Chicago State University Code of Excellence

As a member of the Chicago State University community, I pledge the following:

I will practice personal and academic integrity.

Dishonesty of any kind, including the practice of plagiarism or copying another person's scholarship, lying, deceit, excuse making and disloyalty in personal relationships, is not acceptable.

I will respect the dignity of all persons.

Behaviors that compromise or demean the dignity of individuals or groups, including hazing, intimidating, taunting, teasing, baiting, ridiculing, insulting, harassing and discriminating, are not acceptable.

I will respect the rights and property of others.

All forms of theft, vandalism, arson, misappropriation, malicious damage to and desecration or destruction of property are not acceptable. Any behavior that violates persons' rights to move about freely, to express themselves appropriately and to enjoy privacy is not acceptable.

I will strive for true cultural diversity and learn to accept and value the differences of others.

Denial of equal rights and opportunities for all, regardless of their age, sex, race, religion, disability, ethnic heritage, socioeconomic status, sexual orientation and gender equity, political, social or other affiliation or disaffiliation, is not acceptable.

I will respect the basic human rights.

Behaviors that are inconsiderate, insensitive, inhospitable, or inciteful or that unjustly or arbitrarily inhibit another's abilities to feel safe or welcomed in the pursuit of appropriate academic goals are not acceptable.

I will strive for personal and academic excellence.

Allegiance to these ideals obligates us to be responsible for our own actions and deeds, take ownership of our education, pursue scholarship, and abide by all university rules and procedures. I will strive to abide by the principles of this code and will encourage others to do the same.

- Scroll down to the bottom of the screen to check for registration errors. Your schedule is not final until you have corrected all registration errors.
- You are advised to print your final schedule and confirm your registration with your instructor at first class session.
- You cannot attend classes for which you are not officially registered. Contact Registrar's Office.
- Changes to course information may be made after the Class Schedule Bulletin is published. Check CSU X-Press for the most up-to-date course information.

Currently enrolled students who have been accepted as candidates for the Bachelor's/Graduate degree, use your Summer 2013 RAP (registration advising PIN) provided during your advisement session to register via CSU X-Press.

New Students

Students must submit transcripts covering all college courses completed since withdrawal from Chicago State University.

Undergraduate students who were dropped from the University, or who were not in good academic standing at the time of withdrawal, should submit to the Office of the Registrar, an academic petition form for reinstatement. Students seeking reinstatement must submit transcripts covering all college course work completed since withdrawal. The petition for reinstatement must be approved and processed prior to registration. **Summer 2013 deadline: May 15, 2013.**

University Employees

Civil Service Staff

If you are a civil service employee enrolled in an undergraduate program, and intend to pay for tuition with a Civil Service Waiver, please be informed that you may be eligible for financial aid. Please complete and submit a Free Application for Federal Student Aid, (FAFSA), to the U.S. Department of Education and complete the financial aid application process. To take tuition & fee-free courses, the application for civil service employee education benefits must be completed, approved by your supervisor, and sent to the Office of Human Resources, ADM 203, **prior to the start of the term.** Applications are available in ADM 203.

Faculty and Administrators

To take tuition-free courses, faculty and administrators must receive written approval from their chairperson or supervisor and college dean, where appropriate, indicating the course(s) for enrollment. The written approval then must be submitted to the Office of the Provost, ADM 306, **prior to the start of the term.** See page 24 for information on the tuition and fee waiver application process.

All University employees are subject to the rules and regulations set forth by Chicago State University regarding education benefits for employees.

University employees must adhere to the same academic regulations as other students at the University.

If a tuition waiver is the sole source of payment for tuition and fees for the term, the waiver should be submitted at the time of registration to avoid being dropped for nonpayment.

Advisement

All degree-seeking students are **REQUIRED** to be advised prior to their registration. Advisors will give a RAP to a student after the advisement session.

Master's degree candidates and graduate certificate students must be advised by the department supervising the program to which they have been admitted. RAP numbers are distributed by graduate advisors.

Special undergraduate students-at-large (USAL) do not need advisement and are eligible to register through the CSU X-Press web registration system without a registration advising PIN (RAP).

