As a member of the Chicago State University community, I pledge the following:

I will practice personal and academic integrity.

Dishonesty of any kind, including the practice of plagiarism or copying another person's scholarship, lying, deceit, excuse making and disloyalty in personal relationships, is not acceptable.

I will respect the dignity of all persons.

Behaviors that compromise or demean the dignity of individuals or groups, including hazing, intimidating, taunting, teasing, baiting, ridiculing, insulting, harassing and discriminating, are not acceptable.

I will respect the rights and property of others.

All forms of theft, vandalism, arson, misappropriation, malicious damage to and desecration or destruction of property are not acceptable. Any behavior that violates persons' rights to move about freely, to express themselves appropriately and to enjoy privacy is not acceptable.

I will strive for true cultural diversity and learn to accept and value the differences of others.

I will respect the basic human rights.

Behaviors that are inconsiderate, insensitive, inhospitable, or inciteful or that unjustly or arbitrarily inhibit another's abilities to feel safe or welcomed in the pursuit of appropriate academic goals are not acceptable.

I will strive for personal and academic excellence.

Allegiance to these ideals obligates us to be responsible for our own actions and deeds, take ownership of our education, pursue scholarship, and abide by all university rules and procedures. I will strive to abide by the principles of this code and will encourage others to do the same.

Currently enrolled students who have been accepted as candidates for the bachelor's/graduate degree: use your Summer 2014 RAP (registration advising PIN) provided during your advisement session to register via CSU X-Press.

New Students

If you have never attended Chicago State University and you are seeking a degree, you must be admitted into a degree program. Undergraduate and Graduate Admissions is located in ADM 126. After you have been admitted, you must be advised. Your advisor will provide you with your Summer 2014 RAP (registration advising PIN) to access the CSU X-Press registration system.

Returning Students

Undergraduate students who have not attended since the Summer 2014 and who were in good standing their last term must file an application for readmission in the Office of the Registrar, ADM 128. Students must submit transcripts covering all college courses completed since withdrawal from Chicago State University.

Undergraduate students who were dropped from the University, or who were not in good academic standing at the time of withdrawal should submit an academic petition form for reinstatement to the Office of the Registrar. Students seeking reinstatement must submit transcripts covering all college course work completed since withdrawal. The petition for reinstatement must be approved and processed prior to registration. The **Summer 2014 deadline is May 15, 2014.**

Master's degree candidates in good academic standing, who have not exceeded the time limit to complete the degree and who have not registered since the Summer 2012, must file an application for readmission with the Office of Admissions (ADM 126), and obtain re-entry approval from the academic department supervising the degree program. Graduate students who have exceeded the time limit for completing the degree must petition the Council of Graduate and Professional Studies at CSU for re-entry into their program. The Council of Graduate and Professional Studies normally meets the second Tuesday of each month.

You must be advised before you register. Your advisor will give you a Summer RAP (registration advising PIN) for use with the CSU X-Press registration. See the Quick Reference Guide for a list of departments on page 6.

The Admissions Office will provide registration information. Graduate at-large students are eligible to register online through the CSU X-Press registration system without a registration advising PIN (RAP). However, special permission is required for at-large students to enroll in any 5000-level or higher graduate course. For more information, call 773-995-2519. All College of Education requirements for entry to teacher certification sequences must be met and appropriate departmental signatures obtained

prior to enrolling in certification courses.

Forms must also be submitted to and signed in the provost (ADM 306) and financial aid (ADM 207) offices by September 15, for the Fall term, January 30 for the Spring term and by the first day of classes for any Intersession or Summer Sessions in which the waiver is presented and the individual enrolls. See page 19 for information on the tuition waiver application process.

University Employees

Civil Service Staff

If you are a civil service employee enrolled in an undergraduate program, and intend to pay for tuition with a Civil Service Waiver, you may be eligible for financial aid. Please complete and submit a Free Application for Federal Student Aid, (FAFSA), to the U.S. Department of Education and complete the financial aid application process. To take tuition-free courses, the application for civil service employee education benefits must be completed, approved by your supervisor, and sent to the Office of Human Resources, ADM 203, prior to the start of the term. Applications are available in ADM 203.

