Tips for a Successful Web Registration

- Check your registration status for your registration date.
- If you have all the course reference numbers (CRN) for your courses, click on 'Add/Drop Classes' even if this is the first time you are registering for the selected term. The system considers each class an "add" even if it is the first class registered for the term.
- You must click on "submit classes" to secure your selections.
- Scroll down to the bottom of the screen to check for registration errors. Your schedule is not final until you have corrected all registration errors.
- You are advised to print your final schedule.
- **Changes to course information may be made after the Class Schedule Bulletin is published. Check CSU X-Press for the most up-to-date course information.**

Personal Access Code (PAC)

Your first access to the secure area login requires your User ID (your University identification number, UID) and your Personal Access Code (PAC), which is your birth date in the format of MMDDYY. *Example:* May 7, 1950 will be 050750.

The system is programmed to request you to immediately change your (PAC) on your first entry. Your new PAC must be six (6) characters and can be letters, numerals or a combination. Examples: AZ1234 or 135790 or KLMNOP.

You will be prompted to create a security question and answer upon your first entry. If you forget your PAC, click the "Forgot PAC" button. Keep your PAC confidential and change it if you believe it has been compromised.

Registration Advising Personal Identification Number, PIN (RAP)

To register online, you must have a current registration advising PIN (RAP). Degree seeking students (undergraduate and graduate) will receive a RAP from their academic advisors during the advisement session. New RAPs are assigned each term and expire at the end of the regular registration period. At-large students will not need a RAP to register online.

After you have been admitted, you must be advised. Your advisor will provide you with your Summer 2012 RAP (registration advising PIN) to access the CSU X-Press web registration system.

Returning Students

Undergraduates who have not attended since the Summer 2010 and who were in good standing their last term must file an application for readmission in the Office of the Registrar, ADM 128. Undergraduates must submit transcripts covering all college courses completed since withdrawal from Chicago State University.

Undergraduate students who were dropped from the University, or who were not in good academic standing at the time of withdrawal, should submit to the Office of the Registrar, an academic petition form for reinstatement. Graduate students who have exceeded the time limit for completing the degree must petition the Council of Graduate and Professional Studies at CSU for reentry into their program. The Council of Graduate and Professional Studies normally meets the second Tuesday of each month.

You must be advised before you register. Your advisor will give you a Summer RAP (registration advising PIN) for use with the CSU X-Press web registration. See the Quick Reference Guide for a list of departments.

Summer Students-at-Large

A student who has not been admitted to degree status at CSU may enroll for summer session courses on a non-degree basis as a summer at-large student. All College of Education requirements for entry to teacher certification sequences must be met and appropriate departmental signatures obtained prior to enrolling in certification courses.

UNIVERSITY EMPLOYEES

Civil Service Staff

If you are a civil service employee enrolled in an undergraduate program, and intend to pay for tuition with a Civil Service Waiver, please be informed that you may be eligible for financial aid. Please complete and submit a Free Application

for Federal Student Aid to the U.S. Department of Education, and complete the financial aid application process. To take tuition-free courses, the application for civil service employee education benefits must be completed, approved by your supervisor, and sent to the Office of Human Resources, ADM 203 prior to the start of the term. Applications are available in ADM 203.

Civil service employees are under the same academic regulations as other students at the university. All university employees not possessing a bachelor's degree are limited to a maximum of thirty (30) semester hours of course work prior to their formal admission to the university.

Faculty and Administrators

To take tuition-free courses, employees must receive written approval from their chairperson or supervisor and college dean, where appropriate, indicating the course(s) for enrollment. The written approval then must be submitted to the Office of the Provost, ADM 306. All University employees are subject to the rules and regulations set forth by Chicago State University regarding education benefits for employees.

Tuition Waiver Applicants

Eligible employees and cooperating teachers requesting tuition waivers must present applications to the Office of Financial Aid, ADM 207, with all appropriate signatures by September 15, for the fall term, January 30 for the spring term and by the first day of classes for any intersession or summer session in which the waiver is presented and the individual enrolls.

All waivers are for the term in which the course is taken, which means waiver applications are to be submitted each term. Waivers do not cover past due bills and will not be accepted after the deadline date.

