4 *easy* STEPS TO REGISTER

*You must be admitted to the University before you can register for classes.
Go to Office of Admissions (ADM 126)*

1 Select your classes with your academic advisor.

2 Register for classes.

Log in to Cougar Connect to access CSU X-Press for web registration at cougarconnect.csu.edu. See pages 2-4, 10. View term balance online by visiting Cougar Connect and make payment to Cashier (ADM 211). See pages 19- 23.

Validating your classes requires that you make a payment per the University guidelines. Students should always request and obtain a business receipt as proof of payment. For new students, a business receipt is needed to obtain your ID card in ADM 130. For continuing students, a business receipt is needed to update your ID card with the Cashier.

Instructions for CSU X-Press WEB REGISTRATION (www.csu.edu)

Tips for a Successful Web Registration

- Verify your eligibility to register (confirm admission, check for holds, etc.)
- If you have all the course reference numbers (CRN) for your courses, click on 'Add/Drop Classes' even if this is the first time you are registering for the selected term. The system considers each class an "add," even if it is the first class registered for the term.
- You must click on "**submit classes**" to secure your selections.
- Scroll down to the bottom of the screen to check for registration errors. Your schedule is not final until you have corrected all registration errors.
- You are advised to print your final schedule and confirm your registration with your instructor at first class session.
- You cannot attend classes for which you are not officially registered. Contact Registrar's Office.
- Changes to course information may be made after the Class Schedule Bulletin is published. Check CSU X-Press for the most up-to-date course information.

Undergraduate Students

Continuing Students

(Those who have attended at least one term since Spring 2011)

Currently enrolled students who have been accepted as candidates for the bachelor's degree will be issued a Spring 2013 registration advising PIN provided during the advisement session to register via CSU X-Press.

New Students

If you have never attended Chicago State University and you are seeking a degree, you must be admitted into a degree program. Undergraduate and Graduate Admissions is located in ADM 126. After you have been admitted, you must be advised. Your advisor will provide you with your Spring 2013 PIN to access the CSU X-Press web registration system. **Spring 2013 Priority Deadline: November 15, 2012.**

Returning Students

Undergraduates who have not attended since the Spring 2011 term and who were in good academic standing with a minimum cumulative GPA of 2.0 as of their last term at CSU must file an application for readmission in the Office of the Registrar, ADM 128. Undergraduates must submit transcripts covering all college courses completed at other institutions since withdrawal from Chicago State University. **Spring 2013 Priority Deadline: November 15, 2012.**

Students who were dismissed from the university, or who were not in good academic standing at the end of the last term of attendance, should submit both an academic petition for reinstatement and an application for readmission to the Office of the Registrar, ADM 128. Students seeking reinstatement must submit transcripts covering all college courses completed since withdrawal. The petition for reinstatement must be approved and processed prior to registration. **Spring 2013 Priority Deadline: November 15, 2012.**

You must be advised to register. Your advisor will give you a Spring 2013 PIN for use with the CSU X-Press web registration. See the Quick Reference Guide, page 6, for a list of departments.

Undergraduate Students-at-Large

Students may attend the university as students-at-large in any of the following categories: (1) individuals who are regular students at a regionally accredited college or university and who can demonstrate their good academic standing at their home institution; (2) individuals who are not currently regular students at a regionally accredited college or university but who can demonstrate their good academic standing at the institution last attended; or (3) individuals enrolling at CSU as part of a special program or a cooperative agreement with another institution. Students enrolling as students-at-large in category one or two who wish to earn more than 30 credits must be admitted as regular students. Students enrolling as students-at-large in category three will abide by the guidelines established for the program or cooperative agreement. At-large students are eligible to register online through the CSU X-Press web registration system without a registration advising PIN (RAP). For more information and an undergraduate at-large application, contact the Office of Undergraduate Admissions at 773-995-2513.

Graduate Students

Continuing Students

(Those who have attended at least one term since Spring 2011)

Master's Degree Candidates

Your graduate advisor will issue your Spring 2013 RAP in your advisement session for use on the CSU X-Press web registration system.

Graduate Students-at-Large

If necessary, you will be referred to a department for advisement and course approval. Graduate-at-large students are eligible to register online through the CSU X-Press web registration system without a RAP.

