Undergraduate and Graduate Students Continuing Students

Currently enrolled students who have been accepted as candidates for the Bachelor's/Graduate degree: use your Summer 2010 RAP (registration advising PIN) given to you during your advisement session to use the CSU X-press Web registration.

New Students

If you have never attended Chicago State University and you are seeking a degree, you must be admitted: undergraduates in ADM 200, graduates in LIB 234. After you have been admitted, you must be advised. Your advisor will give you your Summer 2010 RAP to use the CSU X-press Web registration system.

Returning Students

Undergraduates who have not attended since the Summer 2008 and who were in good standing their last term must file an application for readmission in the Office of the Registrar, ADM 128. Undergraduates must submit transcripts covering all college courses completed since withdrawal.

Master's degree candidates in good academic standing, who have not exceeded the time limit to complete the degree and who have not registered since the Summer 2008, must file an application for readmission with the School of Graduate and Professional Studies, LIB 234, and obtain reentry approval from the academic department supervising the degree program. Graduate students who have exceeded the time limit for completing the degree must petition the Council of Graduate and Professional Studies at CSU for reentry into their program. The Council of Graduate and Professional Studies, LIB 234, normally meets the second Tuesday of each month.

Undergraduate students who were dropped from the university, or who were not in good academic standing at the time of withdrawal, should submit to the Office of Undergraduate Admissions, ADM 200, an academic petition form and an application for admission (\$25 fee). Students seeking reinstatement must submit transcripts covering all college courses completed since withdrawal. The letter of acceptance issued by the Director of Admissions will serve as authorization to register. **Summer 2010 deadline: May 3, 2010.**

You must be advised after you have received authorization by either the Office of the Registrar or the Office of Undergraduate Admissions. Your advisor will provide your Summer 2010 RAP for use with the CSU X-press registration system.

Summer Students-at-Large

A student who has not been admitted to degree status at CSU may enroll for summer session courses on a non-degree basis as a summer at-large student. To enroll for summer session courses, complete the one-page application form in back of this bulletin. Undergraduates must submit the application to the Undergraduate Admissions Office, ADM 200, 773-995-2513 and present evidence of good academic standing at the current or last attended college or university. Evidence of good standing can be supplied by having the summer at-large student application form validated by a college or university official or by presenting a current transcript or grade report to the Undergraduate Admissions Office. At-large students are eligible to register online through the CSU X-press web registration system without a RAP.

Summer graduate-at-large students must complete the one-page application in back of this bulletin and submit the application with proof of a Bachelor's degree to the School of Graduate and Professional Studies, LIB 234, 773-995-2404. The Graduate School Office will provide registration information. Graduate at-large students are eligible to register online through the CSU X-Press web registration system without a registration advising PIN (RAP).

If transcripts for CSU summer session coursework are required for home institutions, students must submit a request in the Office of the Registrar, ADM 128, or on the Registrar's Web page, www.csu.edu/recordsandregistration/. Transcripts are \$5.00 per copy if mailed, \$10.00 per copy for issuance over-the-counter and \$7.25 per copy when requested online.

Advisement

All degree seeking students are **REQUIRED** to be advised prior to their registration. Advisors will give a RAP to a student after the advisement session.

Summer at-large undergraduate students (USUM) do not need a RAP to register through the CSU Web registration system. Master's degree candidates and graduate certificate students must be advised by the department supervising the program to which they have been admitted. RAP numbers are distributed by graduate advisors.

Graduate at-large students (GSAL, GSUM) do not need a RAP (registration advising PIN) to register through the CSU X-press Web registration system. However, special permission is required for at-large students to enroll in any 5000 level or higher graduate course. Students registering via the Web must obtain academic departmental approval prior to attempting to register for these or any other restricted course.

Students should note that the time for advisement is not during registration. To speed up your registration, have your schedule prepared with alternative courses to take if certain courses are closed.

Student Registration Responsibility

It is the responsibility of each student to enter the proper course reference number on all registration transactions. A student should only register for advised courses. Abuse of the Web registration system may result in your courses being dropped by request of the department chairperson or the instructor of the course.