Faculty and Administrators

To take tuition-free courses, faculty and administrators must receive written approval from their chairperson or supervisor and college dean, where appropriate and indicate the course(s) for enrollment. The written approval then must be submitted to the Office of the Provost, ADM 306, prior to the start of the term. See page 17 for information on the tuition waiver application process.

All University employees are subject to the rules and regulations set forth by Chicago State University regarding education benefits for employees.

University employees must adhere to the same academic regulations as other students at the University.

If a tuition waiver is the sole source of payment for tuition and fees for the term, the waiver should be submitted at the time of registration to avoid being dropped for non-payment.

Advisement

All degree-seeking students are REQUIRED to be advised prior to registration. Advisors will give a PIN to a student during the advisement session to use with the CSU X-Press Web registration system.

Master's degree candidates and graduate certificate students must be advised by the department supervising the program to which they have been admitted. PIN numbers are distributed by graduate advisors. *Students should note that the time for advisement is not during registration. To speed up your registration, have your schedule prepared with alternative courses to take if certain courses are closed.*

Student Registration Responsibility

It is the responsibility of each student to provide the proper course reference number on all registration transactions. A student should only register for advised courses. Abuse of the Web registration system may result in your courses being dropped by request of the department chairperson or the instructor of the course.

You are responsible for making a payment and obtaining a receipt for payment on your account by the published date, and at the time of registration and before payment due dates, even if your account is being paid through a grant, scholarship, loan or another party.

If an admitted student is advised on the basis of his or her unofficial transcript, the student is responsible for any consequences related to course selection, registration and academic progress. Students must provide official transcripts by the required due date.

University Holds

Students with financial or certain academic holds may not register until a release is processed by the department that initiated the hold. Clear your hold(s) before your scheduled registration date.

Academic Regulations

Academic Progression Policy

A student who has not successfully completed the academic skills requirements will have hold(s) placed on his/her record that will remain until the specified requirements have been met.

Academic Skills Courses & Placement Assessment

Freshmen: Once accepted for admission to Chicago State University, all freshmen must take the University diagnostic examinations in English, mathematics, and reading by the end of the first term in residence. All freshmen must either meet the minimal requirements of the University diagnostic examinations or pass the appropriate academic skills course, namely English 1230, Reading 1500, or Math 0990. To exit from these courses, students must pass the appropriate examination.

Transfer Students: Transfer students who have not completed an associate's degree (A.A. degree or A.S. degree) must take proficiency examinations in English and reading. Transfer students who transfer eligible general education math courses with a C or better and whose majors do not require additional mathematics courses do not have to take the proficiency examination in mathematics. Cancelled Classes

The University reserves the right to limit the size of classes and to cancel classes for which there is insufficient enrollment. Class cancellations are usually made before the first day of class for the term. If the class for which you are registered is officially cancelled for the term, you will automatically be dropped from the class. If you do not register for an alternative class, a tuition refund will be processed to your account according to the refund policy. Students receiving financial aid benefits may wish to consult with their financial aid counselor concerning any award implications. Notification of cancellation are communicated to students via CSU email.

Class Enrollment/Participation

Students cannot attend classes for which they are not officially registered. Students attending classes in which they are not officially enrolled will not be permitted to register for the course after the last day to add the class.

Students are expected to make their own arrangements with faculty members about making up class work and all assignments when classes are missed.

Instructors may initiate a student's unofficial withdrawal from a class for which a student either has never attended or stopped attending. A WN withdrawal is for non-attendance. A WA withdrawal is for lack of attendance if a student has attended at least once. The grade codes of WN and WA are counted in the student's attempted hours. For additional information, refer to the University catalog. Although the University has adopted an administrative process to identify unofficial withdrawals, **it is solely the students responsibility to drop or withdraw from enrolled classes.**

Students are expected to attend all class sessions in the course sections for which they are registered. It is the student's responsibility to drop the class if she/he is not attending. Failure on the part of a student to officially withdraw from a class during the 100% reversal period may result in tuition fee charges and a failing grade (F).

Students can request to withdraw from a course with a grade of W on their transcripts June 10, 2014 through July 25, 2014 for the 10 week session, June 10, 2014 through June 23, 2014 for the first five week session, and July 15, 2014 to July 25, 2014 for the second five week session.

A student may not drop/withdraw his last class online. See "Complete Withdrawal" on page 14 for more information to drop/withdraw your last class.

