A. Board of Trustees

The Board of Trustees of Chicago State University (hereinafter the “Board”) is a body corporate, politic as well as an arm and agency of the State of Illinois created and authorized by the Illinois General Assembly pursuant to the Chicago State University Law, 110 ILCS 660/5-1 et seq, to operate, manage, control, and maintain Chicago State University (hereinafter the “University” or “CSU”) consistent with the laws of the State of Illinois.

The Board of Trustees is charged by law with full responsibility for governing the University. Although the Board may properly delegate authority to its duly designated officers and agencies, it cannot divest itself of the ultimate responsibility, imposed upon it by law, of governance of the University. Accordingly, the Board expressly reserves to itself the power to act on its own initiative in all matters affecting the University, notwithstanding that such action may be in conflict or may not be in conformance with the provisions of these Governing Board Policies.

Specific powers and duties of Trustees shall include those established under the Chicago State University Law at 110 ILCS 660/5-45, as amended.

B. Compensation of Board Members: Reimbursement of Expenses, Conflicting Interests, Restrictions on Employment

Members of the Board shall serve without compensation but shall be entitled to reimbursement of reasonable amounts for expenses necessarily incurred in the performance of their duties. No member of the Board shall hold or be employed in or appointed to any office or place under the authority of the Board, nor shall any member of the Board be directly or indirectly interested in any contract made by the Board, nor shall he be an employee of the state or federal government. This section does not prohibit the student member of the Board from maintaining normal and official status as enrolled students or normal student employment at Chicago State University.

C. Board Committees

The standing committees of the Board shall be as set forth in the Bylaws.

The Board may also establish ad hoc committees consisting of voting and nonvoting Board members to perform any assigned task as provided for in the Bylaws.

D. Governing Board Policies

Governing Board Policies are general statements of policy adopted by the Board concerning the conduct and operation of the Board or the governance of the University. Procedures and policies affecting the operation of the University (“Operating Procedures”) shall be set forth in relevant manuals, for example, the Faculty Handbook and the Employee Handbook, subject to review and revision by the Office of Legal Affairs and the approval of the Board of Trustees.
E. Adoption, Amendment, or Repeal of Governing Board Policies and Operating Procedures

1. Governing Board Policies and Operating Procedures may be adopted, amended, or repealed by a majority vote of the voting membership of the Board of Trustees. Any member of the Board, or the President, may request the adoption, amendment, or repeal of a Governing Board Policy or an Operating Procedure. The Board member or President shall notify the Board Chair of such request along with a recommendation for action by the Board. The President may also make a recommendation for action by the Board on any request. Any adoption, amendment, or repeal of a Policy or Operating Procedure shall become effective when approved by the Board of Trustees or at such later time as the Board may specify.

2. Except as specified in paragraphs (4) and (5) below, the adoption, amendment, or repeal of Governing Board Policies or Operating Procedures shall occur only after a public recital of a proposal for adoption, amendment, or repeal has occurred during open session at a Board of Trustees meeting.

3. Board action on a proposal for adoption, amendment, or repeal shall not be taken before the President makes the proposal available to appropriate faculty, staff, and student groups. Up to ten days prior to the Board meeting at which action is to be taken, members of the faculty, staff, and student body may submit their views and comments in writing to the President for distribution to the Board together with the President’s recommendation for action on the proposal.

4. The Board and the President are authorized to make proposals for non-substantive amendments to Governing Board Policies and Operating Procedures, as needed, including but not limited to: Name or title changes; correcting typographical errors; cross-references; and updating citations. When such amendments are proposed, the Board may authorize action taken to make those non-substantive amendments.

5. When justified by administrative or governance timing considerations or the nature of the subject matter, proposals for adoption, amendment, or repeal of Governing Board Policies and Operating Procedures may be acted upon by the Board at the time of public recital or at such Special Meeting as the Board may convene.

6. Interpretations of Governing Board Policies and Operating Procedures shall be issued in writing by the University’s General Counsel upon request of the Board or the President.

F. Compilation of Bylaws, Governing Board Policies, and Operating Procedures

The Board Secretary or the Secretary’s designee shall maintain an official compilation of the Board’s Bylaws and Governing Board Policies and shall make them available online and by request to members of the Board. The official compilation shall also be made available on the
University’s website and in the University Library for review by interested persons. An official compilation of the University’s Operating Procedures shall also be made available online and by request for review by members of the Board, and made available on the University’s website and in the University Library for review by interested persons.

Contracts in which the University or any related entity or individual is a party shall be prepared or reviewed and approved by the Office of Legal Affairs in consultation with the University administrator best acquainted with the subject matter and in whose department rests the responsibility for performance, and shall be approved by the President or the President’s designee unless otherwise provided by Governing Board Policies, University Operating Procedures, or other action of the Board of Trustees. All contracts that fall under the following parameters shall also require prior Board approval: collective bargaining agreements, the acquisition or sale of real property; capital projects of $250,000 or more; professional service contracts in excess of $100,000; and any purchases of $250,000 or more.

If such recording is not consistent with applicable reasonable constraints, or causes a disruption to the meeting, then it shall be discontinued at the direction of the Chair or other presiding officer.

4. **Publication of Meeting Minutes.** In accordance with the provisions of Illinois law, the Board shall keep written minutes of all of its meetings, whether open or closed, and a verbatim record of all of the Board’s closed meetings in the form of an audio or video recording.
