A. Administrative and Financial Affairs Update – Mr. Alan Robertson provided an overview of the written financial reports related to revenue, expenditures, facilities and the Business Enterprise Program.

B. Budget Update – Dr. Dean Justmann informed the trustees that a 1.6 percent increase in budget had been allocated by the legislature. He noted that the University received numerous earmarks for HIV/AIDs, the Education Doctorate, Financial Outreach, a permanent library exhibit, Pharmacy Program, operating and maintenance funding for the new convocation center, and renovation funding for Douglas Hall; however, the small increase does not make up for the erosion in budget for the overall price increases since 1992. As a result, the University still faces budget austerity.
Dr. Justmann informed the trustees that the new academic library remains to be completed. There are both major and minor items that are in need of completion. *Trustees requested a written update on the status of the library at the next Board meeting.* The Convocation Center expected completion date is April 13, 2007.