Advisement

All degree seeking students are **REQUIRED** to be advised prior to their registration. Advisors will give a RAP to a student after the advisement session.

Special undergraduate students-at-large (USAL) do not need advisement and are eligible to register through the CSU X-Press web registration system without a registration advising PIN (RAP).

Summer undergraduate students at-large (USUM) do not need advisement and are eligible to register through the CSU X-Press web registration system without a registration advising PIN (RAP).

Master's degree candidates and graduate certificate students must be advised by the department supervising the program to which they have been admitted. RAP numbers are distributed by graduate advisors.

Graduate at-large students (GSAL, GSUM) do not need advisement and are eligible to register through the CSU X-Press web registration system without a RAP. However, special permission is required for at-large students to enroll in any 5000-level or higher graduate course. Students registering online must obtain academic departmental approval prior to attempting to register for these or any other restricted course.

Students should not attempt to register for two different sessions of the same

course. If additional work is desired in a variable credit course, students should talk with the department chairperson.

Students should note that the time for advisement is not during registration. To speed up your registration, have your schedule prepared with alternative courses to take if certain courses are closed.

Student Registration Responsibility

It is the responsibility of each student to provide the proper course reference number on all registration transactions. A student should only register for advised courses. Abuse of the web registration system may result in your courses being dropped by request of the department chairperson or the instructor of the course.

You are responsible for making a payment and obtaining a receipt for payment on your account by the published date, and at the time of registration and before payment due dates, even if your account is being paid through a grant, scholarship, loan or another party.

If an admitted student presents unofficial transcripts as a basis for advising, the student is responsible for any consequences related to course selection, registration and academic progress based upon the unofficial transcripts.

University Holds

Students with financial or certain academic holds may not register until a release is processed by the department that initiated the hold. Clear your hold(s) before your scheduled registration date.

Academic Regulations

Academic Progression Policy

A student who has not successfully completed the academic skills requirements will have hold(s) placed on his/her record that will remain until the specified requirements have been met.

Academic Skills Courses & Placement Assessment

Freshmen: Once accepted for admission to Chicago State University, all freshmen must take the University diagnostic examinations in English, mathematics, and reading by the end of their first term in residence. All freshmen must either meet the minimal requirements of the University diagnostic examinations or pass the appropriate academic skills course, namely English 1230, Reading 1500, or Math 0990. To exit from these courses, students must pass the appropriate examination.

Transfer students who have not completed an associate's degree (A.A. degree or A.S. degree) must take proficiency examinations in English and reading. Transfer students who transfer general

education math courses with a C or better and whose majors do not require additional mathematics courses do not have to take the proficiency examination in mathematics. Transfer students who do not transfer in general education math or who are required by their majors to take more math must take the proficiency examinations in mathematics.

Transfer students who have earned an associates degree (A.A. degree or A.S. degree) or who have completed sixty (60) hours or more from a combination of two-year and four-year institutions, who have completed the Illinois General Education Core, are not required to take the proficiency examinations in English, reading or math unless they are required as a prerequisite for other courses.

Questions about courses, examinations, or preparation materials should be addressed to the appropriate area:

Mathematics	Dr. K. Attele	HWH 332	x2102
English	Dr. R. Chierico	HWH 301A	x2350
Reading	Dr. N. Grim	ED 319	x3988

Cancelled Classes

The University reserves the right to limit the size of classes and to cancel classes for which there is insufficient enrollment. If the class for which you are registered is cancelled, you will automatically be dropped from the class. If you do not register for an alternative class, a tuition refund will be processed to your account according to the refund policy.

Students receiving financial aid benefits may wish to consult with their financial aid counselor concerning any award implications.

You may call the Summer Information Hotline at 773-821-2888 the Friday prior to the start date of your course for a current course cancellation list. You may also view a list of course cancellations and changes on the Addendum to the Class Schedule Bulletin at www.csu.edu/coursebulletin/.

Class Attendance

Students are expected to attend all class sessions in the course sections for which they are registered unless prevented by illness, an official university activity, or other urgent and unavoidable reasons. The responsibility for maintaining class attendance records rests with each faculty member. Students are expected to consult with instructors to complete class work and all assignments when classes are missed.

