# Instructions for CSU X-Press WEB REGISTRATION (csu.edu)

## *Tips for a Successful Web Registration*

- Verify your eligibility to register (confirm admission, check for holds, etc.)
- If you have all the course reference numbers (CRN) for your courses, click on 'Add/Drop Classes' even if this is the first time you are registering for the selected term. The system considers each class an "add," even if it is the first class registered for the term.
- You must click on "**submit classes**" to secure your selections.
- Scroll down to the bottom of the screen to check for registration errors. Your schedule is not final until you have corrected all registration errors.
- You are advised to print your final schedule and confirm your registration with your instructor at first class session.
- You cannot attend classes for which you are not officially registered. Contact Registrar's Office.
- Changes to course information may be made after the Class Schedule Bulletin is published. Check CSU X-Press for the most up-to-date course information.

## Personal Access Code

Your first access to the secure area login requires your User ID (your University Identification Number, UID) and your Personal Access Code, (PAC/PIN), which is your birth date in the format of MMDDYY. Example: May 7, 1950 will be 050750.

The system is programmed to request you to immediately change your PAC on your first entry. Your new PAC must be six (6) characters and can be letters, numerals or a combination. Examples: AZ1234 or 135790 or KLMNOP.

You will be prompted to create a security question and an answer upon your first entry. If you forget your PAC, click the "Forgot PAC" button. Keep your PAC confidential and change it if you believe it has been compromised.

## Registration Advising Personal Identification Number (PIN)

To register online, you must have a current registration advising PIN. Degree-seeking students (undergraduate and graduate) will receive a PIN from their academic advisors during the advisement session. New PINs are assigned each term and expire at the end of the regular registration period. At-large students will not need a PIN to register online.

## Computer Locations & Help

You can use your own computer, a local library computer or a computer in the University Library. Technical support for CSU X-Press registration is available from 9 am–5 pm, Monday through Friday at 773-995-3963 (IT Help Desk) or 773-995-2522 (Office of the Registrar).

## Student Registration Responsibility

It is the responsibility of each student to provide the proper course reference number on all registration transactions. A student should only register for advised courses. Abuse of the web registration system may result in your courses being dropped by request of the department chairperson or the instructor of the course.

**You are responsible for making a payment and obtaining a receipt for payment on your account by the published date, and at the time of registration and before payment due dates, even if your account is being paid through a grant, scholarship, loan or another party.**

If an admitted student is advised on the basis of his or her unofficial transcript, the student is responsible for any consequences related to course selection, registration and academic progress. Students must provide official transcripts by the required due date.

If the class for which you are registered is officially cancelled for the term, you will automatically be dropped from the class. If you do not register for an alternative class, a tuition refund will be processed to your account according to the refund policy. Students receiving financial aid benefits may wish to consult with their financial aid counselor concerning any award implications.

## Class Attendance

**Students cannot attend classes for which they are not officially registered.** Students attending classes in which they are not officially enrolled will not be permitted to register for the course

after the last day to add the class.

Students are expected to make their own arrangements with faculty members about making up class work and all assignments when classes are missed.

Instructors may initiate a student's unofficial withdrawal from a class for which a student either has never attended or stopped attending. A WN withdrawal is for non-attendance. A WA withdrawal is for lack of attendance if a student has attended at least once. The grade codes of WN and WA are counted in the student's attempted hours. For additional information, refer to the University catalog.

Students are expected to attend all class sessions in the course sections for which they are registered. It is the student's responsibility to drop the class if she/he is not attending. Failure on the part of a student to officially withdraw from a class prior to the official drop date may result in a failing grade (F) and financial obligation for the class. A student may drop/withdraw all but the last class through the published deadlines.

*Students can request to drop or withdraw from a course with a grade of W on their transcripts September 2 through November 1, 2013, for the regular session, and September 23 through November 1, 2013 for the special session.*

The student must have completed at least 50% of the graded work with a passing grade (D or better) and must have attended classes to within three weeks of the last day of scheduled classes. If a student does not complete the course work by the specified date, the grade of "I" will be replaced by the default grade as stated in the contract.