New & Returning Students

Master's degree candidates attending for the first time must be advised. Your advisor will issue your Spring 2013 RAP (registration advising PIN) for use on the CSU X-Press web registration system during your advisement session.

New graduates-at-large who are attending for the first time must first be admitted. You should report to the Office of Undergraduate and Graduate Admissions, ADM 126, to complete an application. If necessary, you will be referred to a department for advisement and course approval. You will not need a RAP to register online using the CSU X-Press web registration system.

If you are a master's degree candidate or a graduate student-at-large who has not attended prior to Spring 2011, an application for readmission must be completed. Forms may be obtained in ADM 126. Master's degree candidates must obtain approval signatures for re-entry and for advisement. The Graduate School will approve the registration form for the non-degree (graduate-at-large) student to register via CSU X-Press; restricted courses will require departmental approval.

NOTE: Cooperating teachers eligible for tuition waivers may contact the Office of Field Placement, ED 322, 773-995-2392. Note that the proper parties must sign the waiver form before a waiver is issued. Forms must

also be submitted to and signed in the provost (ADM 306) and financial aid (ADM 207) offices by September 15, for the fall term, January 30 for the Spring term and by the first day of classes for any intersession or summer session in which the waiver is presented and the individual enrolls. See page 24 for information on the tuition waiver application process.

Teacher Certification

If you plan to enroll for courses to achieve initial teacher certification and you have been evaluated by the Chicago Board of Education or the State of Illinois, present your deficiency statement at the College of Education Office of Teacher Certification. For more information, call 773-995-2519. All College of Education requirements for entry to teacher certification sequences must be met and appropriate departmental signatures obtained prior to enrolling in certification courses.

University Employees

Civil Service Staff

If you are a civil service employee enrolled in an undergraduate program, and intend to pay for tuition with a Civil Service Waiver, please be informed that you may be eligible for financial aid. Please complete and submit a Free Application for Federal Student Aid, (FAFSA), to the U.S. Department of Education and complete the financial aid application process. To take tuition-free courses, the application for civil service employee education benefits must be completed, approved by your supervisor, and sent to the Office of Human Resources, ADM 203, prior to the start of the term. Applications are available in ADM 203.

University employees must adhere to the same academic regulations as other students at the university.

Faculty and Administrators

To take tuition-free courses, faculty and administrators must receive written approval from their chairperson or supervisor and college dean, where appropriate, indicating the course(s) for enrollment. The written approval then must be submitted to the Office of the Provost, ADM 306, prior to the start of the term. See page 24 for information on the tuition waiver application process.

All University employees are subject to the rules and regulations set forth by Chicago State University regarding education benefits for employees.

If a tuition waiver is the sole source of payment for tuition and fees for the term, the waiver should be submitted at the time of registration to avoid being dropped for nonpayment.

Advisement

All degree-seeking students are **REQUIRED** to be advised prior to registration. Advisors will give a PIN to a student during the advisement session to use with the CSU X-Press web registration system.

Undergraduate students-at-large (USAL) do not need advisement and are eligible to register through the CSU X-Press web registration system without a registration advising PIN (RAP). Master's degree candidates and graduate certificate students must be advised by the department supervising the program to which they have been admitted. PINs are distributed by graduate advisors.

Graduate students-at-large (GSAL, GSUM) do not need advisement and are eligible to register through the CSU X-Press web registration system without a RAP. However, special permission is required for at-large students to enroll in some 5000-level or higher graduate courses. Students registering online must obtain the academic department's approval prior to attempting to register for these or any other restricted course. Students should not attempt to register for two different sections of the same course. If additional work is desired in a variable credit course, students should talk with the department chairperson.

Graduate-at-large students may enroll in graduate level courses by obtaining permission from the academic department supervising the courses prior to attempting course registration. Restrictions or safeguards are built into the registration system that prevent registration in some courses by students-at-large. Students at-large who wish to enroll for graduate courses should first check with graduate advisors or chairpersons to have these restrictions lifted prior to registration.

Students should note that the time for advisement is not during registration. To speed up your registration, have your schedule prepared with alternative courses to take, if certain courses are closed.