Students who do not attend the first week of a course will be dropped for non-attendance. The detailed University policy on class attendance is located in the University catalog. If you stop attending a class, but fail to withdraw officially from the class before the official drop date, the result may be a failing grade. Although an instructor may drop a student for nonattendance, it is ultimately the student's responsibility to drop the class.

If you are registered for a class, and your name does not appear on the official preliminary and subsequent class rosters, it is your responsibility to contact the Office of Records and Registration.

Students should not attend classes that they are not officially registered for.

Prerequisites (+)

Degree Seeking Students

Prerequisites are listed in the University catalog (print and online versions) or on CSU X-Press. A degree-seeking student should not attempt to register for a course unless the prerequisite for the course has been completed. Please consult with your academic advisor about prerequisites for your courses.

Summer Visiting Students

Chicago State University will allow visiting, non-degree-seeking summer students who are regularly enrolled at another college or university to enroll in courses via the University's online registration system, CSU X-Press. All other non-degree, at-large students (graduate and undergraduate) must meet all course prerequisites and requirements.

Some professional programs, such as social work, health sciences and education, have restricted course access, which will prevent online registration. Non-degree seeking, summer only students can register for all other courses online. Enrollment in courses in the College of Education listed with a prerequisite of "Admitted to the College of Education" is strictly enforced. If students are interested in taking a course in a restricted program, they must contact that department. For departmental office telephone numbers, consult the Quick Reference Guide in this bulletin.

For at-large students who decide to matriculate at Chicago State University, all regular course, program and degree prerequisites as well as entrance and degree completion requirements must be met. Refer to the university on-line catalog for more information about courses and degree programs.

Please note that certain financial aid programs may not cover tuition toward repeated courses. Students should contact their financial aid advisor when attempting to repeat a course to determine eligibility.

Withdrawal from the University

Students can drop courses on CSU X-Press during the refund period. After this date, the student must use the drop/withdrawal form, have an advisor sign it, and then submit the form to the Office of the Registrar, ADM 128. Based upon a directive from the Department of Education, effective Spring 2004, the following grades will be implemented to reflect student attendance: WA and WN.

Instructors must post the grade of WA for students who attended at least one session and stopped attending, and WN for students who never attended any sessions. It is extremely important that instructors closely monitor the attendance of all students in their classes.

Four-Year Guaranteed Tuition Plan

The "Truth in Tuition" bill mandates that Illinois public universities provide four years of level tuition for new students enrolling for the first time beginning with the Fall 2004-2005 academic year. Undergraduate and transfer students enrolling at CSU for the first time after Fall 2004 and students who enroll for the first time every semester beginning Fall 2004-2005 and thereafter will maintain the same tuition rate for four consecutive years, or until the student reaches 120 credit hours. The hours will be extended to accommodate any majors or programs that exceed the 120 hours or four years. The guaranteed rate will remain in effect, except in the event of a break in enrollment of more than one year (two semesters, excluding summer school). In no case will the initial guaranteed rate be valid beyond five years of total enrollment. A tuition surcharge of 10% will be assessed for students who extend beyond the four-year guarantee period (120 credit hours) or five years of total enrollment. For all other students, CSU's current tuition program will remain in effect.

NOTE: A change in major will not affect the guaranteed rate. That rate will continue for the number of credit hours necessary to complete the new major, not to exceed five years of total enrollment. Beyond five years of total enrollment, a 10% surcharge will be assessed.

Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis through the student appeal process.

Transfer student rates will be guaranteed based upon 120 credit hours less the number of credits transferred at the time of first enrollment. All extensions and exceptions that apply to new freshmen will be extended to new transfer students.

Credit hour pricing / Beginning with the Fall 2004-2005 academic year, tuition and mandatory fees will be charged on a per credit hour basis up to 15 hours. This 15-credit hour cap will allow students to complete 120 credit hours in eight semesters or four years. Credit hours exceeding 15 will be charged at the rate for 15 credit hours.

Out-of-state undergraduate tuition / Undergraduate out-of-state (non-Illinois resident) per credit hour tuition is twice the resident per credit hour tuition. The Four Year Guaranteed Tuition Plan is extended to all undergraduate out-of-state new freshmen and transfer students.

