Dr. Michael Ellison presented the Enrollment Management Report. He gave an overview of his tenure at CSU. He state that during his 16 month tenure enrollment of new undergraduate and freshmen transfer student has increased.

- The year 2016 was one of the most devastating and impactful for various reasons such as the state budget impasse and layoffs; there were reduction in enrollment management staff. 2016 Fall enrollment numbers totaled 299.
- Undergraduate enrollment has increased this year and is trending upward in comparison to previous years. Undergraduate enrollment saw an increase for Fall 2017 of 40.1% (120 students) and for Fall 2018 22.8% (95 students). Enrollment continued to increase in Spring 2018 by 84 students which is a 53% increase over the previous Spring Term.
- Undergraduate enrollment has seen a large declined for both public and private universities across the country. Only two public Illinois Universities (University of Illinois System and Illinois State) have seen a continual increase in their enrollment. Southern Illinois University Carbondale has seen a dramatic decrease in enrollment. In addition, the City Colleges of Chicago have seen an enrollment decrease which has had somewhat of an impact on our enrollment. The new growth market for school is appealing to adult learners seeking skills and older adults seeking lifestyle changes.
- New goals set for Spring 2019 is an enrollment increase of 15% and for 2019 Fall and increase of 35%. The University has 1,450 recruitment visits planned for the year.
- Dr. Ellison introduced the team members that will aid in these efforts: Steve Polinski, Marlena Johnson, Mark Schaeffer, Aaron Patawaran, James Young, Joseph Anderson, and Phil Willis. There will be an additional person hired to help the transition of students at City Colleges of Chicago and a regional recruiter.
- Currently, we are looking for a strategy to retain students and becoming a test optional school and we are looking at perhaps eliminating some of the placement test barrier for students.
- Dr. Ellison talked about the strategy for increasing marketing and branding efforts. The State has a grant program called Aim High and Chicago State University was awarded $462,000 (to be matched by the university) to provide need and merit based awards to students.
- Improving the appearance of the university is critical to recruitment.

Action Item
Media Planning Buying and Advertising RFP Resolution
Dr. Michael Ellison presented the Media Planning Buying and Advertising RFP Resolution for Radio Link Media (RLM) to assist with developing strategies and advertisement to support and encourage enrollment for the 2019-2020 academic years. The amount is $500,000.

A detail discussion was held regarding the resolution and how will the outcome be measured, future accountability in the relationship with the media company, and if the monetary amount would be enough to cover the timeframe. General Counsel Kelly stated that the contact has not been approved and that the RFP just cleared the protest period. Also that the terms of the contract were laid out in the RFP. Dr. Ellison stated that the previous campaign cost $225,000 (which just ended) and the request for $500,000 is to ensure that there is enough funding. Dr. Ellison will provide the eight week metric to the board.

Academic Affairs Committee can look at negotiated amount and President Scott expresses confidence in the media spend and that we will be strategic. Trustee Harper and Chairman Hatch wants to ensure that the Radio Link Media are promoting on youthful platforms and asked how will we know if the campaigns are successful.

After further discussion the resolution was approved with the following change and the final approval of the contract would be made by the Academic and Student Affairs Committee:

*Therefore be it resolved, that the Board of Trustees hereby provides approval to the University to enter contract negotiations for planning and buying advertising service with Radio Link Media estimated at $500,000 with final approval provided by the Academic Affairs Committee of the Board.*

**Motion to approve edited Media Planning Buying and Advertising RFP Resolution.**
Trustee Jay Smith moved to approve. Trustee Horace Smith seconded the motion.

Board Regulations section 2 and Section 1.
First Reading of the proposed changes to the Board Regulations section II. Section II of the Board Regulations centers on procedures that apply to University employees. The recent changes to Section II of the Board Regulations were amended to remove provisions that were better suited for the University Handbook, as well as create consistency between the two documents where they conflicted. The provisions that will be removed include employee benefits, tenure civil service employee provisions.
Changes were also made regarding contract language for the University President in light of the recent Illinois Law which requires that contracts for Presidents and Chancellor at public colleges one not severance agreement that is greater than 20 weeks of compensation and two to prohibit severance where that President or Chancellor is terminated due to misconduct. That serves our public notice for the proposed changes; all individuals have received the proposed changes. The President has also received that copy of the proposed changes and can distribute that to the appropriate faculty, administration, and students regarding those changes. We will look to adopt the proposed changes at the next scheduled meeting, which will include any comments the President receives on the proposed changes.

Approval of the amended Section I of the Board Regulations. Whereas Section I of the Board Regulations whereas Section I of Procedures Subsection C II of the Board Regulation authorizes the Board of Trustees to adopt, amend, or appeal Board Regulations and, whereas the Board of Trustees endeavor to
review and amend Section I of the Board Regulations and whereas on June 21st, 2018 the Board of Trustees conducted the first reading of the amended Section I of the Board Regulations Pursuant to Section 1e of the Board Regulations. Now, therefore be it resolved that the Board of Trustees of Chicago State University hereby approves the changes to Section I; Board Procedures of the Board Regulations.
