ILLINOIS RESIDENCY

The university shall determine the residency status of each student enrolled in the university for the purpose of determining whether the student is assessed in-state or out of-state tuition. Each applicant for admission to the university shall submit, at the time of application, evidence for determination of residency. The office responsible for admissions shall make a determination of residency status. To be considered a resident, an adult student must have been a bona fide resident of Illinois for a period of at least six consecutive months immediately preceding the beginning of any term for which the individual registers at the university and must continue to maintain a bona fide residence in Illinois.

Residency Appeal Procedure

Students who take exception to their residency status classification shall pay the tuition assessed, but may file a claim in writing to the Registrar’s Office for reconsideration of residency status. The written claim must be filed within thirty (30) calendar days from the date of the tuition bill or the student loses all rights to a change of residency status for the term in question. If the student is dissatisfied with the ruling in response to the written claim made within said period, the student may file a written appeal within ten (10) calendar days of receipt of the decision to the Registrar’s Office. Such written appeals shall be forwarded to the Provost, who shall consider all evidence submitted in connection with the case and render a decision which shall be final.