Out-of-state graduate tuition rates / Graduate out-of-state (non-Illinois resident) per credit hour tuition is twice the resident per credit hour tuition.

Effective Fall 2010, newly admitted students whose state of permanent residence is Indiana, Iowa, Kentucky, Missouri or Wisconsin are extended in-state tuition rates at Chicago State University.

- On-Campus: (Total number of credit hours you are taking) X (tuition per credit hours) + (fees applicable to your total credit hours) = Your tuition.
- Off-Campus: (Total number of credit hours you are taking) X (tuition per credit hours) = Your tuition.

Tuition Management Installment Plan: Chicago State University offers an interest-free monthly payment plan to distribute your education expenses over time instead of one large payment. To enroll, call 800-722-4867 (TMS/ 24 hours a day), or visit www.afford.com. Students using the installment payment option are required to make an initial payment by the payment deadline date or upon registration or by the payment deadline date (see page 4). Remember your **initial deposit** must go to Chicago State or your registration will be cancelled. The enrollment fee for using the installment plan varies according to the number of payments in your plan. Whether or not you are on the installment plan with TMS, you will still pay the deferred fee amount if tuition is not paid in full at the time of registration. The deferred fee is non-refundable.

Student Health Insurance

CRSU 247 • 773-995-4533

Mandatory Health Insurance Program

Chicago State University requires full-time students to have Injury and Sickness Health Insurance. The university offers a health insurance plan underwritten by United Healthcare Insurance Company, and automatically charges the tuition accounts of all students who enroll full-time for the plan. The fee is applied to students enrolled in all on-campus courses or a combination of on-campus courses plus off-campus (Extension and/or WEB) courses. Students enrolled in all WEB courses are not charged for the insurance plan.

Students generally do not enroll full time during summer semesters, therefore, the university does not automatically charge students' accounts during summer terms for the mandatory insurance plan.

Students Eligible for Summer-Only Enrollment

During summer terms, students eligible to enroll into the health insurance plan provided through the university would be students carrying at least 6 credit hours who: (a) did not attend CSU in the previous spring semester; (b) were enrolled during the previous spring semester but were not covered by the university plan; (c) are residents of another university but attending CSU for the summer; and (d) are attending CSU for the first time.

Summer Waiver/Enrollment Period

The Summer 2012 enrollment/waiver deadline is July 20, 2012.

Period of Coverage

The coverage period for students enrolled in the plan provided through the university for Summer 2012 only will be May 22, 2012 through August 18, 2012.

Cost

The cost of the insurance health plan for students who choose to enroll for Summer 2012 only is \$246.

Full-Time Students

Students who enroll full-time for the summer and wish to purchase the insurance plan may have their tuition accounts charged and enroll into the plan through the university. Please contact the Office of Student Health Insurance in CRSU, Room 268-O or call us at 773-995-4533 for assistance.

Full-time students insured by the university plan during the spring semester receive a bonus and are insured for the following summer semester, as well.

All full-time international students must be enrolled into the plan on a mandatory basis.

Waiver Requirements

If you think your account has been charged for insurance and you have health insurance, you may waive the charge by showing proof of insurance in your name. Such proof would include your insurance card with your name on it, a letter from the insurance company naming you as a client, or a listing from your account on your insurance web site delineating the names of all the individuals covered under your policy. For assistance, contact the Office of Student Health Insurance in the Cordell Reed Student Union, Room 268-O, or call us at (773) 995-4533.

Part-Time Students

Students enrolled for the summer in at least 6 credit hours are eligible to enroll in the insurance plan on a voluntary basis. You will need to enroll directly with United Healthcare by going online at www.uhcsr.com. Click onto the "Find My School's Plan/Buy Insurance" link and follow the instructions. For assistance, you may visit the Office of Student Health Insurance in CRSU, Room 268-O, or call us at 773-995-4533. The voluntary enrollment deadline is July 20, 2012.

Dependents, Spouses and Domestic Partners

Full-time and part-time students who are insured through the United Healthcare insurance plan provided through the university are invited to enroll their spouses, domestic partners, and eligible dependents in the insurance plan on a voluntary basis.