Credit Hour Load

Undergraduate Students

The maximum credit hour load for the Fall and Spring semesters is 16 credit hours and 12 credit hours for the Summer semester. Students whose CSU cumulative grade point average is 3.0 or better may request to register for a program of 18 semester hours for Fall and Spring. Additional hours beyond 16 must be approved in writing by the department chair. The Office of the Registrar must record that approval in the student system.

Although generally there is no minimum credit-hour load for some students, the following minimum credit-hour loads are recommended: Veterans receiving benefits under Public Law 89-358 (Veterans Re-adjustments Benefits Act of 1966) must carry 12 credit hours to be eligible for full subsistence allowances during the semester. Students may not be registered at other colleges without written permission from the Academic Evaluation and Advisement Office, ADM 128. This permission **MUST** be obtained prior to registration.

For the following students a minimum credit hour load is required: **Student athletes must carry a minimum of 12 hours during the fall and spring terms to maintain eligibility status.**

F-1 international students must carry a minimum of 12 credit hours during Fall and Spring terms to maintain lawful F-1 student status in the United States.

Graduate Students

The maximum credit load for graduate courses is 12 hours in the Fall, Spring and Summer semesters. Exceptions to the graduate course credit-hour load may be made with the approval of the graduate faculty advisors and/or the department chairperson and the graduate dean. Students may not be registered at other colleges and universities without approval of their advisors and the graduate dean. Permission must be obtained prior to registration at either college.

Graduate and Undergraduate Incomplete Grade Policy

An undergraduate or graduate student may request a grade of Incomplete (I) if extraordinary and unavoidable circumstances have prevented completion of the required course work. The student must have completed at least 50% of the graded work with a passing grade (D or better) and must have attended classes within three weeks of the last day of scheduled classes. If a student does not complete the course work by the specified date, the grade of "I" will be replaced by the default grade as stated in the contract. If there is no default grade the student will be assigned an F grade.

A request for a grade of Incomplete must be initiated by the student and submitted in writing using the Incomplete (I) Grade Request & Contract form. The contract must be submitted to the Office of the Registrar by August 6, 2014. Contracts submitted after this deadline may not be processed.

The Incomplete (I) Grade Request & Contract form can be obtained in the Office of the Registrar, ADM 128.

Students should not re-register for a course for which they have a grade of incomplete (I). If, after the incomplete contract has expired and/or a change of grade has been issued to replace the "I", a student may then register for the course again. See the Repeat Policy below.

Placement Assessment • ADM 126

Students must have a picture ID to take the placement assessment. The assessment placement schedule is posted in the office, as well as on the examination office web site at csu.edu/examinations/.

Prerequisites

Prerequisites are listed in the University catalog at csu.edu/catalogs. A student should not attempt to register for a course unless she/he meets the prerequisites, if any, for the course. If a student does not meet the prerequisite for a course, the student may be dropped from the course. Please consult your academic advisor about prerequisites for your courses.

Undergraduate Repeat Policy

Students are allowed to repeat a course and have the highest grade earned count toward their cumulative grade point average. Please note that certain financial aid programs may not cover tuition for repeated courses. Students should contact a financial aid advisor when attempting to repeat a course, to determine eligibility.

Complete Withdrawal

(Drop/withdraw from all courses resulting in zero hours of enrollment)

Prior to requesting to formally withdraw from all classes, students are strongly encouraged to seek guidance from an academic advisor, major department chairperson, college dean, or from the Office of the Registrar (ADM 128)/Enrollment Management (ADM 129) for a more suitable resolution to concerns affecting enrollment.

Calculate Your Tuition

This formula shows how to tabulate your tuition charges:

- On Campus: Total number of credit hours selected x tuition per credit hour + fees applicable to your total credit hours = your tuition.
- Off Campus: Total number of credit hours selected x tuition per credit hour + fees applicable to your total credit hours = your tuition.
- Distance Learning and Hybrid: Total number of credit hours selected x tuition per credit hour + \$50 distance learning fee (per course) = your tuition.

NOTE: Some courses carry additional fees. These fees are not included in the tuition and mandatory fee information. The list of courses with additional fees is in the back of this bulletin.

