If an admitted student presents unofficial transcripts as a basis for advising, the student is responsible for any consequences related to course selection, registration and academic progress based upon the unofficial transcripts.

Cancelled Classes

The University reserves the right to limit the size of the classes and to cancel classes for which there is insufficient enrollment. If the class for which you are registered is cancelled, you will automatically be dropped from the class. If you do not find an alternative class, a tuition refund will be processed to your account according to the refund policy.

Students receiving financial aid benefits may wish to consult with their financial aid counselor concerning any award implications. You may call the Summer Information HOTLINE at 773.821.2888 the Friday prior to the start date of your course for a current course cancellation list.

Class Attendance

Students are expected to attend all class sessions in the course sections for which they are registered unless prevented by illness, an official university activity, or other urgent and unavoidable reasons. The responsibility for maintaining class attendance records rests with each faculty member. Students are expected to make their own arrangements with faculty members about making up class work and all assignments when classes are missed.

The detailed university policy on class attendance is located in the university catalog. If you stop attending a class but fail to withdraw officially from the class before the official drop date, the result may be a failing grade. Although an instructor may drop a student for nonattendance, it is ultimately the student's responsibility to drop the class.

Withdrawal From The University

Students can drop courses on CSU X-Press during the refund period. After this date, the student must use the drop/withdrawal form, have an advisor sign it, and then submit the form to the Registrar's office (ADM 128). Based upon a directive from the Department of Education, effective Spring 2004, the following grades will be implemented to reflect student attendance: WA and WN.

Instructors must post the grade of WA for students who attended at least one session and stopped attending, and WN for students who never attended any sessions. It is extremely important that instructors closely monitor the attendance of all students in their classes.

If you are attending a class, and your name does not appear on the official preliminary and subsequent class rosters, it is your responsibility to contact the Office of Records and Registration.

Credit Hour Load

Undergraduate Students / The maximum credit hour load for the Summer Session term is 12 credit hours. This includes all day session courses, evening courses, extension courses and courses taken elsewhere. Students who have a cumulative CSU grade point average of 1.99 or less are limited to a maximum of 6 credit hours or two courses. Students may not be registered at other colleges without written permission from the Office of Academic Evaluation and Advisement, ADM 128. This permission **MUST** be obtained prior to registration at other colleges.

Graduate Students / The maximum academic load of graduate courses is twelve (12) hours in the Summer Session. Exceptions to the graduate course credit hour load may be made with the approval of the graduate faculty advisor and/or the department chairperson and the Graduate Dean. Students may not be registered at other colleges and universities without approval of their advisor.

Course Drop/withdrawal

All students can drop courses via CSU X-Press during the 100% refund period.

NOTE: You will not be allowed to drop your last class on the web. If you have validated your classes (received a paid receipt from the Cashier's Office), you will have to submit a withdrawal form to the Registrar's Office, signed by all appropriate parties. If you have not validated your classes, you may call the Registrar's Office at (773) 995-2522 to have your last class dropped. After this date, degree seeking students must receive the advisor's approval on the appropriate form for each dropped course or withdrawal. A drop/withdrawal from a course(s) is not complete until the appropriate form is submitted and approved by a Records and Registration staff member. Errors in the completion of the form are the student's responsibility. The Bursar, Financial Aid and Academic Support offices must sign all complete withdrawal forms from the University before the Records and Registration office may process the withdrawal.

Prerequisites (+)

Degree Seeking Students / Prerequisites are listed in the University catalog (print and online version) or on CSU X-Press. A degree seeking student should not attempt to register for a course unless the prerequisite for the course has been completed. Please consult with your academic advisor about prerequisites for your courses.

Summer Visiting Students / Chicago State University will allow visiting, non-degree seeking summer students who are regularly enrolled at another college or university to enroll in courses via the university's on-line registration system, CSU X-Press. All other non-degree, at-large students (graduate and undergraduate) must meet all course prerequisites and requirements.

Some professional programs (such as social work, health sciences and education) have restricted course access, which will prevent on-line

registration. Non-degree seeking, summer only students can register for all other courses on-line. Courses in the College of Education listed with a prerequisite of "Admitted to the College of Education" are strictly enforced. If a student is interested in taking a course in a restricted program, they must contact that department. For departmental office telephone numbers, consult the Quick Reference Guide in this bulletin.

