of credit hours selected x tuition per credit hour + fees applicable to your total credit hours = your tuition.
- **Distance Learning:** Total number of credit hours selected x tuition per credit hour + \$50 distance learning fee = your tuition.

NOTE: Some courses carry additional fees. These fees are not included in the tuition and mandatory fee information. The list of courses with additional fees is in the back of this bulletin.

Four-Year Guaranteed Tuition Plan

The "Truth in Tuition" bill mandates that Illinois public universities provide four years of level tuition for new students enrolling for the first time beginning with the 2004-2005 academic year. Undergraduate and transfer students enrolling at CSU for the first time after Fall 2004 and students who enroll for the first time any semester beginning Fall 2004 and thereafter will maintain the same tuition rate for four consecutive years, or until the student reaches 120 credit hours. The hours will be extended to accommodate any majors or programs that exceed the 120 hours or four years. The guaranteed rate will remain in effect, except in the event of a break in enrollment of more than one year (two semesters, excluding summer school). In no case will the initial guaranteed rate be valid beyond five years of total enrollment. A tuition surcharge of 10% will be assessed for students who extend beyond the four-year guarantee period (120 credit hours) or five years of total enrollment. For all other students, CSU's current tuition program will remain in effect.

NOTE: A change in major will not affect the guaranteed rate. That rate will continue for the number of credit hours necessary to complete the new major, not to exceed five years of total enrollment. Beyond five years of total enrollment, a 10% surcharge will be assessed.

Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis through the student appeal process.

Transfer student rates will be guaranteed based upon 120 credit hours less the number of credits transferred at the time of first enrollment. All extensions and exceptions that apply to new freshmen will be extended to new transfer students.

Credit hour pricing / Beginning with the 2004-2005 academic year, tuition and mandatory fees will be charged on a per credit hour basis up to 15

hours. This 15 credit hour cap will allow students to complete 120 credit hours in eight semesters or four years. Credit hours exceeding 15 will be charged at the rate for 15 credit hours.

Out-of-state undergraduate tuition rates: *Undergraduate* out-of-state (non-Illinois resident) per credit hour tuition is twice the resident per credit hour tuition. The Four Year Guaranteed Tuition Plan is extended to all undergraduate out-of-state new freshmen and transfer students.

Out-of-state graduate tuition rates: *Graduate* out-of-state (non-Illinois resident) per credit hour tuition is twice the resident per credit hour tuition.

CTA U-Pass Policy

The Chicago State University Board of Trustees is pleased to announce that it is joining the Chicago Transit Authority to provide the U-Pass to all full-time undergraduate, graduate, doctoral and pharmacy students. The U-Pass is a discount fare card that replaces cash for all CTA fares and can be used for unlimited rides on all CTA buses and trains.

Answers to frequently asked questions:

Who is eligible for the U-Pass?

- All full-time students with 12 credit hours or more are eligible for the U-Pass.
- To receive a U-Pass, you must be present when the CTA is onsite to take photos and issue cards.

How much does the U-Pass cost?

CTA sets the price for the U-Pass on an annual basis. For the 2010-2011 academic year, the U-Pass costs \$113.00 per semester. All full-time students with 12 hours or more will have their accounts billed automatically.

Can I waive receiving the U-Pass?

The Chicago Transit Authority designed the U-Pass program not only as a way to offer a discount to full-time students but also to increase CTA ridership. Therefore, for a school to participate in the program, CTA requires that all full-time students at the school receive the U-Pass. However, there are limited circumstances when the U-Pass may be waived if the student meets one of the following criteria:

- Student enrolled in distance learning or online courses
- Student enrolled in extension courses
- Student with disabilities

- Student studying abroad
- Student who is 62 years or older

In order for a fee waiver to be considered, the student must submit all requests in writing with supporting documentation to the U-Pass Coordinator, Bobbie Stewart, in the University Cashier's Office at ADM 211 by 5 p.m. CST on February 1, 2010. The U-Pass Coordinator can be reached by telephone at (773)995-2029 or email to upass@csu.edu.

Can I receive a credit towards semester parking permit?

- Students who purchased a semester parking permit will be issued a credit on their student account towards the cost of the parking permit.
- Credit will only be issued for full-time students.

How will the waiver credit be issued?

The credit waiver towards the parking permit will be issued on February 1, 2011. No waiver will be issued to students who purchase their parking permit after the 100 percent refund drop date of January 27, 2011.