You are responsible for obtaining a business receipt from the cashier by the published payment due dates, even if your account is being paid through a grant, scholarship, loan or another party.

If an admitted student presents unofficial transcripts as a basis for advising, the student is responsible for any consequences related to course selection, registration and academic progress based upon the unofficial transcripts.

University Holds

Students with financial or certain academic holds may not register until a release is processed by the department that initiated the hold. Clear your hold(s) before your scheduled registration date.

If the class for which you are registered is cancelled, you will automatically be dropped from the class. If you do not register for an alternative class, a tuition refund will be processed to your account according to the refund policy.

Students receiving financial aid benefits may wish to consult with their financial aid counselor concerning any award implications. You may call the Summer Information HOTLINE at 773-821-2888 the Friday prior to the start date of your course for a current course cancellation list.

Class Attendance

Students are expected to attend all class sessions in the course sections for which they are registered unless prevented by illness, an official university activity, or other urgent and unavoidable reasons. The responsibility for maintaining class attendance records rests with each faculty member. Students are expected to consult with instructors to complete class work and all assignments when classes are missed.

The detailed University policy on class attendance is located in the University catalog. If you stop attending a class, but fail to withdraw officially from the class before the official drop date, the result may be a failing grade. Although an instructor may drop a student for nonattendance, it is ultimately the student's responsibility to drop the class.

If you are registered for a class, and your name does not appear on the official preliminary and subsequent class rosters, it is your responsibility to contact the Office of Records and Registration.

Withdrawal from the University

Students can drop courses on CSU X-Press during the refund period. After this date, the student must use the drop/withdrawal form, have an advisor sign it, and then submit the form to the Office of the Registrar, ADM 128. Based upon a directive from

the Department of Education, effective Spring 2004, the following grades will be implemented to reflect student attendance: WA and WN.

Instructors must post the grade of WA for students who attended at least one session and stopped attending, and WN for students who never attended any sessions. It is extremely important that instructors closely monitor the attendance of all students in their classes.

Four-Year Guaranteed Tuition Plan

The "Truth in Tuition" bill mandates that Illinois public universities provide four years of level tuition for new students enrolling for the first time beginning with the Fall 2004-2005 academic year. Undergraduate and transfer students enrolling at CSU for the first time after Fall 2004 and students who enroll for the first time every semester beginning Fall 2004-2005 and thereafter will maintain the same tuition rate for four consecutive years, or until the student reaches 120 credit hours. The hours will be extended to accommodate any majors or programs that exceed the 120 hours or four years. The guaranteed rate will remain in effect, except in the event of a break in enrollment of more than one year (two semesters, excluding summer school). In no case will the initial guaranteed rate be valid beyond five years of total enrollment. A tuition surcharge of 10% will be assessed for students who extend beyond the four-year guarantee period (120 credit hours) or five years of total enrollment. For all other students, CSU's current tuition program will remain in effect.

NOTE: A change in major will not affect the guaranteed rate. That rate will continue for the number of credit hours necessary to complete the new major, not to exceed five years of total enrollment. Beyond five years of total enrollment, a 10% surcharge will be assessed.

Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis through the student appeal process.

Transfer student rates will be guaranteed based upon 120 credit hours less the number of credits transferred at the time of first enrollment. All extensions and exceptions that apply to new freshmen will be extended to new transfer students.

Credit hour pricing / Beginning with the Fall 2004-2005 academic year, tuition and mandatory fees will be charged on a per credit hour basis up to 15 hours. This 15 credit hour cap will allow students to complete 120 credit hours in eight semesters or four years. Credit hours exceeding 15 will be charged at the rate for 15 credit hours.

Out-of-state undergraduate tuition / Undergraduate out-of-state (non-Illinois resident) per credit hour tuition is twice the resident per credit hour tuition. The Four Year Guaranteed Tuition Plan is extended to all undergraduate out-of-state new freshmen and transfer students.

