4 *easy* STEPS TO REGISTER

You must be admitted to the University before you can register for classes.
Undergraduates go to ADM 200 • **Graduates** go to LIB 234

1 Select your classes with your academic advisor.

Degree seeking students will receive a Registration Advising PIN (RAP) to register on the web during advisement. • At-large students do not need a RAP to register.

2 Register for classes.

Register online at www.csu.edu during the web registration. See pages 2-3.

3 Obtain a business receipt from the Cashier (ADM 211) to validate your classes.

To validate your classes means that you must get a business receipt from the cashier • Your classes will be dropped for non-payment if you do not get a receipt • NOTE: Students with financial aid, tuition waivers or scholarships must get a waiver from the Financial Aid Office, ADM 207. Present this waiver to the cashier to obtain a business receipt.

4 Obtain or update your ID card in LIB 143.

Call extension 12447 or (773) 821-2447.

A CSU student ID card is required for all student services.

Personal Access Code (PAC)

Your first access to the secure area login requires your USER ID (your University ID number, UID) and your Personal Access Code, which is your birth date in the format of MM/DD/YY.

Example: May 7, 1950 will be 050750. The system is programmed to request you to immediately change your Personal Access Code (PAC) on your first entry. Your new PAC must be six (6) characters and can be alpha, numeric or a combination. Examples: AZ1234 or 135790 or KLMNOP.

You will be prompted to make up a security question and an answer on your first entry. If you forget your PAC click the "Forgot PAC" button. Keep your PAC confidential and change it if you believe it has been compromised.

Registration Advising PIN (RAP)

To register online, you must have a current registration advising PIN (RAP). Degree seeking students (undergraduate and graduate) will receive a RAP from their academic advisors during the advisement session. New RAPs are assigned each term and expire at the end of the regular registration period. At-large-students will not need a RAP to register online effective Summer 2009.

Currently enrolled students who have been accepted as candidates for the Bachelor's/Graduate degree: use your Summer 2009 RAP (registration advising PIN) given to you during your advisement session to use the CSU X-Press web registration.

New Students

If you have never attended Chicago State University and you are seeking a degree, you must be admitted: Undergraduates (ADM 200), Graduates (LIB 234). RAP (registration advising PIN) numbers are distributed by graduate advisors.

Graduate at-large students (GSAL, GSUM) do not need a RAP (registration advising PIN) to register through the CSU X-Press web registration system. However, special permission is required for at-large students to enroll in any 5000 level or higher graduate course. Students registering via the web must obtain academic departmental approval prior to attempting to register for these or any other restricted course.

Students should note that the time for advisement is not during registration. To speed up your registration, please have your schedule prepared with alternative courses to take if certain courses are closed.

Student Registration Responsibility

It is the responsibility of each student to enter the proper course reference number on all registration transactions. A student should only register for advised courses. Abuse of the web registration system will result in ineligibility to use the system in the future.

You are responsible for obtaining a business receipt from the cashier by the published payment due dates, even if your account is being paid through a grant, scholarship, loan or another party.

If an admitted student presents unofficial transcripts as a basis for advising, the student is responsible for any consequences related to course selection, registration and academic progress based upon the unofficial transcripts.

University Holds

Students with financial or certain academic holds may not register until a release is processed by the department that initiated the hold. Clear your hold(s) before your scheduled registration date.

Academic Regulations

Academic Progression Policy

A student who has not successfully completed the academic skills requirements will have hold(s) placed on their record that will remain until the specified requirements have been met.

Cancelled Classes

The University reserves the right to limit the size of the classes and to cancel classes for which there is insufficient enrollment. If the class for which you are registered is cancelled, you will automatically be dropped from the class. If you do not find an alternative class, a tuition refund will be processed to your account according to the refund policy.

Students receiving financial aid benefits may wish to consult with their financial aid counselor concerning any award implications. You may call the Summer Information HOTLINE at (773) 821-2888 the Friday prior to the start date of your course for a current course cancellation list.

