Assurance: <p>The undersigned assures that protocols involving human subjects described in this application are complete and accurate, and are consistent with applicable protocols submitted to any external funding agencies. All protocol activities will be performed in accordance with Chicago State University institutional guidelines and any applicable State and Federal regulations. Research conducted by CSU researchers falls under the purview of the University even when conducted elsewhere. Research at international sites must receive approval by the local equivalent of the IRB. The CSU IRB requires documentation of this “local approval” before they can receive IRB approval. <u>No activities involving the use of human subjects can be initiated without prior review and approval by the Chicago State University Institutional Review Board.</u></p>