Six-Year Guaranteed Tuition Plan

The "Truth in Tuition" bill mandates that Illinois public universities provide four years of level tuition for new students enrolling for the first time beginning with the 2004-2005 academic year. Beginning with the Fall 2004 semester, each new undergraduate class of students (first-time freshmen and transfer students) will have the tuition rate held constant for four consecutive years. In 2010 the bill was amended to include an additional two years of guaranteed tuition rates for the amount the University charged students who first enrolled in the University for the academic year following the academic year the student first enrolled in the University.

The guaranteed rates will remain in effect for six years or until the student reaches 120 credit hours, whichever comes first. The hours will be extended to accommodate any majors or programs that exceed the 120 hours or six years. The guaranteed rate will remain in effect except in the event of a break in enrollment of no more than one year (two semesters, excluding summer school). In no case will the initial guarantee rate be valid beyond six years of total enrollment.

The undergraduate (returning, non-guaranteed rate) will be assessed for students that extend beyond the six-year guarantee period (120 credit hours) or six years of total enrollment. For all other students, Chicago State University's current tuition program remains in effect. The Class Schedule Bulletin published each term should be referenced for current information.

IMPORTANT NOTES:

A change in major will not affect the guaranteed rate. The guaranteed rate will continue for the number of credit hours necessary to complete the new major, not to exceed six years of total enrollment. Beyond six years of total enrollment, the undergraduate (returning, non-guaranteed rate) will be assessed. Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis by invoking the student appeal process. Transfer student rates will be guaranteed.

Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis through the student appeal process.

Transfer student rates will be guaranteed based upon 120 credit hours less the number of credits transferred at the time of first enrollment. All extensions and exceptions that apply to new freshmen will be extended to new transfer students.

Credit Hour Pricing

Beginning with the Fall 2004 to Fall 2005 academic year, tuition and mandatory fees will be charged on a per credit hour basis up to 15 hours. This 15 credit hour cap will allow students to complete 120 credit hours in

eight semesters or four years. Credit hours exceeding 15 will be charged at the rate of 15 credit hours.

Out-of-State Tuition

The Six-Year Guaranteed Tuition Plan is extended to all undergraduate out-of-state new freshmen and transfer students whose permanent residence is not within the state of Illinois.

Delinquent Account Balances

Student account balances are expected to be paid in full by the start of each term to avoid a late fee. These charges, in accordance with CSU Policy, apply to all customers billed through the Student Accounts Receivable system and are subject to a LATE PAYMENT CHARGE when payment is not made upon established due dates. In addition, Chicago State University may refer past due accounts to collections and may authorize legal action against the student for collection of this debt. The student agrees to be liable for all reasonable collection costs, including attorney fees, court costs, and other charges necessary for the collection of past due accounts. A financial hold will be placed on a delinquent student account. This hold will prevent registration, release of transcripts, and the release of a diploma until such time as the account is paid in full.

Student must have met all financial obligations to the

University before they are eligible to register for classes unless payment arrangements for meeting such obligations have been made with the Bursar's Office.

Student Financial Aid

ADM 207 • 773-995-2304

Deadlines and policies are available in the Office of Student Financial Aid and on the Financial Aid website. The University provides an established financial assistance program designed to best meet the needs of Chicago State University students. Assistance is available to eligible students in the form of scholarships, grants, assistantships, student employment and loans. All students wishing to be considered for financial assistance must complete the FAFSA (Free Application for Federal Student Aid).

To be eligible for Federal Assistance

Students must be enrolled in a program leading to a degree/certificate to be eligible for Federal Pell Grants, Federal College Work-Study, Federal Teach Grant, Federal Stafford Loans and Federal Perkins Loans. To be eligible for Stafford or Perkins loans students must be enrolled at least half-time.

Students at-large are not eligible for state or federal financial assistance.

Undergraduate students (including second bachelor's and teacher certification) must be enrolled 12 or more hours in order to be considered full time, a minimum of nine hours to be considered three-quarter time, and six hours for part-time status.

Graduate students must be enrolled in 9 credit hours to be considered full-time.

A change in enrollment status (hours enrolled and/or grade level) that occurs after a financial aid recipient's original registration must be reported immediately, in writing, to the Office of Student Financial Aid. Failure to report changes in enrollment status may result in overpayment, cancellation of benefits, and jeopardize future eligibility for student financial assistance.

Students selected for verification by the U.S. Department of Education or the University will be required to provide requested documentation before their financial aid awards can be processed.