Class Attendance

Students are expected to attend all class sessions in the course sections for which they are registered unless prevented by illness, an official university activity, or other urgent and unavoidable reasons. The responsibility for maintaining class attendance records rests with each faculty member. Students are expected to arrange with faculty members to complete class work and all assignments when classes are missed.

The detailed university policy on class attendance is located in the university catalog. If you stop attending a class but fail to withdraw officially from the class before the official drop date, the result may be a failing grade. Although an instructor may drop a student for nonattendance, it is ultimately the student's responsibility to drop the class.

Withdrawal from the University

Students can drop courses on CSUX-Press during the refund period. After this date, the student must use the drop/withdrawal form, have an advisor sign it, and then submit the form to the Registrar's office (ADM 128). Based upon a directive from the Department of Education, effective Spring 2004, the following grades will be implemented to reflect student attendance: WA and WN.

Instructors must post the grade of WA for students who attended at least one session and stopped attending, and WN for students who never attended any sessions. It is extremely important that instructors closely monitor the attendance of all students in their classes.

If you are registered for a class, and your name does not appear on the official preliminary and subsequent class rosters, it is your responsibility to contact the Office of Records and Registration.

Credit Hour Load

Undergraduate Students: The maximum credit hour load for the Summer Session term is 12 credit hours. This includes all day session courses, evening courses, extension courses and courses taken elsewhere. Students may not be registered at other colleges without written permission from the Office of Academic Evaluation and Advisement, ADM 128. This permission **MUST** be obtained prior to registration at other colleges.

Graduate Students: The maximum academic load of graduate courses is twelve (12) hours in the Summer Session. Exceptions to the graduate course credit hour load may be made with the approval of the graduate faculty advisor and/or the department chairperson and the Graduate Dean. Students may not be registered at other colleges and universities without approval of their advisor.

Course Drop/Withdrawal

All students can drop courses via CSU X-Press during the 100% refund period.

SESSION DATE	100% REFUND PERIOD	50% REFUND PERIOD
June 8 – July 11	June 8 – June 15	June 16 – June 23
July 13 – August 15	July 13 – July 20	July 21 – July 28

NOTE: You will not be allowed to drop your last class via the web. If you have validated your classes (received a paid receipt from the cashier's office), you will have to submit a withdrawal form to the registrar's office, signed by all appropriate parties. If you have not validated your classes, you may call the registrar's office at (773) 995-2522 to have your last class dropped. After the 100% refund period, degree-seeking students must receive their advisor's approval on the appropriate form for each dropped course or withdrawal. A drop/withdrawal from a course(s) is not complete until the appropriate form is submitted and approved by a Records and Registration staff member. Errors in the completion of the form are the student's responsibility. The bursar and financial aid offices must sign all complete withdrawal forms from the university before the records and registration office can/will process the withdrawal.

Validation **What is validation?**

Validation is any form of payment in the following manner:

- Cash
- Check / Money Order
- Charge
- Third Party Letter (outside Agency)
- Financial Aid Waiver

What does validation do for a student?

- Validation locks students into their classes so that they will not be dropped unless the student or instructor does so.
- Every student should formally withdrawn if he or she is not going to attend the University.
- If you have already validated with cash, check, charge, third party letter or a financial aid waiver, your class(es) will not be dropped. If you make a payment to your account for parking, library fines, meal plans, or any other items for the current term, your classes for that term will not be dropped.

Calculate Your Tuition

This formula shows how to tabulate your tuition charges.

- **On-Campus:** (Total number of credit hours you are taking) X (tuition per credit hours) + (fees applicable to your total credit hours) = Your tuition.
- **Off-Campus:** (Total number of credit hours you are taking) X (tuition per credit hours) = Your tuition.
- **Distance Learning:** (Total number of credit hours you are taking) X (tuition per credit hours + \$50 Distance Learning Fee) = Your Tuition.

NOTE: Some courses carry additional fees. These fees are not included in the tuition and mandatory fee information. The list of courses with additional fees is in the back of the Class Schedule Bulletin.

