Re: Selective Service

I am a female and therefore not required to register with Selective Service.

I am requesting your office, upon receipt of this document, to make the necessary amendment to my SAR. I understand that every time an amendment is made to a SAR there is a one in three chance (approx.) that it will cause the SAR to be selected for Verification (if this has not already occurred) by the U.S. Department of Education (USDE). I acknowledge that I understand that I must monitor the adjustment to my SAR by reviewing the amended copy of the SAR the USDE will send me, as well as review my status on *CSU X-Press* once the amendment has been processed.