Chicago State University provides a mandatory Injury and Sickness Insurance Plan underwritten by United Healthcare Insurance Company. All full-time students (undergraduates enrolled in 12 hours or more, graduates enrolled in nine hours or more, and doctoral students enrolled in six hours or more) are automatically charged for the plan. All full-time international students are required to purchase the insurance plan and are eligible for the plan. The fee is applied to the accounts of students enrolled in all on-campus courses or a combination of off-campus (Extension) and on-campus courses.

### **Waiver/Enrollment Process**

Students are required to complete an online form to waive out of or enroll into the mandatory CSU insurance plan every Fall and Spring semester. Failure to submit an online waiver or enrollment form by the deadline will obligate students to pay the full-time (FT) Student Insurance Premium coverage indicated on your tuition bill. A confirmation email from the UHCSR Student Center will be required for any waiver dispute.

**To Waive:** Students who have health insurance coverage that is at least comparable to the CSU plan are able to waive the mandatory health insurance plan by going online during the specified waiver/enrollment period and completing the waiver form provided there. To submit a waiver form, go to [studentcenter.uhcsr.com](http://studentcenter.uhcsr.com).

**To Enroll:** Students who do not have insurance or simply want to keep the plan must go online to complete and submit an enrollment form. Submitting an enrollment form will help expedite activation of your enrollment should you need access to benefits prior to when the University submits its final list of students who are to be insured. To submit an enrollment form, go to [studentcenter.uhcsr.com](http://studentcenter.uhcsr.com).

**Students Who Take No Action:** Emails are sent to every student who is charged for the mandatory insurance plan informing them that they have been charged, and encouraging students to submit an enrollment or waiver form. Students who do not submit an online waiver by the announced deadline will be required to buy the mandatory insurance plan.

### **Waiver/Enrollment Period and Deadlines**

The waiver/enrollment periods for the Fall 2013 regular 16-week and the special 12-week sessions are as follows: (a) Regular 16-Week Session June 3, 2013 to August 30, 2013; and (b) Special 12-Week Session is August 19, 2013 to September 23, 2013. ### Six-Year Guaranteed Tuition Plan

The "Truth in Tuition" bill mandates that Illinois public universities provide four years of level tuition for new students enrolling for the first time beginning with the 2004-2005 academic year. Beginning with the Fall 2004 semester, each new undergraduate class of students (first-time freshmen and transfer students) will have the tuition rate held constant for four consecutive years. In 2010 the bill was amended to include an additional two years of guaranteed tuition rates for the amount the university charged students who first enrolled in the university for the academic year following the academic year the student first enrolled in the University.

The guaranteed rates will remain in effect for six years or until the student reaches 120 credit hours, whichever comes first. The hours will be extended to accommodate any majors or programs that exceed the 120 hours or six years. The guaranteed rate will remain in effect except in the event of a break in enrollment of no more than one year (two semesters, excluding summer school). In no case will the initial guarantee rate be valid beyond six years of total enrollment. The undergraduate (returning, non-guaranteed rate) will be assessed for students that extend beyond the six-year guarantee period (120 credit hours) or six years of total enrollment. For all other students, Chicago State University's current tuition program remains in effect. The Class Schedule Bulletin published each term should be referenced for current information.

### IMPORTANT NOTES:

A change in major will not affect the guaranteed rate. The guaranteed rate will continue for the number of credit hours necessary to complete the new major, not to exceed six years of total enrollment. Beyond six years of total enrollment, the undergraduate (returning, non-guaranteed rate) will be assessed. Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis by invoking the student appeal process. Transfer student rates will be guaranteed.

**Extended illness and military service** will be given special consideration. The rate guarantee will be extended on a case-by-case basis through the student appeal process.

**Transfer student rates** will be guaranteed based upon 120 credit hours less the number of credits transferred at the time of first enrollment. All extensions and exceptions that apply to new freshmen will be extended to new transfer students.

### **Credit Hour Pricing**

Beginning with the Fall 2004 to Fall 2005 academic year, tuition and mandatory fees will be charged on a per credit hour basis up to 15 hours. This 15 credit hour cap will allow students to complete 120 credit hours in eight semesters or four years. Credit hours exceeding 15 will be charged at the rate for 15 credit hours.

### **Out-of-state Tuition**

The Six-Year Guaranteed Tuition Plan is extended to all undergraduate out-of-state new freshmen and transfer students whose permanent residence is not within the state of Illinois.