When is my U-Pass activated?

You will receive a new U-Pass at the beginning of each semester. The following are the dates and times for U-Pass distribution for the Spring Semester:

Pick-up location: Jones Convocation Center

- Monday, January 10, 2011 from 9 a.m. to 6 p.m.
- Tuesday, January 11, 2011 from 9 a.m. to 6 p.m.
- Wednesday, January 12, 2011 from 9 a.m. to 6 p.m.
- Monday, January 18, 2011 from 9 a.m. to 6 p.m.

CTA is off campus now so where can I go with my U-Pass?
See the U-Pass Coordinator (Bobbie Stewart) in the Cashier's Office.

When will my CTA U-Pass be available for pick up?

Students that have completed the authorization form and contacted the U-Pass coordinator will pick up their U-Pass at the Cashier's Office located in the Cook ADM 211 on the following Monday.

Do I use the same U-Pass card for fall and spring semesters?

- Yes. Your U-Pass card will re-activated at the beginning of each semester. At the start of a new semester, the U-Pass Coordinator will announce the dates and times of U-Pass distribution for new students. Every effort will be made to distribute U-Pass cards before or on the activation date.
- For the Spring semester, your U-Pass will work from Monday, January 10, 2011 to Monday, May 18, 2011.

Can I give my U-Pass card to someone else to use?

No. U-Pass cards are not transferable and will be confiscated by the CTA and its holder subject to criminal prosecution if it is misused or presented for transportation by any person other than the person to whom it is issued. CTA maintains the right to inspect the U-Pass used by a student and to ask the student for another form of identification to ensure that the pass is being used by the person to whom it is issued. Furthermore, CTA maintains the right to deny a student access to the CTA system at the U-Pass reduced fee if the student does not possess both the U-Pass and a current school I.D.

What do I do if my card is lost or stolen?

Lost or stolen cards should be reported to the U-Pass Coordinator, Ms. Bobbie Stewart, in the Cashier's Office. The card will be deactivated. Students must go to transitichicago.com and request a new pass. A \$50.00 charge will apply.

What do I do if my card is damaged?

Most students damage their U-Pass by allowing it to touch the magnetic strip of another card such as a credit card. If a card is damaged, there is a replacement fee, but students have to go to transitichicago.com to request a new card. It takes five days for the replacement card to be ready and students will be given a temporary card from CTA to use while they wait for their replacement card. The Cashier's Office will notify students when their replacement card comes in and can be picked up in the Cashier's Office.

What do I do if my card is captured on a bus?

If a card is captured on a bus, it is considered a student error. Contact the bus driver to get a receipt stating that the card was captured. Students must then take the receipt to the U-Pass Coordinator in the Cashier's Office to request a new U-Pass. It will take five days for a replacement card to be mailed to Chicago State University from the CTA. No free passes are given to students while they wait. The Cashier's Office will notify students when their replacement card is available and they can pick it up from the Cashier's Office.

What do I do if my card is captured on a train?

If a card is captured on the train, contact the CTA personnel to write a "Fare Discrepancy Report." The CTA personnel will give the student a free transit card to get to their destination. Students will have to take the report to the U-Pass Coordinator in the Cashier's Office to request a new replacement card. The Cashier's office will notify students when their replacement card is available and they can pick it up from the Cashier's Office.

Waiver/enrollment periods and deadlines are published in the academic calendar each semester. Students must complete an online form to waive out of or enroll into the insurance plan every fall and spring semester.

Period of Coverage

Students enrolled in the mandatory insurance plan for the Spring 2011 semester will be covered from January 5, 2011 through August 18, 2011. Student Financial Aid

ADM 207 • 773-995-2304

Deadlines and policies are available in the Office of Student Financial Aid and on the financial aid website. The University provides an established financial assistance program designed to best meet the needs of Chicago State University students. Assistance is available to eligible students in the form of scholarships, grants, assistantships, student employment and loans. All students wishing to be considered for financial assistance must complete the FAFSA (Free Application for Federal Student Aid).

To be eligible for Financial Assistance Grants

Students must be enrolled in a program leading to a degree/certificate, to be eligible for Federal Pell Grants, Federal Supplemental Educational Grants, Federal College Work-Study, Federal Stafford Loans, Federal Perkins Loans and the Illinois Student Assistance Commission MAP Grant.