Out-of-state graduate tuition rates / Graduate out-of-state (non-Illinois resident) per credit hour tuition is twice the resident per credit hour tuition.

Your Financial Responsibilities

If you fail to meet the terms of your deferred payment agreement, you will not be eligible for academic credit for enrolled courses. In addition, Chicago State University may report your account to the credit bureau and assign your student account to an outside collection agency. It is further understood that all reasonable collection costs, fees or legal expenses incurred by Chicago State University and any outside agency in securing payment is your responsibility. These fees could range from 25% to 50% of your unpaid balance.

NOTE: Refund checks are mailed. Please allow four weeks for processing from the final refund date.

Returned Check Policy

All checks are processed through TeleCheck. Any returned checks will require a \$20 return check fee by CSU and a \$25 fee by TeleCheck, totaling \$45. If a student pays CSU directly, a \$25 assessment by Telecheck will still be enforced. It is the responsibility of the student to maintain a current address in the records office. Students should note that all dates, fees, and charges are subject to change without notice. Course fees and payment policies are administered by the Office of Financial Affairs. Student Health Insurance

CRSU 247 • 773-995-4533

Health insurance is mandatory for all students, graduates and undergraduates, who enroll in 12 credit hours or more. Upon validation of classes, students are automatically charged a FT Student Health Insurance fee to be covered by the Chicago State University/Aetna Students Health Plan. The fee applies if you enroll into all on-campus classes or a combination of off-campus (Extension) and on-campus classes.

Students may cancel the insurance plan provided through the university if they are able to provide proof of current and adequate insurance in their name.

A cancellation form must be submitted every semester that a student enrolls in 12 credit hours of coursework or more. The deadline for cancelling the mandatory insurance for Summer 2010 is **June 1, 2010**.

Period of Coverage

The period of coverage for Summer 2010 only is May 22, 2010 through August 18, 2010. Students who enrolled in the insurance plan for Spring Semester 2010 are covered until August 18, 2010.

Part-time students now eligible for coverage

Part-time students enrolled in 6-11 credit hours of on-campus and/or Extension coursework may enroll themselves and their dependents in the program on a voluntary basis. The voluntary enrollment deadline is **June 1, 2010**.

Cancellation Requirements

An insurance cancellation form must be submitted every semester that a student enrolls in 12 credit hours or more. Students with adequate insurance coverage may apply for cancellation of the mandatory fee by

the **June 1, 2010** deadline. An insurance card showing your name or a letter of proof of coverage from your insurance company and an ID are required. The forms are available for completion in the Office of Student Health Insurance located in CRSU Room 247.

NOTE: Cancellation requests will not be accepted after the June 1, 2010 deadline. Students insured under the plan will receive their ID cards by mail. Please make sure a current address is on file with the registrar's office. For more information, contact the Office of Student Health Insurance at 773-995-4533.

Student Financial Aid

ADM 207 • 773-995-2304

Deadlines and policies are available in the Office of Student Financial Aid and on the financial aid website. The University provides an established financial assistance program designed to best meet the needs of Chicago State University students. Assistance is available to eligible students in the form of scholarships, grants, assistantships, student employment and loans. All students wishing to be considered for financial assistance must complete the FAFSA (Free Application for Federal Student Aid).

To be eligible for Federal Grants

Students must be enrolled in a program leading to a degree/certificate, to be eligible for Federal Pell Grants, Federal Supplemental Educational Grants, Federal College Work-Study, Federal Stafford Loans, and the Federal Perkins Loan.

Special students (at-large, conditionally admitted graduate students, or students enrolled in contract courses) are not eligible for state or federal financial assistance. Generally, students must be enrolled for at least half-time, to be eligible for assistance from these programs.

Undergraduate students must be enrolled for at least seven hours, to be considered three-quarter time, and nine or more hours in order to be considered full time. Six hours is considered full time for master's and doctoral candidates; three hours part-time. A change in enrollment status (hours enrolled and/or grade level) that occurs after a financial aid recipient's original registration must be reported immediately, in writing, to the Office of Student Financial Aid. Failure to report changes in enrollment status may result in overpayment, cancellation of benefits, and jeopardize future eligibility for student financial assistance.