### **In - State Tuition**

The Six-Year Guaranteed Tuition Plan is extended to all undergraduate new freshmen and transfer students whose permanent residence is within the state of Illinois.

Effective Fall 2010, newly admitted students whose permanent residency is within the state of Indiana, Iowa, Kentucky, Missouri or Wisconsin, and effective Fall 2012, students whose permanent residency is within the state of Ohio, Michigan, Kansas, Minnesota, North Dakota or South Dakota are extended in-state tuition rates at Chicago State University.

## **Mandatory Fees**

Mandatory fees apply to all on-campus students and students with a combination of off-campus and on-campus schedules regardless of student level or residency status.

Any combination of extension or distance learning courses and on-campus courses will have mandatory fees charged.

## Payment

By registering for classes at the Chicago State University (CSU), you acknowledge financial responsibility for the confirmed courses resulting from this registration, and all fees assessed to your student account (including the student health insurance fee). You also accept responsibility for any additional costs related to your enrollment at CSU including, but not limited to, room, board, parking, library fines, books and other class materials and any other departmental or college charges. By enrolling, you acknowledge that you are receiving an educational benefit from CSU, and that the costs associated with that benefit are an extension of credit from the University which is due and payable upon registration. Tuition and fee charges are billed on a monthly basis.

CSU does not mail billing statements to students. If you are a currently enrolled student, you will receive email notification each month, at your

university email address, indicating your tuition and fee statements are available online. The online statement, called the E-Bill, allows you to see your charges in an easy-to-read, user-friendly format.

Student account balances are expected to be paid in full by the start of each term to avoid a late fee. These charges, in accordance with CSU Policy, apply to all customers billed through the Student Accounts Receivable system, and are subject to a LATE PAYMENT CHARGE when payment is not made upon established due dates. A financial hold will be placed on a delinquent student account. This hold will prevent registration, release of transcripts, and the release of a diploma.

In addition, you understand that Chicago State University may refer your past due account for collection and may authorize legal action against you for the collection of this debt. You agree to be liable for all reasonable collection costs, including attorney fees, court costs, and other charges necessary for the collection of your past due account. You understand that if you allow your account to go into delinquent status, your registration, release of your transcript and diploma will be prohibited until such time as your account is paid in full.

1. **Students must have met all their financial obligations** to the University before they are eligible to register for classes unless payment arrangements for meeting such obligations have been made with the bursar.
2. **American Express, Discover Card, MasterCard, Visa,** cash, money orders, cashier's checks, certified checks, personal checks and traveler's checks will be accepted for tuition and fees. Online credit card payments can be made by visiting [www.afford.com](http://www.afford.com) and selecting "Make a Payment." ECAP also provides electronic check approval that takes funds from your checking account within 48 hours of the time the check is written to CSU. Business checks will not be accepted.
3. **Students who have presented two NSF** (not sufficient funds) checks to the university, even though restitution has been made, will be required to pay for their registration with cash, money orders, certified checks, traveler's checks, American Express, MasterCard, Visa or Discover Card. Business checks will not be accepted.

*Policy on Returned Checks* - All checks are processed through Telecheck. Any returned check will incur a \$40 Chicago State University return check fee and a \$25 fee payable to Telecheck, for a total of \$65. If you reimburse Chicago State University directly for any check you will still be assessed the \$25 fee by Telecheck, and an additional \$25 delinquent payment fee by Chicago State University.

It is the responsibility of the student to maintain a current address in the Office of the Registrar.

### 4. Fall 2013 payment deadlines

All registered students must present an initial payment to the Cashier's Office (ADM 211) upon registration to validate and maintain registration in your Fall 2013 classes. Students must present one of the following payment arrangements by the 100% reversal/refund deadline (see page 4):

Financial Aid Memo  
TMS installment plan for remaining account balance  
Bursar Office Third Party Authorization Memo  
Initial monetary down payment  
Quick Pay payment receipt

The deadline for the 100% refund/reversal to drop/withdraw from registered courses is September 1 for regular session courses and September 22 for special session. See page 4 for additional dates. Failure to do so may result in the cancellation of your courses.

**Final payment of tuition and fees is due by October 18, 2013.**

## 5. Reinstatement

Students who are eligible to register after being dropped for non-payment will only be reinstated into course sections for which they were previously registered and are available for enrollment.