To enroll spouses, domestic partners, and dependents, go to <http://www.uhcsr.com>. Click onto the "Find My School's Plan/Buy Insurance" link and follow the instructions. If you need assistance, visit the Office of Student Health Insurance, CRSU Room 268-O, or call us at 773-995-4533. The voluntary enrollment deadline is July 20, 2012.

Student Financial Aid

ADM 207 • 773-995-2304

Deadlines and policies are available in the Office of Student Financial Aid and on the financial aid website. The University provides an established financial assistance program designed to best meet the needs of Chicago State University students. Assistance is available to eligible students in the form of scholarships, grants, assistantships, student employment and loans. All students wishing to be considered for financial assistance must complete the FAFSA (Free Application for Federal Student Aid).

To be eligible for Federal Grants

Students must be enrolled in a program leading to a degree/certificate to be eligible for Federal Pell Grants, Federal College Work-Study, Federal Stafford Loans and Federal Perkins Loans.

Special students (at-large, conditionally admitted graduate students, or students enrolled in contract courses) are not eligible for state or federal financial assistance. Generally, students must be enrolled for at least half-time to be eligible for assistance from these programs.

Undergraduate students must be enrolled for at least nine hours to be considered three-quarter time, and twelve or more hours in order to be considered full time. Six hours is considered full time for master's and doctoral candidates; three hours half-time. A change in enrollment status (hours enrolled and/or grade level) that occurs after a financial aid recipient's original registration must be reported immediately, in writing, to the Office of Student Financial Aid. Failure to report changes in enrollment status may result in overpayment, cancellation of benefits, and jeopardize future eligibility for student financial assistance.

Students selected for verification by the U.S. Department of Education or the University will be required to provide requested documentation before their financial aid awards can be processed.

Review your financial aid status anytime

Students may review their financial aid status at any time on the CSU X-Press website. This website provides students with information relating to the amount of their financial aid awards, if any, as well as, any requirements that they might need to fulfill, such as, but not limited to, submitting verification documents, tax forms, SAP (Satisfactory Academic Progress) petitions, etc., before their financial aid package may be finalized.

The Office of Student Financial Aid no longer mails document tracking and award letters to continuing students. Instead, students are notified via e-mail that there is "activity" on their financial aid accounts and that they should go to the CSU X-Press website to review their status. All continuing CSU students have been assigned an e-mail account. It is every student's responsibility to access his/her e-mail periodically and to review any communication from the Office of Student Financial Aid.

Student Financial Aid Satisfactory Academic Progress Policy and Procedures

Federal and state regulations require Chicago State University to establish and implement a "Satisfactory Academic Progress (SAP) Policy" for undergraduate/graduate/professional students. Chicago State University's SAP Policy(s) measures whether students are progressing at a reasonable rate toward the completion of their educational objectives. Students must comply with the applicable SAP policy to maintain their continued financial aid (including loans) eligibility. Copies of the current SAP policy are available for students in the Office of Student Financial Aid. They are also available for review in both the undergraduate and graduate catalogs, as well as on the Chicago State University financial aid website.

Mitigating Circumstances/Appeal Process

NOTE: The Satisfactory Academic Progress Policy(s) is subject to change without notice. The Office of Student Financial Aid will make every attempt to provide students with timely notice regarding their satisfactory academic progress status. However, it is every student's responsibility to read the policy and monitor his/her own progress.

Student Loans

The Federal Stafford Loan program limits, if combined, cannot exceed the established limits and cost of attendance. A student may be eligible to borrow a Federal Stafford Loan based on the following limits:

	<i>Subsidized</i>	<i>Unsubsidized</i>
Freshman	\$3,500	\$6,000
Sophomore.....	\$4,500	\$6,000
Junior	\$5,500	\$7,000
Senior.....	\$5,500	\$7,000
Fifth Year	\$5,500	\$7,000
Certification.....	\$5,500	\$7,000
Certificate	\$5,500	\$5,000
Master's/Doctorate	\$8,500	\$12,000

You will only be eligible to borrow one loan for one academic year. For example: If you borrow \$3,500 through a subsidized Stafford Loan as a freshman, you will not be allowed a subsequent loan until you advance to the sophomore level.