Students selected for verification by the U.S. Department of Education or the University will be required to provide requested documentation before their financial aid awards can be processed.

Review your financial aid status anytime

Students may review their financial aid status at any time on the CSU X-press website. This website provides students with information relating to the amount of their financial aid awards, if any, as well as, any requirements that they might need to fulfill, such as, but not limited to, submitting verification documents, tax forms, SAP (Satisfactory Academic Progress) petitions, etc., before their financial aid package may be finalized.

The Office of Student Financial Aid no longer mails document tracking and award letters to continuing students. Instead, students are notified via e-mail that there is “activity” on their financial aid accounts and that they should go to the CSU X-press website to review their status. All continuing CSU students have been assigned an e-mail account. It is every student’s responsibility to access his/her e-mail periodically and to review any communication from the Office of Student Financial Aid.

Financial Aid Waivers: A limited number of “temporary financial aid waivers” may be issued to students who have submitted all accurate financial aid documentation: an accurate and signed Student Aid Report, income documentation, and additional documentation requested by the Office of Student Financial Aid prior to the academic term. Waivers are issued through the Office of Student Financial Aid and are contingent upon pending financial aid, enrollment status, and academic progress standards. Students are responsible for payment if funds are not received due to program limitations.

Student Financial Aid Satisfactory Academic Progress

Policy and Procedures

Federal and state regulations require Chicago State University to establish and implement a “Satisfactory Academic Progress (SAP) Policy” for students. Chicago State University’s SAP Policy measures whether eligible undergraduate/graduate students are progressing at a reasonable rate toward the completion of their educational objectives. Students must comply with this policy to maintain their continued financial aid eligibility. Copies of the current SAP policy are available for students in the Office of Student Financial Aid. The document is also available for review in both the undergraduate and graduate catalog, as well as on the Chicago State University website.

Mitigating Circumstances/Appeal Process

Students who fail to make satisfactory academic progress may petition for reinstatement of their eligibility to the Financial Aid Appeals Board. The student must document mitigating circumstances, such as injury, illness, family death or other emergencies. Students appealing for reinstatement of their financial aid eligibility will be required to seek assistance through academic support services offered by the university. Students whose appeals are denied will be required to sit out financial aid for one semester.

In that semester they must:

- fulfill stipulations of a new contract and
- attain a minimum semester G.P.A. as specified; and
- successfully meet requirements of the quantitative measure.

Students who have fulfilled all of the above requirements can apply for probationary financial aid status. If granted, they must spend a semester on financial aid probation. To exit this probation, they must fulfill requirements specified under “Exiting Probation.” Students who are terminated from financial aid eligibility and subsequently reinstated are considered to be in probationary status.

NOTE: The Satisfactory Academic Progress Policy is subject to change

without notice. The Office of Student Financial Aid will make every attempt to provide students with timely notice regarding their satisfactory academic progress status. However, it is every student’s responsibility to read the policy and monitor his/her own progress.

ISAC Monetary Award Program

ISAC does not award MAP for the summer semester.

Student Loans

The Federal Stafford Loan program limits, if combined, cannot exceed the established limits and cost of attendance. During the 2009-2010 year a student may be eligible to borrow a Federal Stafford Loan based on the following limits:

	<i>Subsidized.....</i>	<i>Unsubsidized</i>
Freshman	\$3,500	\$6,000
Sophomore.....	\$4,500	\$6,000
Junior	\$5,500	\$7,000
Senior.....	\$5,500	\$7,000
Fifth Year	\$5,500	\$7,000
Certification.....	\$5,500	\$7,000
Certificate	\$5,500	\$5,000
Master’s/Doctorate	\$8,500	\$12,000

You will only be eligible to borrow one loan for one academic year. For example: If you borrow \$3,500 through a subsidized Stafford Loan as a freshman, you will not be allowed a subsequent loan until you advance to the sophomore level. To obtain a loan, a student must complete a CSU Federal Stafford Loan request form. This form may be downloaded from the financial aid website. Go to www.csu.edu, click “Financial Aid” and then click “Apply for Loans.” Downloaded forms must be completed and submitted to the Office of Student Financial Aid, ADM 207.