Summer undergraduate students at-large (USUM) do not need advisement and are eligible to register through the CSU X-Press web registration system without a registration advising PIN (RAP).

Graduate at-large students (GSAL, GSUM) do not need advisement and are eligible to register through the CSU X-Press web registration system without a RAP. However, special permission is required for at-large students to enroll in any 5000-level or higher graduate course. Students registering online must obtain academic departmental approval prior to attempting to register for these or any other restricted course.

Students should not attempt to register for two different sessions of the same course. If additional work is desired in a variable credit course, students should talk with the department chairperson.

Students should note that the time for advisement is not during registration. To speed up your registration, have your schedule prepared with alternative courses to take if certain courses are closed.

Student Registration Responsibility

It is the responsibility of each student to provide the proper course reference number on all registration transactions. A student should only register for advised courses. Abuse of the web registration system may result in your courses being dropped by request of the department chairperson or the instructor of the course.

You are responsible for making a payment and obtaining a receipt for payment on your account by the published date, and at the time of registration and before payment due dates, even if your account is being paid through a grant, scholarship, loan or another party.

If an admitted student presents unofficial transcripts as a basis for advising, the student is responsible for any consequences related to course selection, registration and academic progress based upon the unofficial transcripts.

University Holds

Students with financial or certain academic holds may not register until a release is processed by the department that initiated the hold. Clear your hold(s) before your scheduled registration date.

Cancelled Classes

The University reserves the right to limit the size of classes and to cancel classes for which there is insufficient enrollment. Class cancellations are usually made before the first day of class for the term. If the class for which you are registered is officially cancelled for the term, you will automatically be dropped from the class. If you do not register for an alternative class, a tuition refund will be processed to your account according to the refund policy. Students receiving financial aid benefits may wish to consult with their financial aid counselor concerning any award implications.

Class Attendance

Students cannot attend classes for which they are not officially registered. Students attending classes in which they are not officially enrolled will not be permitted to register for the course after the last day to add the class.

Students are expected to make their own arrangements with faculty members about making up class work and all assignments when classes are missed.

Instructors may initiate a student's unofficial withdrawal from a class for which a student either has never attended or stopped attending. A WN withdrawal is for nonattendance. A WA

withdrawal is for lack of attendance if a student has attended at least once. The grade codes of WN and WA are counted in the student's attempted hours. For additional information, refer to the University catalog.

Students are expected to attend all class sessions in the course sections for which they are registered. **It is the student's responsibility to drop the class if she or he is not attending.** Failure on the part of a student to officially withdraw prior to the official drop date may result in a failing grade (F) and financial obligation for the class. A student may drop/withdraw all but the last class online through the published deadline.

See "Withdrawal from the University" on page 13 for more information to drop/withdraw your last class.

Credit Hour Load

Undergraduate Students

The maximum credit hour load for the Fall and Spring semesters is 16 credit hours and 12 credit hours for the Summer semester. Additional hours beyond 16 must be approved in writing by the academic department. The Office of the Registrar must record that approval in the system.

Although there is no minimum credit-hour load for students, the following minimum credit-hour loads are recommended: Veterans receiving benefits under Public Law 89-358 (Veterans Re-adjustments Benefits Act of 1966) must carry 12 credit hours to be eligible for full subsistence allowances during the semester. Exceptions to the graduate course credit hour load may be made with the approval of the graduate faculty advisors and/or the department chairperson and the graduate dean. Students may not be registered at other colleges and universities without approval of their advisors and the graduate dean. Permission must be obtained prior to registration at either college.

Undergraduate Incomplete Grade Policy

An undergraduate student may request a grade of Incomplete (I) in a non-academic skills course if extraordinary and unavoidable circumstances have prevented completion of the required course work. The student must have completed at least 50% of the graded

work with a passing grade (D or better) and must have attended classes to within three weeks of the last day of scheduled classes. If a student does not complete the course work by the specified date, the grade of "I" will be replaced by the default grade as stated in the contract.

A request for a grade of Incomplete (I) must be initiated by the student and submitted in writing using the Incomplete (I) Grade Request & Contract form. The contract must be submitted to the Office of the Registrar by August 2, 2013. Contracts submitted after this deadline may not be processed and will result in the default grade of F.