Special students (at-large, conditionally admitted graduate students, or students enrolled in contract courses) are not eligible for state or federal financial assistance. Generally, students must be enrolled for at least half-time to be eligible for assistance from these programs.

Undergraduate students must be enrolled for at least nine hours, to be considered three-quarter time, and twelve or more hours in order to be considered full time. Nine hours is considered full time for master's and doctoral candidates; five hours part-time. A change in enrollment

status (hours enrolled and/or grade level) that occurs after a financial aid recipient's original registration must be reported immediately, in writing, to the Office of Student Financial Aid. Failure to report changes in enrollment status may result in overpayment, cancellation of benefits, and jeopardize future eligibility for student financial assistance.

Students selected for verification by the U.S. Department of Education or the University will be required to provide requested documentation before their financial aid awards can be processed.

Review your financial aid status anytime

Students may review their financial aid status at any time on the CSU X-Press website. This website provides students with information relating to the amount of their financial aid awards, if any, as well as, any requirements that they might need to fulfill, such as, but not limited to, submitting verification documents, tax forms, SAP (Satisfactory Academic Progress) petitions, etc., before their financial aid package may be finalized.

The Office of Student Financial Aid no longer mails document tracking and award letters to continuing students. Instead, students are notified via e-mail that there is "activity" on their financial aid accounts and that they should go to the CSU X-press website to review their status. All continuing CSU students have been assigned an e-mail account. It is every student's responsibility to access his/her e-mail periodically and to review any communication from the Office of Student Financial Aid.

Student Financial Aid Satisfactory Academic Progress

Policy and Procedures

Federal and state regulations require Chicago State University to establish and implement a "Satisfactory Academic Progress (SAP) Policy" for students. Chicago State University's SAP Policy measures whether eligible undergraduate/graduate students are progressing at a reasonable rate toward the completion of their educational objectives. Students must comply with this policy to maintain their continued financial aid eligibility. Copies of the current SAP policy are available for students in the Office of Student Financial Aid. The document is also available for review in both the undergraduate and graduate catalog, as well as on the Chicago State University website.

Mitigating Circumstances/Appeal Process

Students who fail to make satisfactory academic progress may petition for reinstatement of their eligibility to the Financial Aid Appeals Board. The student must document mitigating circumstances, such as injury, illness, family death or other emergencies. Students appealing for reinstatement of their financial aid eligibility will be required to seek assistance through academic support services offered by the university. Students whose appeals are denied will be required to sit out financial aid for one semester.

In that semester they must:

- a) fulfill stipulations of a new contract and
- b) attain a minimum semester G.P.A. as specified; and
- c) successfully meet requirements of the quantitative measure.

Students who have fulfilled all of the above requirements can apply for probationary financial aid status. If granted, they must spend a semester on financial aid probation. To exit this probation, they must fulfill requirements specified under "Exiting Probation." Students who are

terminated from financial aid eligibility and subsequently reinstated are considered to be in probationary status.

NOTE: The Satisfactory Academic Progress Policy is subject to change without notice. The Office of Student Financial Aid will make every attempt to provide students with timely notice regarding their satisfactory academic progress status. However, it is every student's responsibility to read the policy and monitor his/her own progress.

ISAC Monetary Award Program

The State of Illinois MAP grants, which are administered by the Illinois Student Assistance Commission (ISAC), are tracked by the equivalent number of semester hours of MAP benefits paid on a student's behalf. This is called "MAP paid credit hours." Payment for each term is being made according to the equivalent number of credit hours eligible for MAP payment, with a minimum of three and a maximum of 15 MAP paid credit hours. There is a limit on the number of MAP credit hours that can be paid while a student is classified as a freshman and sophomore. This is the equivalent of 75 MAP paid credit hours. If this maximum is reached, a student must attain junior status for MAP grant eligibility to resume. The maximum number of MAP paid credit hours that can be received is capped at 135.

NOTE: ISAC reserves the right to change the terms of the State of Illinois MAP grant program, at any time, prior to the beginning of the semester.