Mandatory Fees

Full Time Enrollment	TBA
Part Time Enrollment	TBA

Mandatory fees apply to all on-campus students with combination off-campus and on-campus schedules regardless of student level or residency status.

Any combination of extension or distance learning courses and on-campus courses will have mandatory fees.

Payment and Refund Policy

No registration transaction is complete until it has been processed by the Business Office. If you register online, please confirm your registration by requesting a paid receipt for your summer registration from the cashier's office (ADM 211).

Payment Policy

1. Students who have outstanding debts at Chicago State University will not be permitted to register until those debts have been paid.
2. Master Card, VISA, Discover, Telecheck, cash, money orders, cashier's checks, certified checks, personal checks and traveler's checks will be accepted for tuition and fee charges. ECAP also provides electronic check approval that takes funds from your checking account within 48 hours of the time that the check is written to CSU. Business checks will not be accepted.
3. Students who have presented two NSF (not sufficient funds) checks to the University even though restitution has been made will be required to pay for their registration with cash, money orders, certified checks, traveler's checks, MasterCard, VISA or Discover. Business checks will not be accepted.

Tuition Management Installment Plan

Chicago State University offers an Interest-free monthly payment plan to distribute your education expenses over time instead of one large payment. For more information, or to enroll, call 1-800-722-4867 (TMS 24 hours a day) and speak with an education payment counselor or log on to www.csu.edu/. Also, you can log on directly to Tuition Management Systems at www.afford.com.

Only students enrolling for four (4) credit hours or more are allowed to use the Tuition Management Installment Plan. Students using the installment payment option are required to make an initial payment at the time of registration or before the payment deadline date. Please remember your initial deposit must go to Chicago State University or your classes will be canceled.

The fee for using the installment plan varies according to the number of payments in your plan. Whether you are on the installment plan with TMS or not, you will still pay the deferred fee amount if tuition is not paid in full at the time of registration.

Tuition Management Services (TMS) Monthly Payment Planner

Summer Plans	Payment Due Dates	Enrollment Fee
Three Month	May 1- July 1	\$35
Two Month	June 1- July 1	\$40

Final Payment: Partial or complete payment will be accepted at any time; however, the total balance must be paid according to your TMS payment plan to avoid any additional charges.

Default: Failure to make a complete payment on time. Failure to make payment places the student's account in default and a \$25 delinquent fee will be assessed. In addition, a hold will be placed on the student's academic record and the student will not be permitted to register for subsequent terms until the balance is paid.

In addition, Chicago State University may report your account to the credit bureau and assign your student account to an outside collection agency. It is further understood that all reasonable collection costs, fees or legal expenses incurred by Chicago State University and any outside agency in securing payment is your responsibility. These fees could range from 25% to 50% of your unpaid balance.

Chicago State University ORAL ENGLISH PROFICIENCY STUDENT COMPLAINT PROCEDURES

Approved September, 1991

Illinois statute requires each public institution of higher education to "establish a program to assess the oral English language proficiency of all persons providing classroom instruction to students," and to "ensure that each person who is not orally proficient in the English language attain such proficiency prior to providing any classroom instruction to students."

Students with complaints about the oral English proficiency of Chicago State faculty should first contact the chairperson of the department involved. The complaint must be in writing and should be as specific as possible. Copies of the complaint must be sent to the appropriate college Dean and to the Provost/Vice President for Academic Affairs.

The chairperson will investigate the complaint and may observe the class. If the chairperson concludes that the faculty member's English is adequate, the chairperson will notify the student, the faculty member, the Dean, and the Provost/Vice President for Academic Affairs. The student may appeal the chairperson's decision to the dean. The dean will then investigate the complaint and follow the same notification procedure. The decision of the dean will be final.

If the chairperson or the dean finds that the faculty member's oral English is unsatisfactory, he or she will make a recommendation to the Provost/Vice President for Academic Affairs. The provost will take action on this recommendation and notify all parties involved of his or her decision.

Except for the necessary notifications, the identities of all students and faculty involved in oral English proficiency complaints shall remain confidential.