The Incomplete (I) Grade Request & Contract form can be obtained in the Office of the Registrar, ADM 128.

Students should not re-register for a course for which they have a grade of incomplete (I). If, after the incomplete contract has expired and/or a change of grade has been issued to replace the "I", a student may then register for the course again. (See Repeat Policy.)

Student Health Insurance (SHI) CRSU 268-O • 773-995-4533

Health Insurance is Mandatory

Chicago State University provides a mandatory Injury and Sickness Insurance Plan underwritten by United Healthcare Insurance Company. All full-time students (undergraduates enrolled in 12 hours or more, graduates enrolled in nine hours or more, and doctoral students enrolled in six hours or more) are automatically charged for the plan. All full-time international students are required to purchase the insurance plan and are eligible for the plan. The fee is applied to the accounts of students enrolled in all on-campus courses or a combination of off-campus (Extension) and on-campus courses.

Students generally do not enroll full time during summer semesters, therefore, the university does not automatically charge students' accounts during summer terms for the mandatory insurance plan.

Students Eligible for Summer-Only Enrollment

During Summer terms, students eligible to enroll into the health insurance plan provided through the university would be students carrying at least six credit hours who: (a) did not attend CSU in the previous Spring semester; (b) were enrolled during the previous Spring semester but were not covered by the University plan; (c) are residents of another university but attending CSU for the summer; and (d) are attending CSU for the first time.

Summer Waiver/Enrollment Period

The Summer 2013 enrollment/waiver deadline is July 19, 2013.

Cost

The cost of the insurance health plan for students who choose to enroll for Summer 2013 only is \$272.

Full-Time Students

Summer insurance coverage is for students who enroll full time for the summer only (visiting students and CSU students who were not covered by the insurance during the Spring 2013 term). Students who enroll full-time for the summer and wish to purchase the insurance plan may have their tuition accounts charged and enroll into the plan through the university. Please contact the Office of Student Health Insurance in CRSU, Room 268-O or call us at 773-995-4533 for assistance.

Such proof would include your insurance card with your name on it, a letter from the insurance company naming you as a client, or a listing from your account on your insurance web site delineating the names of all the individuals covered under your policy. Fee & Payment Information

ADM 211 • 773-995-2470

Tuition and mandatory fees are subject to change. Course fees and payment policies are administered by the Office of Administration & Finance. To make payments and payment arrangements, please contact the Office of the Cashier at 773-995-2029. For questions concerning your account, please contact the Office of the Bursar, ADM 211, at 773-995-2470.

Calculate Your Tuition

This formula shows how to tabulate your tuition charges:

- On Campus: Total number of credit hours selected x tuition per credit hour + fees applicable to your total credit hours = your tuition
- Off Campus: Total number of credit hours selected x tuition per credit hour + fees applicable to your total credit hours = your tuition
- Distance Learning: Total number of credit hours selected x tuition per credit hour + \$50 distance learning fee = your tuition

NOTE: Some courses carry additional fees. These fees are not included in the tuition and mandatory fee information. The list of courses with additional fees is in the back of this bulletin.

E-Bills

An E-Bill is the electronic version of your monthly statement. E-Bills are snapshots of the information contained on your student financial account. Your student account includes all charges and payments, financial aid, and other credits. The charges you will find on your account include, but are not limited to, tuition, health insurance, room and board, and other related fees. All charges are subject to change as you make changes to your living arrangements, course schedule, and other related charges might change either before or after you receive your initial E-Bill for the term.

Chicago State University does not issue paper statements/bills. E-Bills are issued monthly throughout the term of enrollment. All charges incurred for the term are due by the published final payment due date. All past due balances are subject to additional collection fees if unpaid.

Online Account Access

You can access/view your financial account information online through CSU X-Press. E-Bills are posted onto CSU X-Press monthly. When a new E-Bill/statement is available, you will receive a email notification to your CSU e-mail address.

Find your E-Bill, Account Summary, and IRS Tax Information by visiting csu.edu, then click "Cougar Connect."