For additional information, refer to the University catalog.

Students are expected to attend all class sessions in the course sections for which they are registered. It is the student's responsibility to drop the class if she or he is not attending. Failure on the part of a student to officially withdraw from a class prior to the official drop date may result in a failing grade (F). Student Health Insurance (SHI) CRSU 268-O • 773-995-4533

Health Insurance is Mandatory

Chicago State University provides a mandatory Injury and Sickness Insurance Plan underwritten by United Healthcare Insurance Company. All full-time students (undergraduates enrolled in 12 hours or more, graduates enrolled in 9 hours or more, and doctoral students enrolled in 6 hours or more) are automatically charged for the plan. All full-time international students are required to purchase the insurance plan and are eligible for the plan. The fee is applied to the accounts of students enrolled in all on-campus courses or a combination of off-campus (Extension) and on-campus courses.

Waiver/Enrollment Process

Students are required to complete an online form to waive out of or enroll into the mandatory CSU insurance plan every fall and spring semester. Failure to submit an online waiver or enrollment form by the deadline will obligate students to pay the full-time (FT) Student Insurance Premium coverage indicated on your tuition bill. A confirmation email from the UHCSR Student Center will be required for any waiver dispute.

To Waive: Students who have health insurance coverage that is at least comparable to the CSU plan are able to waive the mandatory health insurance plan by going online during the specified waiver/enrollment period and completing the waiver form provided there. To submit a waiver form, go to <https://studentcenter.uhcsr.com>.

To Enroll: Students who do not have insurance or simply want to keep the plan must go online to complete and submit an enrollment form. Submitting an enrollment form will help expedite activation of your enrollment should you need access to benefits prior to when the university submits its final list of students who are to be insured. To submit an enrollment form, go to <https://studentcenter.uhcsr.com>.

Students Who Take No Action: Emails are sent to every student who is charged for the mandatory insurance plan informing them that they have been charged, and encouraging students to submit an enrollment or waiver form. Students who do not submit an online waiver by the announced deadline will be required to buy the mandatory insurance plan.

Waiver/Enrollment Period and Deadlines

The waiver/enrollment periods for the Spring 2013 regular 16-week and the special 12-week sessions are as follows: (a) Regular 16-Week Session = November 19, 2012 thru January 21, 2013; and (b) 12-Week Session = January 18, 2013 thru February 18, 2013. Part-time and full-time students enrolled in the Regular 16-Week Session who are themselves insured in the plan may insure their eligible dependents, spouses and domestic partners on a voluntary basis. Six-Year Guaranteed Tuition Plan

The "Truth in Tuition" bill mandates that Illinois public universities provide four years of level tuition for new students enrolling for the first time beginning with the 2004-2005 academic year. Beginning with the Fall 2004 semester, each new undergraduate class of students (first-time freshmen and transfer students) will have the tuition rate held constant for four consecutive years. In 2010 the bill was amended to include an additional two years of guaranteed tuition rates for the amount the university charged students who first enrolled in the university for the academic year following the academic year the student first enrolled in the university.

The guaranteed rates will remain in effect for six years or until the student reaches 120 credit hours, whichever comes first. The hours will be extended to accommodate any majors or programs that exceed the 120 hours or six years. The guaranteed rate will remain in effect except in the event of a break in enrollment of no more than one year (two semesters, excluding summer school). In no case will the initial guarantee rate be valid beyond six years of total enrollment. The undergraduate (returning, non-guaranteed rate) will be assessed for students that extend beyond the six-year guarantee period (120 credit hours) or six years of total enrollment. For all other students, Chicago State University's current tuition program remains in effect. The Class Schedule Bulletin published each term should be referenced for current information.

IMPORTANT NOTES:

A change in major will not affect the guaranteed rate. The guarantee rate will continue for the number of credit hours necessary to complete the new major, not to exceed six years of total enrollment. Beyond six years of total enrollment, the undergraduate (returning, non-guarantee rate) will be assessed. Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis by invoking the student appeal process. Transfer student rates will be guaranteed.

Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis through the student appeal process.

Transfer student rates will be guaranteed based upon 120 credit hours less the number of credits transferred at the time of first enrollment. All extensions and exceptions that apply to new freshmen will be extended to new transfer students.