For at-large students who decide to matriculate at Chicago State University, all regular course, program and degree prerequisites as well as entrance and degree completion requirements must be met. Refer to the university on-line catalog for more information about courses and degree programs.

Validation

What is validation?

Validation is any form of payment in the following manner:

- Cash
- Check / Money Order
- Charge
- Third Party Letter (outside Agency)
- Financial Aid Waiver

What does validation do for a student?

- Validation locks students into their classes so that they will not be dropped unless the student or instructor does so.
- Every student should do a formal withdrawal if the student is not going to attend the University.
- If you have already validated with cash, check, charge, third party letter or a financial aid waiver, your class(es) will not be dropped. If you make a payment to your account for parking, library fines, meal plans, or any other items for the current term, your classes for that term will not be dropped.

Calculate Your Tuition

This formula shows how to tabulate your tuition charges.

- **On-Campus:** (Total number of cr. hrs you are taking) X (tuition per cr. hr) + (fees applicable to your total cr. hrs) = Your tuition.
- **Off-Campus:** (Total number of cr. hrs you are taking) X (tuition per cr. hr) = Your tuition.
- **Distance Learning:** (Total number of cr. hrs you are taking) X (tuition per cr. hr) + \$50 Distance Learning Fee = Your Tuition.

Any combination of Extension or Distance Learning courses and on-campus courses will have mandatory fees charged.

NOTE: Some courses carry additional fees. These fees are not included in the tuition and mandatory fee information. The list of courses with additional fees is in the back of the Class Schedule Bulletin.

Mandatory Fees

Full Time Enrollment	\$226.00
Part Time Enrollment	\$164.00

Mandatory fees apply to all on-campus students with combination off-campus and on-campus schedules regardless of student level or residency status.

2. Master Card, VISA, Discover, Telecheck, cash, money orders, cashier's checks, certified checks, personal checks and traveler's checks will be accepted in payment of tuition and fee charges. In addition to accepting payment by personal check, ECAP provides electronic check approval that takes funds from your checking account within 48 hours of the time that the check is written to CSU. Business checks will not be accepted.
3. Students who have presented two NSF (not sufficient funds) checks to the University even though restitution has been made will be required to pay for their registration with cash, money orders, certified checks, traveler's checks, Master Card, VISA or Discover. Tuition Management Installment Plan

Chicago State University offers an Interest-free monthly payment plan to spread your education expenses over time instead of one large payment. For more information, or to enroll, call 1-800-722-4867 (TMS 24 hours a day) and speak with an education payment counselor or log on to www.csu.edu/. Also, you can log on directly to Tuition Management Systems at www.afford.com.

Only students enrolling for four (4) credit hours or more are allowed to use the Tuition Management Installment Plan. Students using the installment payment option are required to make an initial payment at the time of registration or before the payment deadline date. Please remember your initial deposit must go to Chicago State University or your classes will be canceled.

The fee for using the installment plan varies according to the number of payments in your plan. Whether you are on the installment plan with TMS or not, you will still pay the deferred fee amount if tuition is not paid in full at the time of registration.

Chicago State University ORAL ENGLISH PROFICIENCY STUDENT COMPLAINT PROCEDURES

Approved September, 1991

Illinois statute requires each public institution of higher education to “establish a program to assess the oral English language proficiency of all persons providing classroom instruction to students,” and to “insure that each person who is not orally proficient in the English language attain such proficiency prior to providing any classroom instruction to students.”

Students with complaints about the oral English proficiency of Chicago State faculty should first contact the chairperson of the department involved. The complaint must be in writing and should be as specific as possible. Copies of the complaint must be sent to the appropriate college Dean and to the Provost / Vice President for Academic Affairs.

The chairperson will investigate the complaint and may observe the class. If the chairperson concludes that the faculty member's English is adequate, the chairperson will notify the student, the faculty member, the Dean, and the Provost / Vice President for Academic Affairs. The student may appeal the chairperson's decision to the dean. The dean will then investigate the complaint and follow the same notification procedure. The decision of the dean will be final.

If the chairperson or the dean finds that the faculty member's oral English is unsatisfactory, he or she will make a recommendation to the Provost / Vice President for Academic Affairs. The Provost will take action on this recommendation and notify all parties involved of his or her decision.

Except for the necessary notifications, the identities of all students and faculty involved in oral English proficiency complaints shall remain confidential.