The deadline to accept "Offered" loans, or submit requests for loan revisions to the Office of Student Financial Aid, as well as all other procedures for obtaining a loan for the Summer 2012 term, is published on the Office of Student Financial Aid website at www.csu.edu/financialaid/.

Financial Aid Refund/Repayment Policy

If a student who receives any federal and/or state student financial assistance completely withdraws prior to the end of an academic term in which s/he receives federal/state aid, federal regulations require CSU to prorate or reduce the award(s) received, according to the actual number of calendar days in which the student was enrolled. Funds to which the student was not entitled, due to the proration calculation, must be returned to the federal/state award program(s). This is Return of Title IV. If a student's charges exceed the prorated awards remaining on her/his account, a balance will be owed to the university. If a student receives a disbursement check prior to obtaining a complete withdrawal or uses some of the awarded funds for a book voucher-based upon the proration, s/he will be required to repay a portion or all of such funds to the University and/or the award program(s). Before initiating a complete withdrawal, contact the Office of Student Financial Aid at 773-995-2304 for a complete explanation.

Timeline dates will be posted in the Office of Student Financial Aid for recipients of the basic state and federal financial aid programs. Timeline dates do not apply to recipients of other aid that may be based on academic performance, pursuit of a specific program/degree, etc., or aid from private sources.

Loan Counseling

Students who receive loans are required to complete Entrance Counseling prior to receiving a disbursement and Exit Counseling when they graduate, drop to less than half-time enrollment, or completely withdraw from the University. Online Entrance Counseling and Exit Counseling may be accessed through StudentLoans.gov web site.

Federal Work-Study / Student State Aid Employment

A limited number of positions are available throughout the university through the federal work-study and state aid funded student employment programs. Students with exceptional need are awarded FWS/SA eligibility and given the opportunity to be employed. Students wishing consideration for student employment should indicate their interest on the FAFSA. Rates of pay vary, depending upon the type of work and the level of responsibility. A student must be paid at least the minimum wage. Students are responsible for monitoring the time/hours they work so that they will not exceed their award balance.

Veterans Affairs Office

Students receiving veterans benefits are required to adhere to the University's academic standing policies as outlined in the University's catalog. A change in enrollment status that occurs after the veteran's status has been certified must be immediately reported to the Veterans Affairs Office which is located in the Office of Student Financial Aid, ADM 207. Failure to report changes in enrollment status may result in overpayments. An unapproved change of program may cause termination of future benefits.

Financial Aid Website, Email and CSU X-Press

All information provided in this student financial aid section is subject to change. Any such changes and/or modifications will be reflected on the Office of Student Financial Aid website. It is the responsibility of all students to stay informed about issues that may affect their financial aid eligibility by regularly monitoring email correspondence from the Office of Student Financial Aid and accessing the Office of Student Financial Aid website and CSU X-Press.

ORAL ENGLISH PROFICIENCY Student Complaint Procedures

Approved September, 1991

Illinois statute requires each public institution of higher education to "establish a program to assess the oral English language proficiency of all persons providing classroom instruction to students," and to "ensure that each person who is not orally proficient in the English language attain such proficiency prior to providing any classroom instruction to students."

Students with complaints about the oral English proficiency of Chicago State faculty should first contact the chairperson of the department involved. The complaint must be in writing and should be as specific as possible. Copies of the complaint must be sent to the appropriate college dean and to the provost/vice president for academic affairs.

The chairperson will investigate the complaint and may observe the class. If the chairperson concludes that the faculty member's English is adequate, the chairperson will notify the student, the faculty member, the dean, and the provost/vice president for academic affairs. The student may appeal the chairperson's decision to the dean. The dean will then investigate the complaint and follow the same notification procedure. The decision of the dean will be final.

If the chairperson or the dean finds that the faculty member's oral English is unsatisfactory, he or she will make a recommendation to the provost/vice president for academic affairs. The provost will take action on this recommendation and notify all parties involved of his or her decision.

Except for the necessary notifications, the identities of all students and faculty involved in oral English proficiency complaints shall remain confidential.