Credit Hour Pricing

Beginning with the Fall 2004-2005 academic year, tuition and mandatory fees will be charged on a per credit hour basis up to 15 hours. This 15 credit hour cap will allow students to complete 120 credit hours in eight semesters or four years. Credit hours exceeding 15 will be charged at the rate for 15 credit hours.

Out-of-state Tuition

The Six-Year Guaranteed Tuition Plan is extended to all undergraduate out-of-state new freshmen and transfer students whose permanent residence is not within the state of Illinois.

In - State Tuition

The Six-Year Guaranteed Tuition Plan is extended to all undergraduate new freshmen and transfer students whose permanent residence is within the state of Illinois.

Effective Fall 2010, newly admitted students whose permanent residency is within the state of Indiana, Iowa, Kentucky, Missouri or Wisconsin, and effective Fall 2012, students whose permanent residency is within the state of Ohio, Michigan, Kansas, Minnesota, North Dakota or South Dakota are extended in-state tuition rates at Chicago State University.

Mandatory Fees

Mandatory fees apply to all on-campus students and students with a combination of off-campus and on-campus schedules regardless of student level or residency status.

Any combination of extension or distance learning courses and on-campus courses will have mandatory fees charged.

Mandatory fee rates are subject to change.

Payment and Refund Policy

By registering for classes at the Chicago State University (CSU), you acknowledge financial responsibility for the confirmed courses resulting from this registration, and all fees assessed to your student account (including the student health insurance fee). You also accept responsibility for any additional costs related to your enrollment at CSU including, but not limited to, room, board, parking, library fines, books and other class materials and any other departmental or college charges. By enrolling, you acknowledge that you are receiving an educational benefit from CSU,

and that the costs associated with that benefit are an extension of credit from the University which is due and payable upon registration. Tuition and fee charges are billed on a monthly basis.

CSU does not mail billing statements to students. If you are a currently enrolled student, you will receive e-mail notification each month, at your university e-mail address, indicating your tuition and fee statements are available online. The online statement, called the E-Bill, allows you to see your charges in an easy-to read, user- friendly format.

Student account balances are expected to be paid in full by the final payment due date each term. These charges, in accordance with CSU Policy, apply to all customers billed through the Student Accounts Receivable system, and are subject to a LATE PAYMENT CHARGE of \$25.00 when the full amount is not paid when the final payment is due. Such accounts will also be assessed a PENALTY of \$40.00 IN ADDITION to the LATE PAYMENT CHARGE when the account balance becomes past due (delinquent). A financial hold will be placed on any delinquent student account. This hold will prevent registration, release of transcripts, and may also prevent graduation and the release of a diploma.

In addition, you understand that Chicago State University may refer your past due account for collection and may authorize legal action against you for the collection of this debt. You agree to be liable for all reasonable collection costs, including attorney fees, court costs, and other charges necessary for the collection of your past due account. You understand that if you allow your account to go into delinquent status, your registration, release of your transcript and diploma will be prohibited until such time as your account is paid in full.

- Students must have met all their financial obligations** to the University before they are eligible to register for classes unless payment arrangements for meeting such obligations have been made with the bursar.
- AMEX, Discover, MasterCard, VISA**, cash, money orders, cashier's checks, certified checks, personal checks and traveler's checks will be accepted for tuition and fees. Online credit card payments can be made by visiting www.afford.com and selecting "Make a Payment." ECAP also provides electronic check approval that takes funds from your checking account within 48 hours of the time the check is written to CSU. Business checks will not be accepted.
- Students who have presented two NSF** (not sufficient funds) checks to the university, even though restitution has been made, will be required to pay for their registration with cash, money orders, certified checks, traveler's checks, AMEX, MasterCard, VISA or Discover. Business checks will not be accepted.

Financial Aid Memo
TMS installment plan for remaining account balance
Bursar Office Third Party Authorization Memo
Initial monetary down payment
Quick Pay payment receipt

The deadline for the 100% refund/reversal to drop/withdraw from registered courses is January 22 for regular session courses. See page 4 for additional dates. Please make your initial payment to validate your classes and avoid being dropped for non-payment.