Review your financial aid status anytime

Students may review their financial aid status at any time on the CSU X-Press. CSU X-Press provides students with information relating to the amount of their financial aid awards, if any, as well as, any requirements that they might need to fulfill, such as, but not limited to, submitting verification documents, IRS tax transcripts, SAP (Satisfactory Academic Progress) petitions, etc., before their financial aid package may be finalized.

The Office of Student Financial Aid no longer mails document tracking and award letters to continuing students. Instead, students are notified via email that they should go to the CSU X-Press to review their financial aid for changes to their financial aid award. All continuing CSU students have been assigned an email account. It is every student's responsibility to access his/her email periodically and to review any communication from the Office of Student Financial Aid.

Student Financial Aid Satisfactory Academic Progress Policy and Procedures

Federal and state regulations require Chicago State University to establish and implement a "Satisfactory Academic Progress (SAP) Policy" for undergraduate/graduate/professional students. Chicago State University's SAP Policy measures whether students are progressing at a reasonable rate toward the completion of their educational objectives. Students must comply with the SAP policy to maintain their continued financial aid (including loans) eligibility. A copy of the current SAP policy is available for students in the Office of Student Financial Aid. It is also available for review in both the undergraduate and graduate catalogs, as well as on the Chicago State University website.

Basic elements of the SAP policy require students to:

- Maintain a 67% completion rate (number of hours earned as opposed to number of hours attempted).
- Maintain a minimum grade point average (Undergraduates = 2.0; Certification & Second Bachelor's = 2.5; Master's and Doctorate = 3.0;

PharmD = 2.0).

- Complete their undergraduate and/or graduate degree program in which they are enrolled within the maximum time frame. i.e., undergraduate maximum time frame: (120 credit hours x 1.5 maximum of 180 credits may be attempted).

In the event that a student must appeal their SAP, the appeal must be completed within 30 days after the start of the semester for which the appeal is requested or 30 days after the receipt of notice of cancellation, whichever is later.

The Satisfactory Academic Progress Policy is subject to change without notice. The Office of Student Financial Aid will make every attempt to provide students with timely notice regarding their SAP status. However, it is every student's responsibility to read the policy and monitor his/her own progress. Students who find themselves affected by SAP, should refer to the Financial Aid website for more information.

Student Loans

The Federal Stafford Loan program limits, if combined, cannot exceed the established limits and cost of attendance. A student may be eligible to borrow a Federal Stafford Loan based on the following limits:

Students (all years).....\$0*

*As of July 1, 2012

Note: All undergraduate annual loan amounts are subject to proration.

You will only be eligible to borrow one loan for one academic year. For example: If you borrow \$3,500 through a subsidized Stafford Loan as a freshman, you will not be allowed a subsequent loan until you advance to the sophomore level.

Return of Federal Student Aid Due to Withdrawal

Federal Student Aid (FSA) funds are awarded to students based on the assumption the student will attend classes for the entire period of enrollment. When a student drops, withdraws from all classes, stop attending courses, or is expelled from the University, the student may no longer be eligible for the full amount of FSA funds originally awarded. Any student that withdraws completely from a semester are required to return a portion of the federal funds that has been applied to their account. The final account of financial aid earned will be based on the period of time that the student was attending during the term. Students will be considered to have earned all of their federal financial aid after the sixty percent point of the semester. If a student's charges exceed the revised amounts remaining on his/her account, a balance will be owed to the University. If a student receives a disbursement check or uses some of the awarded funds for a book voucher, parking, or other non-mandatory fees, s/he will be required to pay such funds back to the University and/or the award program(s). Before initiating a complete withdrawal, contact the Office of Student Financial Aid at 773-995-2304 for a complete explanation.

Loan Counseling

Students who receive loans are required to complete Entrance Counseling prior to receiving a disbursement and Exit Counseling when they graduate, drop to less than half-time enrollment, or completely withdraw from the University. Online Entrance Counseling and Exit Counseling may be accessed through StudentLoans.gov website.

Federal Work-Study/Student State Aid Employment

A limited number of positions are available throughout the University through the federal work-study and state aid funded student employment programs. Students with exceptional need are awarded FWS/SA eligibility and given the opportunity to be employed. Students wishing consideration for student employment should indicate their interest on the FAFSA. Rates of pay vary, depending upon the type of work and the level of responsibility. A student must be paid at least the minimum wage. Students are responsible for monitoring the time/hours they work so that they will not exceed their award balance.

