

About the Program

The Business Education Program prepares professionals to teach business related subjects in middle, junior high and secondary schools.. The program qualifies candidates for the Type 09 Illinois High School Certificate in Business, Marketing, and Computer Education for Grades 6-12. It is approved by the Illinois State Board of Education (ISBE) and meets standards sets forth by ISBE for Business, Marketing and Computer Education. In addition, the program is aligning its operations with guidelines set forth by the National Association of Business Teacher Education (NABTE). Included among the subject that Business Education Teachers teach are Information Technology, Accounting, Keyboarding, Computer Technology, Word Processing, Sales and Entrepreneurship.
