Information Items  
a. 2008 Audit Findings

Dr. Dean Justmann reported that the audits for the year ended June 30, 2008 were released by the Auditor General on May 14, 2009. Dr. Justmann stated that the material audits totaled 20 and the majority of findings are the same or similar to those in the 2007 audit. Dr. Justmann, Dr. Koroma, John Meehan as well as John Frizzell discussed in detail all of the findings presented by the auditors.

Dr. Justmann explained the improvement steps taken in FY 2009 to directly address the audit findings and made clear that material reductions will be achieved, but prior findings may remain.

Dr. Finney stated that it was important to be transparent so that the Board can address each audit finding and ensure that corrective actions have been taken in order to not have repeat findings.

b. Budget Update

Dr. Justmann stated that we will not have a budget for 2010 until the end of May. However, a capital bill has been passed by both the House and the Senate for the Governor’s signature. If signed, CSU will receive $19,500,000 to complete Douglas Hall, $5,000,000 to complete the Convocation Center, and $3,000,000 for equipment to complete the Child Care Center.

Trustee Sutton: Do we foresee any more monies coming from the legislature?

Dr. Erma Brooks Williams: I had some conversations this morning with Springfield, that possibly some monies for the Financial Outreach Center and the West Side Campus are forthcoming. It is rumored that they are looking at $50 million for the West Side Campus and operating cost of $614,000 for Pharmacy, $450,000 for the HIV Program, as well as $500,000 for the Chance Program.
Dr. Finney commented: I think it is a plus for CSU and it reflects hard work and credibility.

c. Review of Contracts
   1. Bookstore
      Attorney James Crowley stated that the bookstore needs to bid out for a new contract and that there is a request for proposal ready to go out shortly.

      Trustee Finney deemed the bookstore as a high priority and that a Special Board Meeting was necessary to move the contract forward.

   2. Thompson Hospital
      Attorney Crowley stated that this contract is in place and will expire in 2011.

      Attorney Nancy Hall-Walker explained that the original contract was dated July 1, 2001 and submitted with a resolution. The contract has an automatic renewal every 5 years unless stated 90 days prior to June 30.

   3. Student Health Insurance
      Attorney Hall-Walker stated that this contract was resubmitted because of errors.

      Dr. Rosalyn Brown explained that the Board approved the one year extension between CSU and Aetna, which would allow the Office of Student Affairs to identify alternatives that are more efficient and cost effective for the students. It is anticipated that RFP’s will occur during the summer.

   4. Boersma Travel Agency
      Mr. Nate Tindall described Boersma Travel Agency as a minority Michigan based company, which was awarded based on Illinois Public Education Cooperative bid. The contract ends August 31, 2010.
