About the Beverly A Talluto Symposium

Dr. Beverly A. Talluto, PharmD, MHSc, was the Director of Continuing Professional Education at the Chicago State University College of Pharmacy (CSU COP) and was instrumental in the College obtaining ACPE CE provider status. Prior to joining CSU COP, Dr. Talluto was well known as a champion for pharmacy experiential education. She held prior positions in many institutions including Assistant Dean/Director of Experiential Education at Midwestern University Chicago College of Pharmacy and the School of Pharmacy at Virginia Commonwealth University in Richmond, Virginia. Unfortunately, Dr. Talluto lost her brave fight against breast cancer in July 2013.

Poster Exhibit

Because of Dr. Talluto’s many accomplishments within the profession and particularly student experiential education, the Poster Exhibit will showcase students’ educational experiences at various practice sites. Students that have their submissions accepted will have the opportunity to present their work at the Beverly A Talluto Symposium which will take place on Friday, April 17, 2015 at the Chicago State University, Academic Library, 4th floor, 12-12:30 pm.

Applicant Eligibility

- Currently enrolled Chicago State University students within the College of Pharmacy or College of Health Sciences are eligible to submit an Abstract Proposal for the Poster Exhibit.
- Only one poster entry by an individual or a team will be considered.
- Please note that Abstract Proposal submission does not guarantee acceptance-a final notification of acceptance or rejection will be sent shortly after March 23, 2015.

Abstract Proposal Requirements and Submission Guidelines

- Student applicants must follow the poster exhibit guidelines listed below.
- The Abstract Proposal must include the following information:
  - Author name(s) and all of their current CSU email addresses
  - Presenter name(s): Limited to two presenters only
  - Name of College
  - Project title
  - Abstract description (limited to 250 words): a brief summary about your practice site and your contributions as a student
  - Name of both the preceptor and practice site (include preceptor’s email address and telephone number)
- Abstract Proposals must be submitted electronically in PDF format via email to c-johnson@csu.edu by Monday, March 23, 2015.
Poster Exhibit Guidelines

- Posters should be structured to include each of the following sections:
  - Title
  - Author(s)
  - Name of practice site
  - Background Information: information about the practice site (services offered, patient population served, historical information, mission/vision, etc.)
  - Student Role: description of the student’s role at the practice site, including any novel practice site activities and/or models (i.e. interdisciplinary activities)
  - Didactic Curriculum Preparation: Description of how the didactic curriculum prepared the student for their role at practice site; student successes and challenges at the practice site
  - Student Quote: A quote from the student summarizing the student’s experience at the practice site
- Students are encouraged to include photographs, graphics, etc. However, posters should not include any confidential or sensitive information. Posters should not include information not deemed for the public domain.
- Poster Size Requirements: All posters should be printed in a “landscape” view. Dimensions should be 36” by 48”.
- All finalized posters must be submitted electronically in PDF format to c-johnson@csu.edu by Friday, April 3, 2015.
- A Best Poster Award will be given.
