COLLEGE OF EDUCATION

Preparing All Candidates to Support Student Learning

College Vision

We envision the College of Education as a global leader that informs and transforms education through the development and delivery of practice-based programs for education professionals who (a) demonstrate best practices in teaching and learning, (b) reveal knowledge through research and scholarship, and (c) provide service through outreach efforts.

College Mission

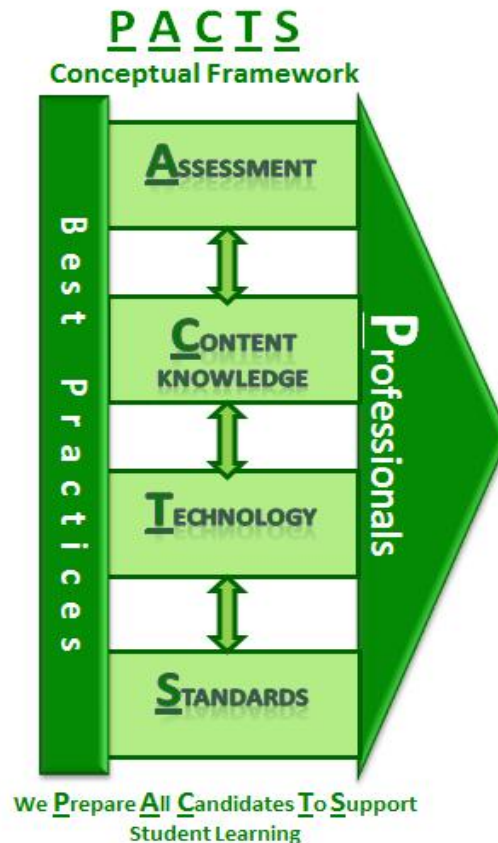

The College's mission is to offer quality programs and services that prepare education professionals [teachers, counselors, diagnosticians, leaders, librarians, information specialists, leisure personnel and others] to plan, organize, deliver, assess, support and oversee instruction and related activities. Further, the College is committed to fostering effective practices in settings with significantly diverse populations.

Our P-A-C-T-S Conceptual Framework

provides the shared vision, mission, philosophy, purpose, goals and standards for preparing educators to work in P-12 schools. It communicates the knowledge bases, including theories, research, and the wisdom of practice. Five

critical themes synthesize our conceptual framework to express what we do on a daily basis to prepare our candidates: (P) Professionals, (A) Assessment, (C) Content knowledge, (T) Technology and (S) Standards. The themes, represented by the PACTS acronym, express how our teacher educators and other personnel prepare our candidates to support students learning. On a daily basis, we use best practices as the platform from which we:

1. Develop knowledge, skills and dispositions that characterize professional education personnel;
2. Assess our candidates' competencies and prepare them to assess the abilities of students;
3. Develop content and pedagogical knowledge among our candidates;
4. Model the use of technology as tools that prepare candidates to effectively and efficiently facilitate learning;
5. Adhere to standards when designing and redesigning programs to insure best practices inside and outside the classroom.

Our P-A-C-T-S acronym serves an added purpose of offering five alphabetical indicators for the College's motto: We Prepare All Candidates To Support student learning.