- Log in to Cougar Connect
- Click Student Resource tab
- Click View My Bill
- Click View Statement

An official notification of the availability of your E-Bill will be sent monthly to your CSU email address.

Six-Year Guaranteed Tuition Plan

The "Truth in Tuition" bill mandates that Illinois public universities provide four years of level tuition for new students enrolling for the first time beginning with the 2004–2005 academic year. Beginning with the Fall 2004 semester, each new undergraduate class of students (first-time freshmen and transfer students) will have the tuition rate held constant for four consecutive years. In 2010 the bill was amended to include an additional two years of guaranteed tuition rates for the amount the university charged students who first enrolled in the university for the academic year following the academic year the student first enrolled in the university.

The guaranteed rates will remain in effect for six years or until the student reaches 120 credit hours, whichever comes first. The hours will be extended to accommodate any majors or programs that exceed the 120 hours or six years. The guaranteed rate will remain in effect except in the event of a break in enrollment of no more than one year (two semesters, excluding summer school). In no case will the initial guaranteed rate be valid beyond six years of total enrollment. The undergraduate (returning, non-guaranteed rate) will be assessed for students that extend beyond the six-year guarantee period (120 credit hours) or six years of total

enrollment. For all other students, Chicago State University's current tuition program remains in effect. The Class Schedule Bulletin published each term should be referenced for current information.

IMPORTANT NOTES:

A change in major will not affect the guaranteed rate. The guaranteed rate will continue for the number of credit hours necessary to complete the new major, not to exceed six years of total enrollment. Beyond six years of total enrollment, the undergraduate (returning, non-guaranteed rate) will be assessed. Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis by invoking the student appeal process. Transfer student rates will be guaranteed.

Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis through the student appeal process.

Transfer student rates will be guaranteed based upon 120 credit hours less the number of credits transferred at the time of first enrollment. All extensions and exceptions that apply to new freshmen will be extended to new transfer students.

Credit Hour Pricing

Beginning with the Fall 2004–2005 academic year, tuition and mandatory fees will be charged on a per credit hour basis up to 15 hours. This 15 credit hour cap will allow students to complete 120 credit hours in eight semesters or four years. Credit hours exceeding 15 will be charged at the rate for 15 credit hours.

Out-of-state Tuition

The Six-Year Guaranteed Tuition Plan is extended to all undergraduate out-of-state new freshmen and transfer students whose permanent residence is not within the state of Illinois.

In-State Tuition

The Six-Year Guaranteed Tuition Plan is extended to all undergraduate new freshmen and transfer students whose permanent residence is within the state of Illinois.

Effective Fall 2010, newly admitted undergraduate students whose permanent residency is within the state of Indiana, Iowa, Kentucky, Missouri or Wisconsin, and effective Fall 2012, undergraduate students whose permanent residency is within the state of Ohio, Michigan, Kansas, Minnesota, North Dakota or South Dakota are extended in-state tuition rates at Chicago State University.

Mandatory Fees

Mandatory fees apply to all on-campus students and students with a combination of off-campus and on-campus schedules regardless of student level or residency status.

Any combination of extension or distance learning courses and on-campus courses will have mandatory fees charged.

Mandatory fee rates are subject to change.

Payment and Refund Policy

By registering for classes at the Chicago State University (CSU), you acknowledge financial responsibility for the confirmed courses resulting from this registration, and all fees assessed to your student account (including the student health insurance fee). You also accept responsibility for any additional costs related to your enrollment at CSU including, but not limited to, room, board, parking, library fines, books and other class materials and any other departmental or college charges. By enrolling, you acknowledge that you are receiving an educational benefit from CSU, and that the costs associated with that benefit are an extension of credit from the University which is due and payable upon registration. Tuition and fee charges are billed on a monthly basis.

CSU does not mail billing statements to students. If you are a currently enrolled student, you will receive email notification each month, at your university email address, indicating your tuition and fee statements are available online. The online statement, called the E-Bill, allows you to see your charges in an easy-to-read, user-friendly format.