Failure to make a payment may result in administrative withdrawal. See Student Registration Responsibility, Student Registration Agreement, and Bursar sections for more information.

5. Reinstatement

Students who are eligible to register after being dropped or administratively withdrawn for non-payment will not be reinstated into course sections for which they were previously registered.

6. Installment Payment Option

A. **Eligible:** All Illinois resident students registering for six or more hours during advance, regular and late registration.

B. **Non-eligible:** Students who have tuition and fee charges that amount to less than the required deposit due to financial aid credits are not eligible. Students registering for less than six hours are not eligible.

C. **Tuition Management Installment Plan:** Chicago State University offers an interest-free monthly payment plan to distribute your education expenses over time instead of one large payment. To enroll, call 800-222-4867 (TMS / 24 hours a day); or visit www.afford.com.

Students using the installment payment option are required to make an initial payment at the time of registration. Remember, your initial deposit must go to Chicago State University or your registration will be cancelled. The enrollment fee for using the installment plan varies according to the number of payments in your plan. Whether or not you are on the installment plan with TMS, you will still pay the deferred fee amount if tuition is not paid in full at the time of registration. The deferred fee is non-refundable.

3. Default on TMS Plan

Failure to make a complete payment on time according to your payment plan will cause payment default and a \$25 delinquent fee will be assessed each semester that the balance is outstanding. In addition, a hold will be placed on your academic record and you will not be permitted to register for subsequent terms until the balance is paid in full.

4. Your financial responsibilities

If you fail to meet the terms of your installment payment agreement, you will not be eligible for academic credit for enrolled courses. In addition, Chicago State University may report your account to the credit bureau, place your student account with an outside collection agency and assign the account to the State of Illinois Off-Set System. It is further understood that all reasonable collection costs, fees or legal expenses incurred by Chicago State University and any outside agency in securing payment is your responsibility. These fees could range from 25% to 50% of your unpaid balance.

Spring 2013 CTA U-Pass Policy

The Chicago State University Board of Trustees is pleased to announce that it has joined the Chicago Transit Authority to provide the U-Pass to all full time students with 12 or more credit hours. The U-Pass is a discount fare card that replaces cash for all CTA fares and can be used for unlimited rides on all CTA buses and trains.

Who is eligible for the U-Pass?

- All full-time students registered for at least 12 credit hours are eligible for the U-Pass.
- To receive a U-Pass, you must be present when the CTA is onsite to take photos and issue cards.

How much does the U-Pass cost?

CTA sets the price for the U-Pass on an annual basis. For the 2012-2013 academic years, the U-Pass costs \$113.00 per semester. All full-time students with 12 hours or more will have their accounts billed automatically. If you drop below 12 hours of enrollment, your U-Pass will be deactivated.

Can I waive receiving the U-Pass?

The Chicago Transit Authority designed the U-Pass program not only as a way to offer a discount to full-time students but also to increase CTA ridership. Therefore, for a school to participate in the program, CTA requires that all full-time students at the school receive the U-Pass. However, there are limited circumstances when the U-Pass may be waived if the student meets one of the following criteria:

- Student enrolled in distance learning or online courses
- Student enrolled in extension courses
- Student with disabilities
- Student studying abroad
- Student who is 62 years or older

In order for a fee waiver to be considered, the student must submit all requests in writing with supporting documentation to the U-Pass coordinator, Bobbie Stewart or Pearls Wiley, in the University Cashier's Office at ADM 211 by 5 p.m. CST on February 1, 2013. The U-Pass Coordinator can be reached by telephone at (773)995-2029 or email to upass@csu.edu.

Can I receive a credit towards semester parking permit?

- Students who purchased a semester parking permit will be issued up to a \$ 50.00 credit on their student account towards the cost of the parking permit per semester.
- Credit will only be issued for full-time students.

How will the waiver credit be issued?

The credit waiver towards the parking permit will be issued beginning February 1, 2013. No waiver will be issued to students who purchase their parking permit after the 100 percent refund drop date of January 22, 2013.

When is my U-Pass activated?