Veterans Affairs Office

Students receiving veterans benefits are required to adhere to the University's academic standing policies as outlined in the University's catalog. A change in enrollment status that occurs after the veteran's status has been certified must be immediately reported to the Veterans Affairs Office which is located in the Office of Student Financial Aid, ADM 207. Failure to report changes in enrollment status may result in overpayments.

Financial Aid Website, Email & CSU X-Press

All information provided in this student financial aid section is subject to change. Any such changes and/or modifications will be reflected on the Office of Student Financial Aid website. It is the responsibility of all students to stay informed about issues that may affect their financial aid eligibility by regularly monitoring email correspondence from the Office of Student Financial Aid and accessing the Office of Student Financial Aid website and CSU X-Press.

Schedule of Classes

This Class Schedule Bulletin lists all course information available at the time of publication. Class offerings are listed alphabetically, with extension courses and online courses listed after the on-campus courses by subject. The most current course information is available via CSU X-Press. Changes to course offerings are also noted in the weekly addendum posted to the course schedule web page at www.csu.edu/coursebulletin/. All fees, dates, courses and instructors are subject to change.

CRN

Each class has a unique five-digit Course Reference Number (CRN) used as the key identifier of the course. During the Spring term, each CRN begins with the number one (1).

CRSE

This is the course number for the given discipline/subject.

Course Numbers	Level
0900 – 0999.....	Developmental Level
1000 – 1999.....	Freshman Level
2000 – 2999.....	Sophomore Level
3000 – 3999.....	Junior Level

+

Classes with a plus sign (+) have one or more prerequisites. Prerequisites may not be listed in this Bulletin. Check the University catalog or CSU X-Press for prerequisite information.

SEC

The section number is a two- or three-digit section designator in a course title. Courses with section numbers 01–19 are on-campus daytime classes meeting in a classroom between 7am and 4pm. Courses with section numbers 21–29 are hybrid courses. Courses with section numbers 51–59 are online/web courses. Courses with section numbers 61–69 are on-campus evening classes meeting between 4pm and 10pm. Section numbers 61–69 are also used to identify courses held on campus on a Saturday or Sunday. Courses with section numbers 71–89 are contract courses and generally do not appear within the Class Schedule Bulletin. Extension courses are listed with section numbers 91–99.

CRED

The number of credit hours for which students may enroll is printed for each course.

DAYS

The meeting dates are denoted by letters:

M - Monday / **T** - Tuesday / **W** - Wednesday / **R** - Thursday /
F - Friday / **S** - Saturday / **U** - Sunday

Courses meeting on multiple days are denoted with the corresponding letter for each day of the week the course meets.

BLDG/RM

This denotes the building and the room number where the class meets.

FOOTNOTES

Footnotes identify any miscellaneous information or restrictions for a course. Information on footnotes can be found on page 78.

Course Information

The course subject/discipline information, including the subject code, department office location and telephone number, are provided in the heading at the beginning of each subject listing. The list of classes is provided alphabetically by discipline beginning with on-campus courses. Hybrid courses, online/web courses and extension courses for a given discipline are listed after on-campus courses and are denoted with a subheader in green font.

CHICAGO STATE UNIVERSITY Oral English Proficiency Student Complaint Procedures

Approved September 1991

Illinois statute requires each public institution of higher education to "establish a program to assess the oral English language proficiency of all persons providing classroom instruction to students," and to "ensure that each person who is not orally proficient in the English language attain such proficiency prior to providing any classroom instruction to students."

Students with complaints about the oral English proficiency of Chicago State faculty should first contact the chairperson of the department involved. The complaint must be in writing and should be as specific as possible. Copies of the complaint must be sent to the appropriate college dean and to the provost/vice president for academic affairs.