Student account balances are expected to be paid in full by the final

payment due date each term. These charges, in accordance with CSU Policy, apply to all customers billed through the Student Accounts Receivable System, and are subject to a LATE PAYMENT CHARGE of \$25 when the full amount is not paid when the final payment is due. Such accounts will also be subject to a PENALTY of \$40 IN ADDITION to the LATE PAYMENT CHARGE when the account balance becomes past due (delinquent). A financial hold will be placed on any delinquent student account. This hold will prevent registration, release of transcripts, and may also prevent graduation and the release of a diploma.

In addition, you understand that Chicago State University may refer your past due account for collection and may authorize legal action against you for the collection of this debt. You agree to be liable for all reasonable collection costs, including attorney fees, court costs, and other charges necessary for the collection of your past due account. You understand that if you allow your account to go into delinquent status, your registration, release of your transcript and diploma will be prohibited until such time as your account is paid in full.

- Students must have met all their financial obligations** to the University before they are eligible to register for classes unless payment arrangements for meeting such obligations have been made with the bursar.
- American Express, Discover Card, MasterCard, Visa,** cash, money orders, cashier's checks, certified checks, personal checks and traveler's checks will be accepted for tuition and fees. Online credit card payments can be made by visiting afford.com and selecting "Make a Payment." ECAP also provides electronic check approval that takes funds from your checking account within 48 hours of the time the check is written to CSU. Business checks will not be accepted.
- Students who have presented two NSF** (not sufficient funds) checks to the university, even though restitution has been made, will be required to pay for their registration with cash, money orders, certified checks, traveler's checks, American Express, MasterCard, Visa or Discover Card. Business checks will not be accepted.
- Summer 2013 initial payment deadlines:**

Advance/Regular/Late Registrations

10-week and first five-weeks (April 22 - May 28): **Payment due May 13, 2013 or upon registration.**

Second five-weeks (April 22 - July 1): Payment due June 17, 2013 or upon registration.

Final payment of tuition and fees is due for 10-week and second 5-weeks by July 15, 2013 and first five-weeks by June 10, 2013.

All registered students must present an initial payment to the Cashier's Office (ADM 211) upon registration to validate and maintain registration in your Summer 2013 classes. Students must present one of the following payment arrangements by the 100% reversal/refund deadline (see page 3):

- Financial Aid Memo
- TMS installment plan for remaining account balance
- Bursar Office Third Party Authorization Memo
- Initial monetary down payment
- Quick Pay payment receipt

Failure to make a payment may result in administrative withdrawal. See Student Registration Responsibility, Student Registration Agreement, and Bursar sections for more information.

5. Reinstatement

Students who are eligible to register after being dropped or administratively withdrawn for non-payment will not be reinstated into course sections for which they were not previously registered.

6. Installment Payment Option

- A. **Eligible:** All Illinois resident students registering for six or more hours during advance, regular and late registration.
- B. **Non-eligible:** Students who have tuition and fee charges that amount to less than the required deposit due to financial aid credits are not eligible. Students registering for less than six hours are not eligible.
- C. **Tuition Management Installment Plan:** Chicago State University offers an interest-free monthly payment plan to distribute your education expenses over time instead of one large payment. To enroll, call 800-222-4867 (TMS / 24 hours a day); or visit afford.com.

Students using the installment payment option are required to make an initial payment at the time of registration. Remember, your initial deposit must go to Chicago State University or your registration will be cancelled. The enrollment fee for using the installment plan varies according to the number of payments in your plan. Whether or not you are on the installment plan with TMS, you will still pay the deferred fee amount if tuition is not paid in full at the time of registration. The deferred fee is non-refundable.

2. TMS Final Payment

Partial or complete payment will be accepted at any time; however, the total balance must be paid according to your TMS payment plan. If you are not enrolled in TMS, the total balance must be paid by the due date specified in the course calendar. Make full payment before the deadline to avoid any additional charges.

3. Default on TMS Plan

Failure to make a complete payment on time according to your

payment plan will cause payment default and a \$25 delinquent fee will be assessed each semester that the balance is outstanding. In addition, a hold will be placed on your academic record and you will not be permitted to register for subsequent terms until the balance is paid in full.

