## All Aboard!

This map gives detailed information about Chicago Transit Authority bus and elevated/subway train service, and shows Pace suburban bus and Metra commuter train routes in the CTA service area. It is updated twice a year, and available at CTA rail stations, Metra downtown terminals, visitor centers, airports, or by calling the RTA Travel Information Center number below.

### **RTA Service Overview**

CTA runs buses (routes 1-206) and elevated/subway trains serving the city and 40 nearby suburbs. Most routes run daily through late evening, every 7–15 minutes. Sunday schedules apply on New Year's Day, Memorial Day, July 4th, Labor Day, Thanksgiving and Christmas.

**PACE** runs buses throughout the suburbs, and many routes connect with CTA. Major routes run daily through mid-evening, every 30-60 minutes. You can use your CTA Transit Card, Chicago Card<sub>®</sub>, Chicago Card Plus™, or CTA Passes to ride.

METRA runs 12 suburban commuter train lines from several downtown Chicago terminals. Rush hour service is frequent; otherwise every 1 to 3 hours. Most routes run daily. Fares are separate, but a Link-Up Pass is available to Metra monthly ticketholders for use on CTA (weekdays 6 a.m.-9:30 a.m. and 3:30 p.m.-7:00 p.m.) or Pace (anytime).

# **Service Overview**

### **Buses**

Most routes run daily through late evening, every 10-20 minutes (see First Bus/Last Bus Times). All routes have timetables. Sunday schedules apply on New Year's Day, Memorial Day, July 4th, Labor Day, Thanksgiving and Christmas.

Always check the destination sign; not all buses travel to the end of the line. Also, a few routes have branches. All bus routes are accessible (6). Operators deploy the lifts and ramps on request.

Buses stop about every two blocks at posted signs, which give basic route and service information. The Owl (45) symbol indicates all-night service. All buses have bike racks (see Bike and Ride below).

### **Trains**

Each rail line has a color name. Most lines run daily, every 7-10 minutes, and every 10-15 minutes in later evenings (see First Train/Last Train Times for hours). There are free connections between all rail lines. Accessible stations are marked with 🔠

A Customer Assistant or Security Guard is on duty to help you. Customer Assistance call buttons are located near turnstiles and on platforms. Obtain a CTA map, Downtown Transit Sightseeing Guide, or a timetable from rail station brochure racks. Train times are posted.

Signs on stations indicate rail routes and destinations. Trains are marked with front and side signs indicating rail line color and destination. System maps are posted in all rail cars. Stops and connections are announced.