## 6. Installment Payment Option

**A. Eligible:** All Illinois resident students registering for six or more hours during advance, regular and late registration.

**B. Non-eligible:** Students who have tuition and fee charges that amount to less than the required deposit due to financial aid credits are not eligible. Students registering for less than six hours are not eligible.

**C. Tuition Management Installment Plan:** Chicago State University offers an interest-free monthly payment plan to distribute your education expenses over time instead of one large payment. To enroll, call 1-800-222-4867 (TMS/24 hours a day); or visit [afford.com](http://afford.com).

Students using the installment payment option are required to make an initial payment at the time of registration. Remember, your initial deposit must go to Chicago State University or your registration will be cancelled. The enrollment fee for using the installment plan varies according to the number of payments in your plan. Whether or not you are on the installment plan with TMS, you will still pay the deferred fee amount if tuition is not paid in full at the time of registration. The deferred fee is non-refundable.

## 3. Default on TMS Plan

Failure to make a complete payment on time according to your payment plan will cause payment default and a \$25 delinquent fee will be assessed each semester that the balance is outstanding. In addition, a hold will be placed on your academic record and you will not be permitted to register for subsequent terms until the balance is paid in full.

## 4. Your financial responsibilities

If you fail to meet the terms of your installment payment agreement, you run the risk of your courses being dropped and you will be responsible for payment in full. In addition, Chicago State University may report your account to the credit bureau, place your student account with an outside collection agency and assign the account to the State of Illinois Off-Set System. It is further understood that all reasonable collection costs, fees or legal expenses incurred by Chicago State University and any outside agency in securing payment is your responsibility. These fees could range from 25% to 50% of your unpaid balance.

### Fall 2013 CTA Ventra U-Pass Card Policy

Effective with the Fall 2013 Semester, CTA will have implemented the Open Standards Fare System (“OSFS”) which is a contactless fare media system. The Ventra card is one type of contactless fare media. All universities participating in the U-Pass Card program will use Ventra cards as Student U-Pass Cards.

The Ventra U-Pass Card will provide all eligible full-time students with unlimited rides on CTA buses and trains throughout the

duration of an academic term at a reduced cost; the Ventra U-Pass Card eliminates the need to reissue a U-Pass Card every semester. The Ventra U-Pass Card also allows participating students to ride CTA buses and trains when school is out of session. A full fare will be deducted from the student’s transit account for these trips.

The Ventra U-Pass Card can serve as a Students’ Visual School ID eliminating the need to have multiple IDs. The front of the Ventra card will contain the student’s name and picture. The back of the Ventra card will inform the cardholder to adhere to CTA’s terms and conditions.

### What process is required to activate a Ventra U-Pass account for each student?

Each full-time student will receive a Ventra card at the first distribution following the student’s enrollment at the University. The Ventra card will be registered to the student’s account by the University, who will assign a valid term to that student’s account. The student will keep the same Ventra card during his or her entire academic career with the University unless the Ventra card is lost, misplaced, stolen or misused.

### Who is eligible for the Ventra U-Pass Card?

- All full-time students registered will be charged for the Ventra U-Pass Card and are eligible for the Ventra U-Pass Card.
- To receive a Ventra U-Pass Card, you must be present when the CTA is on-site to take photos and issue cards.
- “Full-time student” is defined by the written policy of the University and the definition is valid for both graduate and undergraduate students.

### Can I waive receiving the Ventra U-Pass Card?

The Chicago Transit Authority designed U-Pass Card program not only as a way to offer a discount to full-time students but also to increase CTA ridership.

Therefore, for a school to participate in the program, CTA requires that all full-time students at the school receive the a U-Pass Card. However, there are limited circumstances when the U-Pass Card may be waived if the student meets one of the following criteria:

- Student enrolled in ALL distance learning or online courses
- Student enrolled in ALL extension courses
- Student with disabilities
- Student studying abroad
- Student who is 62 years or older

In order for a fee waiver to be considered, the student must submit all requests in writing with supporting documentation to the Ventra U-Pass Card coordinators, Bobbie Stewart and Pearleen Wiley in the University Cashier’s Office at ADM 211 by 5 pm CST on October 1, 2013.

The Ventra U-Pass Card Coordinator can be reached by telephone at 773-995-2029 or email to [upass@csu.edu](mailto:upass@csu.edu).

