

FREE Graduate Record Exam (GRE) Prep Sessions ***October 17 and October 24***

When: Saturday, October 17 noon - 4 pm and
Saturday, October 24 noon - 4 pm
Where: SCI-102

Students interested in taking the GRE should come to BOTH sessions.

Overview

The purpose of these sessions is to assist Science majors in preparing for the Graduate Record Exam (the GRE), and in preparing applications for graduate school. These sessions are free, but each student will have to pay for their own GRE Exam when they choose to take it.

General Information on the GRE

- The **General GRE Exam** (consists of verbal, mathematical, written sections) is required by most graduate programs in America.
- Cost of the **General GRE Exam** - \$150

What you will receive from the sessions

- Skills to significantly increase your GRE score.
- Information about the different sections of the GRE.
- A CD with practice materials for the GRE.

Who is eligible to take this free class?

- Current or former CSU Undergraduates.

If you are interested in attending, email Dr. Kanis (dkanis@csu.edu) or stop by SCI-309.