You will receive a new U-Pass at the beginning of each semester. The following are the dates and times for U-Pass distribution for the Spring 2013 semester:

Pick-up location: Jacoby Dickens Center

- Thursday, January 10, 2013 from 10a.m. to 6p.m.
- Friday, January 11, 2013 from 10a.m. to 6p.m.
- Monday, January 14, 2013 from 10a.m. to 6p.m.
- Tuesday, January 15, 2013 from 10a.m. to 6p.m.

CTA is off campus now so where can I go with my U-Pass?

See the U-Pass Coordinator in the Cashier's Office (ADM 211).

When will my CTA U-Pass be available for pick up?

Students who have completed the authorization form and contacted the U-Pass coordinator will pick up their U-Pass at the Cashier's Office located in the Cook ADM 211 on the following Friday.

Do I use the same U-Pass card for fall and spring semesters?

- **NO.** At the start of a new semester, the U-Pass Coordinator will announce the dates and times of U-Pass distribution for new students. Every effort will be made to distribute U-Pass cards before or on the activation date.
- For the Spring 2013 semester, your U-Pass will work from Thursday, January 10, 2013 through Friday, May 17, 2013.

Can I give my U-Pass card to someone else to use?

No. U-Pass cards are not transferable and will be confiscated by the CTA and its holder subject to criminal prosecution if it is misused or presented for transportation by any person other than the person to whom it is issued. CTA maintains the right to inspect the U-Pass used by a student and to ask the student for another form of identification to ensure that the pass is being used by the person to whom it is issued. Furthermore, CTA maintains the right to deny a student access to the CTA system at the U-Pass reduced fee if the student does not possess both the U-Pass and a current school ID.

What do I do if my card is lost or stolen?

Lost or stolen cards should be reported to CTA at 1-888-968-7282 or go online to transitchicago.com and request a new pass. The card will be deactivated. CTA requires a payment of \$50.00 for a lost or stolen U-Pass card.

What do I do if my card is damaged?

Most students damage their U-Pass by allowing it to touch the magnetic strip of another card such as a credit card. If a card is damaged, there is a replacement fee, but students have to go online to transitchicago.com to request a new card. It takes five days for the replacement card to be ready and students will be given a temporary card from CTA to use while they wait for their replacement card. The replacement card will be sent to the Cashier's Office for pick up.

What do I do if my card is captured on a bus?

If a card is captured on a bus, it is considered a student error. Contact the bus driver to get a receipt stating that the card was captured. Students must then take the receipt to CTA to request a new U-Pass. It will take five days for a replacement card to be mailed to Chicago State University from the CTA. The replacement card will be sent to the Cashier's Office for pick up.

What do I do if my card is captured on a train?

If a card is captured on the train, contact the CTA personnel to write a "Fare Discrepancy Report." The CTA personnel will give the student a free transit card to get to their destination. Students will have to take the report to CTA to request a new replacement card. The replacement card will be sent to the Cashier's Office for pick up.

Student Financial Aid

ADM 207 • 773-995-2304

Deadlines and policies are available in the Office of Student Financial Aid and on the financial aid website. The University provides an established financial assistance program designed to best meet the needs of Chicago State University students. Assistance is available to eligible students in the form of scholarships, grants, assistantships, student employment and loans. All students wishing to be considered for financial assistance must complete the FAFSA (Free Application for Federal Student Aid).

To be eligible for Federal Grants

Students must be enrolled in a program leading to a degree/certificate to be eligible for Federal Pell Grants, Federal College Work-Study, Federal Stafford Loans and Federal Perkins Loans.

Special students (at-large, conditionally admitted graduate students, or students enrolled in contract courses) are not eligible for state or federal financial assistance. Generally, students must be enrolled for at least halftime to be eligible for assistance from these programs.

Undergraduate students must be enrolled for at least nine hours to be considered three-quarter time, and twelve or more hours in order to be considered full time. Nine hours is considered full time for master's and doctoral candidates; five hours half-time. A change in enrollment status (hours enrolled and/or grade level) that occurs after a financial aid recipient's original registration must be reported immediately, in writing, to the Office of Student Financial Aid. Failure to report changes in enrollment status may result in overpayment, cancellation of benefits, and jeopardize future eligibility for student financial assistance.