## Student Financial Aid

ADM 207 • 773-995-2304

**Deadlines and policies** are available in the Office of Student Financial Aid and on the Financial Aid website. The University provides an established financial assistance program designed to best meet the needs of Chicago State University students. Assistance is available to eligible students in the form of scholarships, grants, assistantships, student employment and loans. All students wishing to be considered for financial assistance must complete the FAFSA (Free Application for Federal Student Aid).

### To be eligible for Federal grants

Students must be enrolled in a program leading to a degree/certificate to be eligible for Federal Pell Grants, Federal College Work-Study, Federal Stafford Loans and Federal Perkins Loans.

Students at-large are not eligible for state or federal financial assistance. Please refer to the Financial Aid website for detail information regarding eligibility.

Undergraduate students must be enrolled for at least nine hours to be considered three-quarter time, and 12 or more hours in order to be considered full time. Nine hours is considered full time for master's and doctoral candidates; five hours half-time. A change in enrollment status (hours enrolled and/or grade level) that occurs after a financial aid recipient's original registration must be reported immediately, in writing, to the Office of Student Financial Aid. Failure to report changes in enrollment status may result in overpayment, cancellation of benefits, and jeopardize future eligibility for student financial assistance.

Students selected for verification by the U.S. Department of Education or the University will be required to provide requested documentation before their financial aid awards can be processed.

### Review your financial aid status anytime

Students may review their financial aid status at any time on the CSU X-Press website. This website provides students with information relating to the amount of their financial aid awards, if any, as well as, any requirements that they might need to fulfill, such as, but not limited to, submitting verification documents, tax forms, SAP (Satisfactory Academic Progress) petitions, etc., before their financial aid package may be finalized.

The Office of Student Financial Aid no longer mails document tracking and award letters to continuing students. Instead, students are notified via email that there is "activity" on their financial aid accounts and that they should go to the CSU X-Press website to review their status. All continuing CSU students have been assigned an email account. It is every student's responsibility to access his/her email periodically and to review any communication from the Office of Student Financial Aid.

### Student Financial Aid Satisfactory Academic Progress Policy and Procedures

Federal and state regulations require Chicago State University to establish and implement a "Satisfactory Academic Progress (SAP) Policy" for undergraduate/graduate/professional students. Chicago State University's SAP Policy measures whether students are progressing at a reasonable rate toward the completion of their educational objectives. Students must comply with the SAP policy to maintain their continued financial aid (including loans) eligibility. A copy of the current SAP policy is available for students in the Office of Student Financial Aid. It is also available for review in both the undergraduate and graduate catalogs, as well as on the Chicago State University website.

Basic elements of the SAP policy require that all students maintain a 67% completion rate (number of hours completed as opposed to number of hours enrolled for) and a minimum Grade Point Average (Undergraduates = 2.0; Certification & Second Bachelor's = 2.5; Master's and Doctorate = 3.0; PharmD = 2.0). Students may receive financial aid for a maximum of 150% of the credit hours required to complete the undergraduate and/or graduate degree program in which they are enrolled.

The Satisfactory Academic Progress Policy is subject to change without notice. The Office of Student Financial Aid will make every attempt to provide students with timely notice regarding their SAP status. However, it is every student's responsibility to read the policy and monitor his/her own progress. Students who find themselves affected by SAP, should refer to the Financial Aid website for more information.

### Student Loans

The Federal Stafford Loan program limits, if combined, cannot exceed the established limits and cost of attendance. A student may be eligible to borrow a Federal Stafford Loan based on the following limits:

#### Annual Limits for Subsidized/Unsubsidized Loans

*Dependent Undergraduate (excluding dependent students whose parents can't get PLUS)*

|                          | <i>Subsidized</i> | <i>(Subsidized &amp; Unsubsidized)</i> | <i>Total</i> |
|--------------------------|-------------------|--|--------------|
| First Year .....         | \$3,500 .....     |  | \$5,500      |
| Second Year .....        | \$4,500 .....     |  | \$6,500      |
| Third Year & Beyond..... | \$5,500 .....     |  | \$7,500      |

