Please Read Carefully**

I, \_\_\_\_\_, parent/guardian of \_\_\_\_\_ (participant name) wish for my child to participate in the Chicago State University (herein after CSU) **SUMMER COLLEGE** Program. My child will participate in various academic seminars, small group activities, lectures, hands-on projects and various field trips, including but not limited to, health professional schools, hospitals, clinics and health industries. You and/or your child may be contacted in the future to provide us your child's GPA and related academic information. This is to determine the academic progress of your child and provide support.

If at any time my child's participation in the program is deemed detrimental to the program or its other participants, as determined by the discretion of program staff, I understand that he/she may be expelled from the program without CSU, or related affiliates, incurring any liability.

I authorize my child's participation in media related activities associated with their involvement in **SUMMER COLLEGE**. I hereby consent to have my child photographed, video/audio taped and/or interviewed by CSU program staff, sponsors or news media while program is in session or under supervision of participating entities. I agree to hold harmless CSU (including, but not limited to, it's trustees, employees, students acting as employees and representatives) from any and all demands, claims, actions, complaints, suits or other forms of liability that shall arise out of or by reason of, or caused by the use of my child on television, radio, motion pictures or in print medium. It is further understood that I do agree that NO MONIES or other considerations IN ANY FORM, including reimbursement for any expenses incurred by me or my child, will become due to me, my child, our heirs, agents or assigns at any time because of my child's participation in any or above said activities.

I am fully informed or otherwise aware of, and fully assume, all risk to person and property in connection with my child's participation in the CSU **SUMMER COLLEGE** Program, including but not limited to property damage and loss, bodily injuries, sickness, disease and death. My child is in sufficient physical and mental health to participate in the program and does not have any physical or mental conditions, which could affect my child's ability to participate in the program. I have medical insurance coverage appropriate for my child's participation in the program and have provided emergency contact information with my child's application.

I understand that if my child requires medical treatment while participating in the program, an attempt will be made to notify me. In the event that I cannot be reached, I consent to such treatment for the child as may be deemed necessary under the circumstances, including, but not limited to, x-ray, examinations, surgery and anesthesia.

In return for my child's participation in the **SUMMER COLLEGE** Program, I fully and forever RELEASE, WAIVE, DISCHARGE and COVENANT NOT TO SUE, Chicago State University (including, but not limited to, it's trustees, employees, students acting as employees and representatives) from any and all demands, claims, actions, losses, liabilities, costs and expenses (including, but not limited to, court costs and attorney fees) from any causes whatsoever (including, but not limited to, travel delays, property damage and loss, bodily injuries, sickness, disease and death) directly or indirectly arising in connection with my child participation in the program, whether or not foreseeable or contributed to by the negligent acts or omissions of Chicago State University or others.

This agreement may not be modified, assigned or transferred. This agreement shall be governed by the laws of the State of Illinois. In the event any provision of this agreement is held enforceable, this will not affect any other provision and this agreement shall be construed as if the enforceable provision had not been incorporated in this document.
