b. Audit Update
Mr. Kenneth Clow presented the internal audit synopsis for FY 2012. He stated that a risk assessment tool will be sent out to determine some areas of concern. Mr. Clow reported that revisions were made to the FY 2011 audit plan. As a result, the revised plan includes testing of areas pertinent to some of the external audit findings as well as areas that need to be reviewed. Mr. Clow stated that the Office of Internal Audit is in the process of developing a draft audit report for review. Ms. Carla Davis presented a compliance program update.

Mr. Glenn Meeks presented an update regarding the 41 material findings of the 2010 external audit. Details of the 2010 audit can be found on the Office of the Audit General’s website. A corrective action plan for each of the 41 findings was presented. CSU has hired some external accountants to assist with the plan. Mr. Meeks commented that he feels we are already in compliance.

Mr. Derrick Collins informed the Board that the University is preparing to issue a request for proposal to contract with an independent consulting firm. The firm will assist and supplement the university in addressing three key items: (1) accelerate the process of audit findings; (2) the physical liquidity and sustainability of the university by preparing for a new type of financing in the future; and (3) assist in the development of our strategic plan and the completion of the accreditation process.
c. Textbook and Learning Material Project (TLMP) Assessment
Mr. Jerald Knox reported that the program received $493,000 for the grantor, which raises the total received to $7.8 million. He also reported that six individuals represented CSU at the Comparative International Society Conference in Montreal, Canada by conducting workshops related to the research findings, methodology and processes of the TLMP program. Mr. Knox stated that currently four members of the CSU staff are in Ghana participating in the teacher training part of the program where they are training approximately 20 teachers. Mr. Knox pointed out that he was not sure of the longevity of the program.

d. Athletics Update
Attorney Sonja Clayton-Pedersen presented an updated comprehensive Concussion Management Policy and protocol. Attorney Clayton-Pedersen stated that the policy has taken a multi stage approach to managing concussions. The document incorporates all the best practices described in the NCAA’s April 29, 2010 memo that required all institutions in Divisions 1, 2 and 3 to adopt a concussion management protocol. Attorney Clayton-Pedersen discussed the detailed outline and protocol of the policy. She stated that the policy will be reviewed on an annual basis.