4. Your financial responsibilities

If you fail to meet the terms of your installment payment agreement, you will not be eligible for academic credit for enrolled courses. In addition, Chicago State University may report your account to the credit bureau, place your student account with an outside collection agency and assign the account to the State of Illinois Off-Set System. It is further understood that all reasonable collection costs, fees or legal expenses incurred by Chicago State University and any outside agency in securing payment is your responsibility. These fees could range from 25% to 50% of your unpaid balance.

Student Financial Aid

ADM 207 • 773-995-2304

Deadlines and policies are available in the Office of Student Financial Aid and on the financial aid website. The University provides an established financial assistance program designed to best meet the needs of Chicago State University students. Assistance is available to eligible students in the form of scholarships, grants, assistantships, student employment and loans. All students wishing to be considered for financial assistance must complete the FAFSA (Free Application for Federal Student Aid).

To be eligible for Federal Grants

Students must be enrolled in a program leading to a degree/certificate to be eligible for Federal Pell Grants, Federal College Work-Study, Federal Stafford Loans and Federal Perkins Loans.

Students at-large are not eligible for state or federal financial assistance. Please refer to the Financial Aid website for detail information regarding eligibility.

Undergraduate students must be enrolled for at least nine hours to be considered three-quarter time, and twelve or more hours in order to be considered full time. Nine hours is considered full time for Master's and Doctoral candidates; five hours half-time. A change in enrollment status (hours enrolled and/or grade level) that occurs after a financial aid recipient's original registration must be reported immediately, in writing, to the Office of Student Financial Aid. Failure to report changes in enrollment status may result in overpayment, cancellation of benefits, and jeopardize future eligibility for student financial assistance.

Students selected for verification by the U.S. Department of Education or the University will be required to provide requested documentation before their financial aid awards can be processed.

Review your financial aid status anytime

Students may review their financial aid status at any time on the CSU X-Press website. This website provides students with information relating to the amount of their financial aid awards, if any, as well as, any requirements that they might need to fulfill, such as, but not limited to, submitting verification documents, tax forms, SAP (Satisfactory Academic Progress) petitions, etc., before their financial aid package may be finalized.

The Office of Student Financial Aid no longer mails document tracking and award letters to continuing students. Instead, students are notified via email that there is "activity" on their financial aid accounts and that they should go to the CSU X-Press website to review their status. All continuing CSU students have been assigned an email account. It is every student's responsibility to access his/her email periodically and to review any communication from the Office of Student Financial Aid.

Student Financial Aid Satisfactory Academic Progress Policy and Procedures

Federal and State regulations require Chicago State University to establish and implement a "Satisfactory Academic Progress (SAP) Policy" for undergraduate/graduate/professional students. Chicago State University's SAP Policy measures whether students are progressing at a reasonable rate toward the completion of their educational objectives. Students must comply with the SAP policy to maintain their continued financial aid (including loans) eligibility. A copy of the current SAP policy is available for students in the Office of Student Financial Aid. It is also available for review in both the undergraduate and graduate catalogs, as well as on the Chicago State University website.

Basic elements of the SAP policy require that all students maintain a 67% completion rate (number of hours completed as opposed to number of hours enrolled for) and a minimum Grade Point Average (Undergraduates = 2.0; Certification & Second Bachelor = 2.5; Masters and Doctorate = 3.0; PharmD = 2.0). Students may receive financial aid for a maximum of 150% of the credit hours required to complete the undergraduate and/or graduate degree program in which they are enrolled.

The Satisfactory Academic Progress Policy is subject to change without notice. The Office of Student Financial Aid will make every attempt to provide students with timely notice regarding their SAP status. However, it is every student's responsibility to read the policy and monitor his/her own progress. Student who find themselves affected by SAP, should refer to the Financial Aid website for more information.

Student Loans

The Federal Stafford Loan program limits, if combined, cannot exceed the established limits and cost of attendance. A student may be eligible to borrow a Federal Stafford Loan based on the following limits:

Annual Limits for Subsidized / Unsubsidized Loans

Dependent Undergraduate (excluding dependent students whose parents can't get PLUS)

	Subsidized	(subsidized & unsubsidized)	Total
First Year	\$3500		\$5500
Second Year	\$4500		\$6500
Third Year & Beyond.....	\$5500		\$7500

Independent Undergraduates & Dependent Students whose parents can't get PLUS

	Subsidized	(subsidized & unsubsidized)	Total
First Year	\$3500		\$9500
Second Year	\$4500		\$10500
Third Year & Beyond.....	\$5500		\$12500

*Graduate & Professional Students (all years).....\$0**\$20500

*As of July 1, 2012

Note: All undergraduate annual loan amounts are subject to proration.