*Independent Undergraduates & Dependent Students whose parents can't get PLUS*

|                          | <i>Subsidized</i> | <i>(Subsidized &amp; Unsubsidized)</i> | <i>Total</i> |
|--------------------------|-------------------|--|--------------|
| First Year .....         | \$3,500 .....     |  | \$9,500      |
| Second Year .....        | \$4,500 .....     |  | \$10,500     |
| Third Year & Beyond..... | \$5,500 .....     |  | \$12,500     |

*Graduate & Professional Students (all years).....*\$0\* .....\$20,500  
 \*As of July 1, 2012

**Note:** All undergraduate annual loan amounts are subject to proration. You will only be eligible to borrow one loan for one academic year. For example: If you borrow \$3,500 through a subsidized Stafford Loan as a freshman, you will not be allowed a subsequent loan until you advance to the sophomore level.

### Financial Aid Refund/Repayment Policy

If a student who receives any federal and/or state student financial assistance completely withdraws prior to the end of an academic term in which s/he receives federal/state aid, federal regulations require CSU to prorate or reduce the award(s) received, according to the actual number of calendar days in which the student was enrolled. Funds to which the student was not entitled, due to the proration calculation, must be returned to the federal/state award program(s). If a student's charges exceed the prorated awards remaining on her/his account, a balance will be owed to the University. If a student receives a disbursement check prior to obtaining a complete withdrawal or uses some of the awarded funds for a book voucher based upon the proration, s/he will be required to repay a portion or all of such funds to the University and/or the award program(s). Before initiating a complete withdrawal, contact the Office of Student Financial Aid at 773-995-2304 for a complete explanation.

### Loan Counseling

Students who receive loans are required to complete Entrance Counseling prior to receiving a disbursement and Exit Counseling when they graduate, drop to less than half-time enrollment, or completely withdraw from the

University. Online Entrance Counseling and Exit Counseling may be accessed through StudentLoans.gov website.

### Federal Work-Study/Student State Aid Employment

A limited number of positions are available throughout the University through the federal work-study and state aid funded student employment programs. Students with exceptional need are awarded FWS/SA eligibility and given the opportunity to be employed. Students wishing consideration for student employment should indicate their interest on the FAFSA. Rates of pay vary, depending upon the type of work and the level of responsibility. A student must be paid at least the minimum wage. Students are responsible for monitoring the time/hours they work so that they will not exceed their award balance.

### Veterans Affairs Office

Students receiving veterans benefits are required to adhere to the University's academic standing policies as outlined in the University's catalog. A change in enrollment status that occurs after the veteran's status has been certified must be immediately reported to the Veterans Affairs Office which is located in the Office of Student Financial Aid, ADM 207. Failure to report changes in enrollment status may result in overpayments. An unapproved change of program may cause termination of future benefits.

### Financial Aid Website, Email & CSU X-Press

All information provided in this student financial aid section is subject to change. Any such changes and/or modifications will be reflected on the Office of Student Financial Aid website. It is the responsibility of all students to stay informed about issues that may affect their financial aid eligibility by regularly monitoring email correspondence from the Office of Student Financial Aid and accessing the Office of Student Financial Aid website and CSU X-Press.

## CHICAGO STATE UNIVERSITY Oral English Proficiency Student Complaint Procedures

*Approved September 1991*

Illinois statute requires each public institution of higher education to "establish a program to assess the oral English language proficiency of all persons providing classroom instruction to students," and to "ensure that each person who is not orally proficient in the English language attain such proficiency prior to providing any classroom instruction to students."

Students with complaints about the oral English proficiency of Chicago State faculty should first contact the chairperson of the department involved. The complaint must be in writing and should be as specific as possible. Copies of the complaint must be sent to the appropriate college dean and to the provost/vice president for academic affairs.

The chairperson will investigate the complaint and may observe the class. If the chairperson concludes that the faculty member's English is adequate, the chairperson will notify the student, the faculty member, the dean, and the provost/vice president for academic affairs. The student may appeal the chairperson's decision to the dean. The dean will then investigate the complaint and follow the same notification procedure. The decision of the dean will be final.

If the chairperson or the dean finds that the faculty member's oral English is unsatisfactory, he or she will make a recommendation to the provost/vice president for academic affairs. The provost will take action on this recommendation and notify all parties involved of his or her decision.

Except for the necessary notifications, the identities of all students and faculty involved in oral English proficiency complaints shall remain confidential.