Students selected for verification by the U.S. Department of Education or the University will be required to provide requested documentation before their financial aid awards can be processed.

Review your financial aid status anytime

Students may review their financial aid status at any time on the CSU X-Press website. This website provides students with information relating to the amount of their financial aid awards, if any, as well as, any requirements that they might need to fulfill, such as, but not limited to, submitting verification documents, tax forms, SAP (Satisfactory Academic Progress) petitions, etc., before their financial aid package may be finalized.

The Office of Student Financial Aid no longer mails document tracking and award letters to continuing students. Instead, students are notified via e-mail that there is "activity" on their financial aid accounts and that they should go to the CSU X-Press website to review their status. All continuing

CSU students have been assigned an e-mail account. It is every student's responsibility to access his/her e-mail periodically and to review any communication from the Office of Student Financial Aid.

Student Financial Aid Satisfactory Academic Progress Policy and Procedures

Federal and state regulations require Chicago State University to establish and implement a "Satisfactory Academic Progress (SAP) Policy" for undergraduate/graduate/professional students. Chicago State University's SAP Policy measures whether students are progressing at a reasonable rate toward the completion of their educational objectives. Students must comply with the applicable SAP policy to maintain their continued financial aid (including loans) eligibility. A copy of the current SAP policy is available for students in the Office of Student Financial Aid. It is also available for review in both the undergraduate and graduate catalogs, as well as on the Chicago State University website.

NOTE: The Satisfactory Academic Progress Policy is subject to change without notice. The Office of Student Financial Aid will make every attempt to provide students with timely notice regarding their satisfactory academic progress status. However, it is every student's responsibility to read the policy and monitor his/her own progress.

Student Loans

The Federal Stafford Loan program limits, if combined, cannot exceed the established limits and cost of attendance. A student may be eligible to borrow a Federal Stafford Loan based on the following limits:

Annual Limits for Subsidized / Unsubsidized Loans

Dependent Undergraduate (excluding dependent students whose parents can't get PLUS)

	Subsidized	(subsidized & unsubsidized)	Total
First Year.....	\$3,500		\$5,500
Second Year.....	\$4,500		\$6,500
Third Year & Beyond.....	\$5,500		\$7,500

Independent Undergraduates & Dependent Students whose parents can't get PLUS

	Subsidized	(subsidized & unsubsidized)	Total
First Year.....	\$3,500		\$9,500
Second Year.....	\$4,500		\$10,500
Third Year & Beyond.....	\$5,500		\$12,500

Graduate & Professional

<i>Students (all years).....</i>	<i>\$0*</i>		<i>\$20,500</i>
----------------------------------	-------------	--	-----------------

*As of July 1, 2012

Note: All undergraduate annual loan amounts are subject to proration.

You will only be eligible to borrow one loan for one academic year. For example: If you borrow \$3,500 through a subsidized Stafford Loan as a freshman, you will not be allowed a subsequent loan until you advance to the sophomore level.

February 28, 2013 is the deadline to accept "Offered Loans" or submit requests for loan revisions to the Office of Student Financial Aid. Procedures for obtaining a loan for the Spring 2013 semester are published on the Office of Student Financial Aid website at www.csu.edu/financialaid/.

Financial Aid Refund/Repayment Policy

If a student who receives any federal and/or state student financial assistance completely withdraws prior to the end of an academic term in which s/he receives federal/state aid, federal regulations require CSU to prorate or reduce the award(s) received, according to the actual number of calendar days in which the student was enrolled. Funds to which the student was not entitled, due to the proration calculation, must be returned to the federal/state award program(s). If a student's charges exceed the prorated awards remaining on her/his account, a balance will be owed to the university. If a student receives a disbursement check prior to obtaining a complete withdrawal or uses some of the awarded funds for a book voucher-based upon the proration, s/he will be required to repay a portion or all of such funds to the University and/or the award program(s). Before initiating a complete withdrawal, contact the Office of Student Financial Aid at 773-995-2304 for a complete explanation.

Timeline Dates

Timeline dates will be posted in the Office of Student Financial Aid for recipients of the basic state and federal financial aid programs. Timeline dates do not apply to recipients of other aid that may be based on academic performance, pursuit of a specific program/degree, etc., or aid from private sources.