You will only be eligible to borrow one loan for one academic year. For example: If you borrow \$3,500 through a subsidized Stafford Loan as a freshman, you will not be allowed a subsequent loan until you advance to the sophomore level.

Financial Aid Refund/Repayment Policy

If a student who receives any federal and/or state student financial assistance completely withdraws prior to the end of an academic term in which s/he receives federal/state aid, federal regulations require CSU to prorate or reduce the award(s) received, according to the actual number of calendar days in which the student was enrolled. Funds to which the student was not entitled, due to the proration calculation, must be returned to the federal/state award program(s). If a student's charges exceed the prorated awards remaining on her/his account, a balance will be owed to the University. If a student receives a disbursement check prior to obtaining a complete withdrawal or uses some of the awarded funds for a book voucher-based upon the proration, s/he will be required to repay a portion or all of such funds to the University and/or the award program(s). Before initiating a complete withdrawal, contact the Office of Student Financial Aid at 773-995-2304 for a complete explanation.

Loan Counseling

Students who receive loans are required to complete Entrance Counseling prior to receiving a disbursement and Exit Counseling when they graduate, drop to less than half-time enrollment, or completely withdraw from the University. Online Entrance Counseling and Exit Counseling may be accessed through StudentLoans.gov web site.

Federal Work-Study/Student State Aid Employment

A limited number of positions are available throughout the University through the federal work-study and state aid funded student employment programs. Students with exceptional need are awarded FWS/SA eligibility and given the opportunity to be employed. Students wishing consideration for student employment should indicate their interest on the FAFSA. Rates of pay vary, depending upon the type of work and the level of responsibility. A student must be paid at least the minimum wage. Students are responsible for monitoring the time/hours they work so that they will not exceed their award balance.

Veterans Affairs Office

Students receiving veterans benefits are required to adhere to the University's academic standing policies as outlined in the University's catalog. A change in enrollment status that occurs after the veteran's status has been certified must be immediately reported to the Veterans Affairs Office which is located in the Office of Student Financial Aid, ADM 207. Failure to report changes in enrollment status may result in overpayments. An unapproved change of program may cause termination of future benefits.

Financial Aid Website, Email & CSU X-Press

All information provided in this student financial aid section is subject to change. Any such changes and/or modifications will be reflected on the Office of Student Financial Aid website. It is the responsibility of all students to stay informed about issues that may affect their financial aid eligibility by regularly monitoring email correspondence from the Office of Student Financial Aid and accessing the Office of Student Financial Aid website and CSU X-Press.

CHICAGO STATE UNIVERSITY Oral English Proficiency Student Complaint Procedures

Approved September 1991

Illinois statute requires each public institution of higher education to “establish a program to assess the oral English language proficiency of all persons providing classroom instruction to students,” and to “ensure that each person who is not orally proficient in the English language attain such proficiency prior to providing any classroom instruction to students.”

Students with complaints about the oral English proficiency of Chicago State University faculty should first contact the chairperson of the department involved. The complaint must be in writing and should be as specific as possible. Copies of the complaint must be sent to the appropriate college dean and to the provost/vice president for academic affairs.

The chairperson will investigate the complaint and may observe the class. If the chairperson concludes that the faculty member's English is adequate, the chairperson will notify the student, the faculty member, the dean, and the provost/vice president for academic affairs. The student may appeal the chairperson's decision to the dean. The dean will then investigate the complaint and follow the same notification procedure. The decision of the dean will be final.

If the chairperson or the dean finds that the faculty member's oral English is unsatisfactory, he or she will make a recommendation to the provost/vice president for academic affairs. The provost will take action on this recommendation and notify all parties involved of his or her decision.

Except for the necessary notifications, the identities of all students and faculty involved in oral English proficiency complaints shall remain confidential.