June 11, 2010 is the last day that the Office of Student Financial Aid will accept loan applications for the Summer 2010 semester.

Financial Aid Refund/Repayment Policy

If a student who receives any federal and/or state student financial assistance completely withdraws prior to the end of an academic term in which s/he receives federal/state aid, federal regulations require CSU to prorate or reduce the award(s) received, according to the actual number of calendar days in which the student was enrolled. Funds to which the student was not entitled, due to the proration calculation, must be returned to the federal/state award program(s). If a student’s charges exceed the prorated awards remaining on her/his account, a balance will be owed to the university. If a student receives a disbursement check prior to obtaining a complete withdrawal-or uses some of the awarded funds for a book voucher-based upon the proration, s/he will be required to repay a portion or all of such funds to the University and/or the award program(s). Before initiating a complete withdrawal, contact the Office of Student Financial Aid at 773-995-2304 for a complete explanation.

Timeline dates will be posted in the Office of Student Financial Aid for recipients of the basic state and federal financial aid programs. Timeline dates do not apply to recipients of other aid that may be based on academic performance, pursuit of a specific

program/degree, etc., or aid from private sources.

Debt Management

Students who receive federal family education loans are required to complete Debt Management Loan Counseling prior to receiving a disbursement and an Exit Interview when they drop to less than halftime enrollment, completely withdraw or graduate from the institution. Students must complete both of these requirements online at the financial aid website. Go to www.csu.edu, click "Financial Aid" and then "Loan Counseling." Follow the instructions on the screen.

Federal Work-Study / Student State Aid Employment

Funding is not available for the summer semester.

Veterans Affairs Office

Students receiving veterans benefits are required to adhere to the University's academic standing policies as outlined in the University's catalog. A change in enrollment status that occurs after the veteran's status has been certified must be immediately reported to the Veterans Affairs Office which is located in the Office of Student Financial Aid, ADM 207. Failure to report changes in enrollment status may result in overpayments. An unapproved change of program may cause termination of future benefits.

Financial Aid Website, Email and CSU

All information provided in this student financial aid section is subject to change. Any such changes and/or modifications will be reflected on the Office of Student Financial Aid website. It is the responsibility of all students to stay informed about issues that may affect their financial aid eligibility by regularly monitoring email correspondence from the Office of Student Financial Aid and accessing the Office of Student Financial Aid Web site and CSU X-press.

ORAL ENGLISH PROFICIENCY Student Complaint Procedures

Approved September, 1991

Illinois statute requires each public institution of higher education to "establish a program to assess the oral English language proficiency of all persons providing classroom instruction to students," and to "ensure that each person who is not orally proficient in the English language attain such proficiency prior to providing any classroom instruction to students."

Students with complaints about the oral English proficiency of Chicago State faculty should first contact the chairperson of the department involved. The complaint must be in writing and should be as specific as possible. Copies of the complaint must be sent to the appropriate college dean and to the provost/vice president for academic affairs.

The chairperson will investigate the complaint and may observe the class. If the chairperson concludes that the faculty member's English is adequate, the chairperson will notify the student, the faculty member, the dean, and the provost/vice president for academic affairs. The student may appeal the chairperson's decision to the dean. The dean will then investigate the complaint and follow the same notification procedure. The decision of the dean will be final.

If the chairperson or the dean finds that the faculty member's oral English is unsatisfactory, he or she will make a recommendation to the provost/vice president for academic affairs. The provost will take action on this recommendation and notify all parties involved of his or her decision.

Except for the necessary notifications, the identities of all students and faculty involved in oral English proficiency complaints shall remain confidential.