Loan Counseling

Students who receive loans are required to complete Entrance Counseling prior to receiving a disbursement and Exit Counseling when they graduate, drop to less than half-time enrollment, or completely withdraw from the University. Online Entrance Counseling and Exit Counseling may be accessed through StudentLoans.gov web site.

Federal Work-Study / Student State Aid Employment

A limited number of positions are available throughout the university through the federal work-study and state aid funded student employment programs. Students with exceptional need are awarded FWS/SA eligibility and given the opportunity to be employed. Students wishing consideration for student employment should indicate their interest on the FAFSA. Rates of pay vary, depending upon the type of work and the level of responsibility. A student must be paid at least the minimum wage. Students are responsible for monitoring the time/hours they work so that they will not exceed their award balance.

Veterans Affairs Office

Students receiving veterans benefits are required to adhere to the University's academic standing policies as outlined in the University's catalog. A change in enrollment status that occurs after the veteran's status has been certified must be immediately reported to the Veterans Affairs Office which is located in the Office of Student Financial Aid, ADM 207. Failure to report changes in enrollment status may result in overpayments. An unapproved change of program may cause termination of future benefits.

Financial Aid Website, E-mail & CSU X-Press

All information provided in this student financial aid section is subject to change. Any such changes and/or modifications will be reflected on the Office of Student Financial Aid website. It is the responsibility of all students to stay informed about issues that may affect their financial aid eligibility by regularly monitoring e-mail correspondence from the Office of Student Financial Aid and accessing the Office of Student Financial Aid website and CSU X-Press.

CLASS MEETING: Normally, classes meet once a week for 14 - 16 weeks. Sessions consist of 50 minutes of instruction each week for each credit hour (i.e., a three-credit hour course meets 150 minutes per week). Courses meeting for fewer than 16 weeks compensate with more frequent and/or longer class meetings each week, as detailed in the individual class listing. Courses meeting once a week are scheduled to allow for one 10-minute break.

PREREQUISITES: Course prerequisites are stated in the Chicago State University catalog or CSU's Website: www.csu.edu/catalogs.

GRADUATE ADMISSION APPLICATION

(NON- DEGREE STUDY): Students enrolling in graduate courses for the first time and who are not currently admitted to a graduate degree program are required to complete a graduate-at-large application. A \$30 application fee must be submitted with the at-large application. Additionally, proof of a bachelor's degree must be submitted with the application, (i.e., copy of a transcript illustrating an awarded degree, copy of diploma, or state teaching certificate). Graduate at-large students who have not enrolled in a course at CSU within two years or more, but left in good standing, are required to apply for readmission by completing a readmit form. Students admitted to a program who have not attended CSU within the last two years must obtain a departmental advisor's signature. Submit your extension registration form, at-large application or readmit form, proof of degree and tuition fee to your instructor or an extension services department representative on the first day of the class, or submit to the extension services department, ED 107, if enrolling only in extension courses.

CHICAGO STATE UNIVERSITY Oral English Proficiency Student Complaint Procedures

Approved September, 1991

Illinois statute requires each public institution of higher education to "establish a program to assess the oral English language proficiency of all persons providing classroom instruction to students," and to "ensure that each person who is not orally proficient in the English language attain such proficiency prior to providing any classroom instruction to students."

Students with complaints about the oral English proficiency of Chicago State faculty should first contact the chairperson of the department involved. The complaint must be in writing and should be as specific as possible. Copies of the complaint must be sent to the appropriate college dean and to the provost/vice president for academic affairs.

The chairperson will investigate the complaint and may observe the class. If the chairperson concludes that the faculty member's English is adequate, the chairperson will notify the student, the faculty member, the dean, and the provost/vice president for academic affairs. The student may appeal the chairperson's decision to the dean. The dean will then investigate the complaint and follow the same notification procedure. The decision of the dean will be final.

If the chairperson or the dean finds that the faculty member's oral English is unsatisfactory, he or she will make a recommendation to the provost/vice president for academic affairs. The provost will take action on this recommendation and notify all parties involved of his or her decision.

Except for the necessary notifications, the identities of all students and faculty involved in oral English proficiency complaints shall remain confidential.