Student Loans

The Federal Stafford Loan program limits, if combined, cannot exceed the established limits and cost of attendance. During the 2010-2011 year a student may be eligible to borrow a Federal Stafford Loan based on the following limits:

	<i>Subsidized.....</i>	<i>Unsubsidized</i>
Freshman	\$3,500	\$6,000
Sophomore.....	\$4,500	\$6,000
Junior	\$5,500	\$7,000
Senior.....	\$5,500	\$7,000
Fifth Year.....	\$5,500	\$7,000
Certification.....	\$5,500	\$7,000
Certificate	\$5,500	\$5,000
Master's/Doctorate	\$8,500	\$12,000

You will only be eligible to borrow one loan for one academic year. For example: If you borrow \$3,500 through a subsidized Stafford Loan as a freshman, you will not be allowed a subsequent loan until you advance to the sophomore level.

Procedures for obtaining a loan for the Spring 2011 semester will be published on the Office of Student Financial Aid website at www.csu.edu/financialaid/ by November 15, 2010.

Financial Aid Refund/Repayment Policy

If a student who receives any federal and/or state student financial assistance completely withdraws prior to the end of an academic term in which s/he receives federal/state aid, federal regulations require CSU to prorate or reduce the award(s) received, according to the actual number of calendar days in which the student was enrolled. Funds to which the student was not entitled, due to the proration calculation, must be returned to the federal/state award program(s). If a student's charges

exceed the prorated awards remaining on her/his account, a balance will be owed to the university. If a student receives a disbursement check prior to obtaining a complete withdrawal-or uses some of the awarded funds for a book voucher-based upon the proration, s/he will be required to repay a portion or all of such funds to the University and/or the award program(s). Before initiating a complete withdrawal, contact the Office of Student Financial Aid at 773-995-2304 for a complete explanation.

Timeline dates will be posted in the Office of Student Financial Aid for recipients of the basic state and federal financial aid programs. Timeline dates do not apply to recipients of other aid that may be based on academic performance, pursuit of a specific program/degree, etc., or aid from private sources.

Loan Counseling

Students who receive loans are required to complete entrance counseling prior to receiving a disbursement and exit counseling when they graduate, drop to less than half-time enrollment, or completely withdraw from the University. Online entrance counseling and exit counseling may be accessed through StudentLoans.gov web site.

Federal Work-Study / Student State Aid Employment

A limited number of positions are available throughout the university through the federal work-study and state aid funded student employment programs. Students with exceptional need are awarded FWS/SA eligibility and given the opportunity to be employed. Students wishing consideration for student employment should indicate their interest on the FAFSA. Rates of pay vary, depending upon the type of work and the level of responsibility. A student must be paid at least the minimum wage. Students are responsible for monitoring the time/hours they work so that they will not exceed their award balance.

Veterans Affairs Office

Students receiving veterans benefits are required to adhere to the University's academic standing policies as outlined in the University's catalog. A change in enrollment status that occurs after the veteran's status has been certified must be immediately reported to the Veterans Affairs Office which is located in the Office of Student Financial Aid, ADM 207. Failure to report changes in enrollment status may result in overpayments. An unapproved change of program may cause termination of future benefits.

Financial Aid Website, Email and CSU X-Press

All information provided in this student financial aid section is subject to change. Any such changes and/or modifications will be reflected on the Office of Student Financial Aid website. It is the responsibility of all students to stay informed about issues that may affect their financial aid eligibility by regularly monitoring email correspondence from the Office of Student Financial Aid and accessing the Office of Student Financial Aid website and CSU X-Press.

ORAL ENGLISH PROFICIENCY Student Complaint Procedures

Approved September, 1991

Illinois statute requires each public institution of higher education to "establish a program to assess the oral English language proficiency of all persons providing classroom instruction to students," and to "ensure that each person who is not orally proficient in the English language attain such proficiency prior to providing any classroom instruction to students."

Students with complaints about the oral English proficiency of Chicago State faculty should first contact the chairperson of the department involved. The complaint must be in writing and should be as specific as possible. Copies of the complaint must be sent to the appropriate college dean and to the provost/vice president for academic affairs.

The chairperson will investigate the complaint and may observe the class. If the chairperson concludes that the faculty member's English is adequate, the chairperson will notify the student, the faculty member, the dean, and the provost/vice president for academic affairs. The student may appeal the chairperson's decision to the dean. The dean will then investigate the complaint and follow the same notification procedure. The decision of the dean will be final.

If the chairperson or the dean finds that the faculty member's oral English is unsatisfactory, he or she will make a recommendation to the provost/vice president for academic affairs. The provost will take action on this recommendation and notify all parties involved of his or her decision.

Except for the necessary notifications, the identities of all students and faculty involved in oral English proficiency complaints shall remain confidential.
