## Chicago State University Open House

The Chicago State University hosted an open house for prospective undergraduate and graduate students from across the mid-west on April 20, 2019. All of the academic and student affairs divisions, including the CDERC, were ecstatic to share everything

Chicago State has to offer.

Our President, Z Scott, gave warm words of welcome, prospective students received insightful information from a multi-professional panel discussion and participated in campus tours from student ambassadors.

It was a great showing from the Chicago State family that was wrapped up with lunch and a musical concert from our talented music department.

## Congratulations Mister and Miss CSU

Congratulations to Mr. Mario Knowles and Ms. Clarke Taylor Griffith on becoming our 2019-2020 Mister and Miss CSU. We are excited to have you represent our wonderful institution!

## Community Partnerships

AFTER SCHOOL **matters**

CHICAGO STATE  
UNIVERSITY

The CDERC had the pleasure of partnering with the Chicago Park District, After School Matters and Chicago State's Recreation Department to participate in the first ever, South Spring Takeover: Sports Edition. High school students from around Chicago spent their spring break learning about careers in physical education and therapeutic recreation.

They were also able to enjoy our beautiful campus and hear from CSU staff, faculty and administrators on why they should attend our institution. The CDERC conducted an interactive session with students about planning for college and their potential career.

We are grateful to have been a part of something so meaningful and hope to continue our mission in preparing individuals for their future.