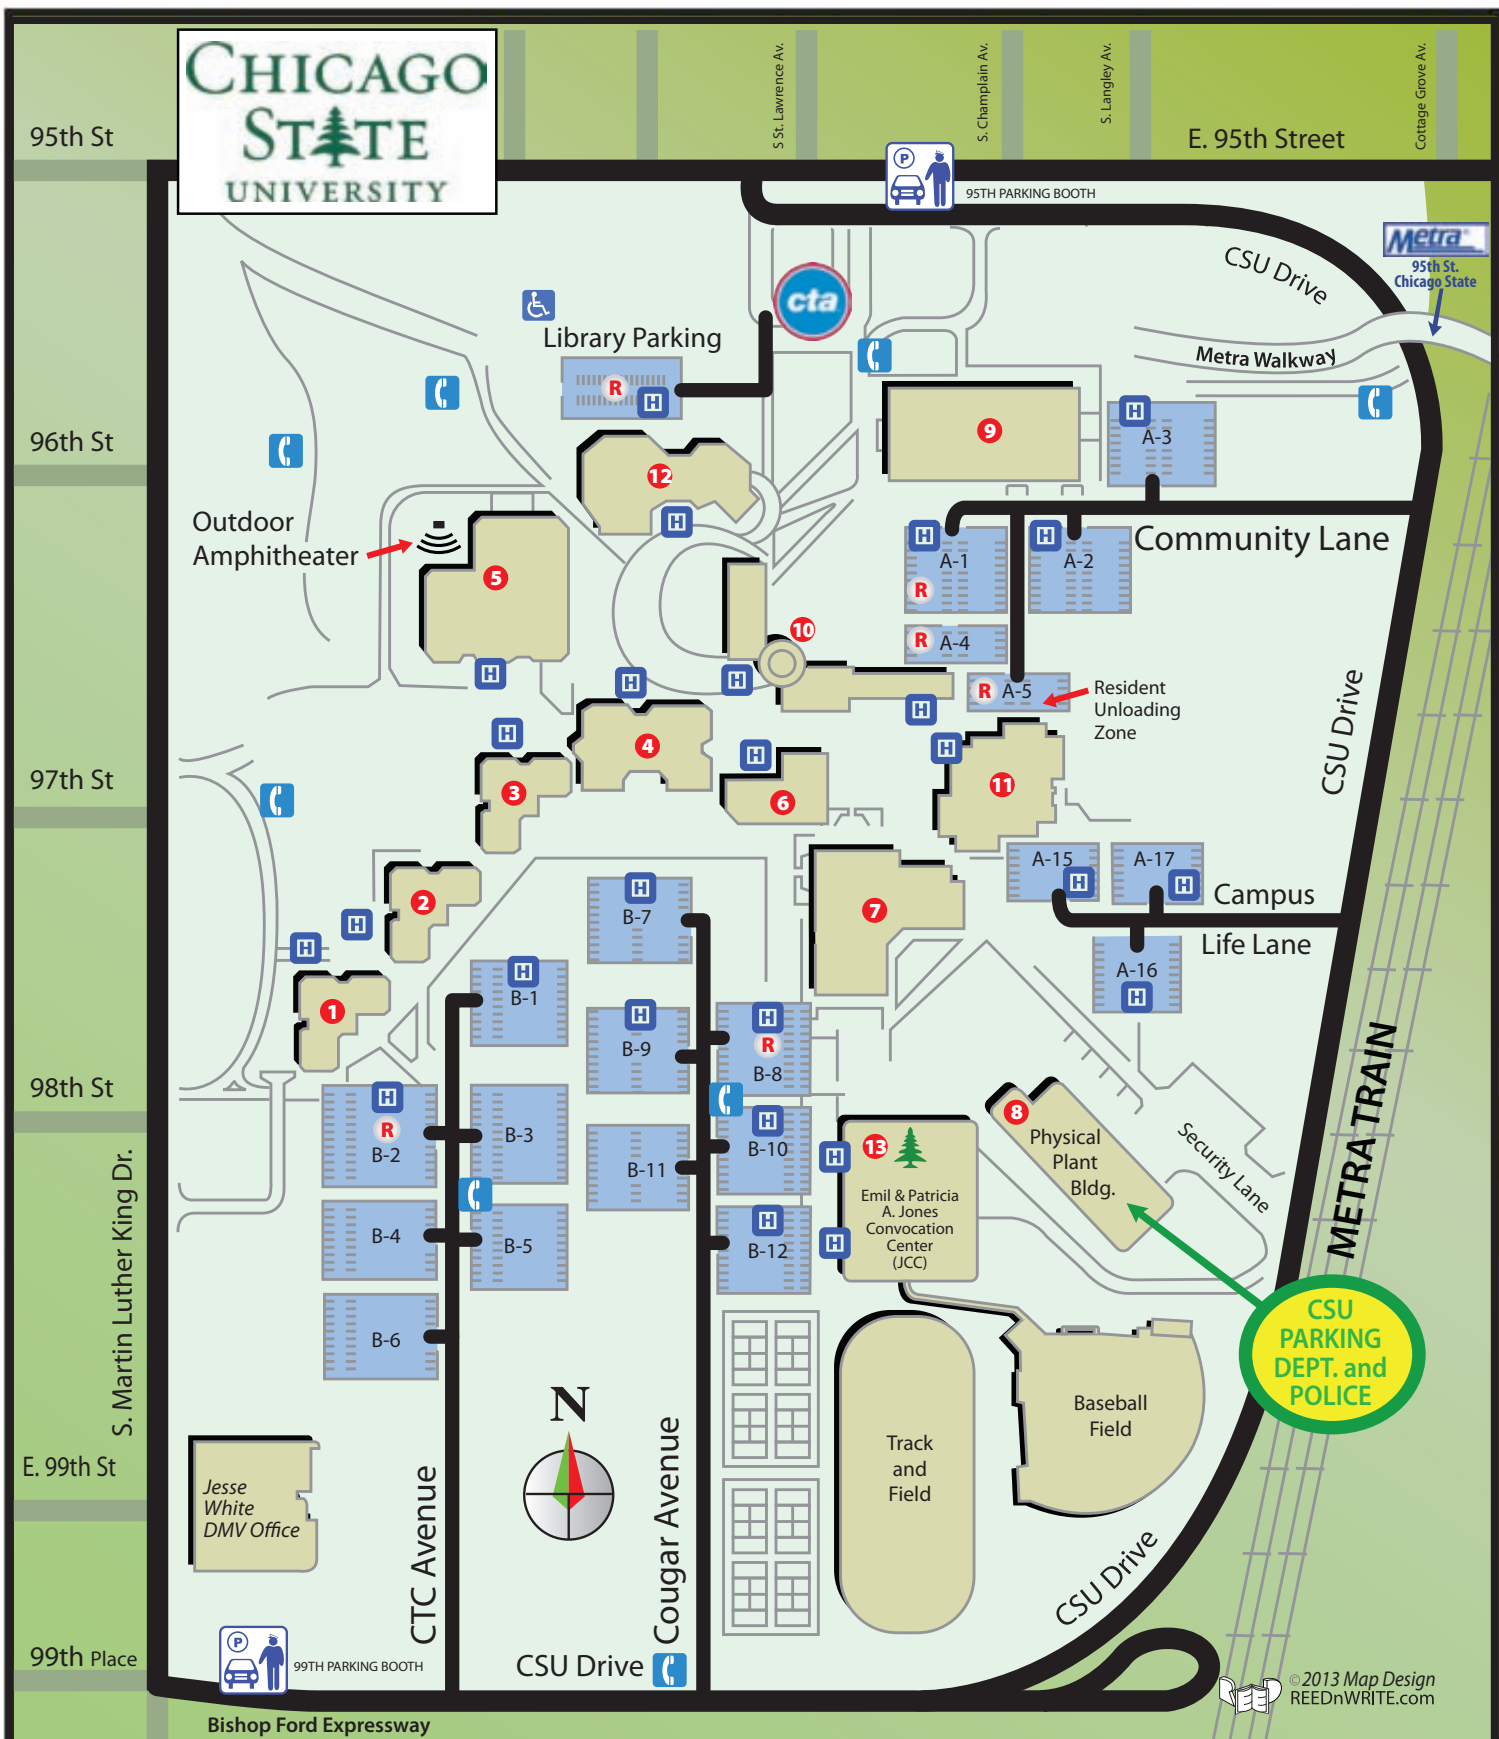

The chairperson will investigate the complaint and may observe the class. If the chairperson concludes that the faculty member's English is adequate, the chairperson will notify the student, the faculty member, the dean and the provost/vice president for academic affairs. The student may appeal the chairperson's decision to the dean. The dean will then investigate the complaint and follow the same notification procedure. The decision of the dean will be final.

If the chairperson or the dean finds that the faculty member's oral English is unsatisfactory, he or she will make a recommendation to the provost/vice president for academic affairs. The provost will take action on this recommendation and notify all parties involved of his or her decision.

Except for the necessary notifications, the identities of all students and faculty involved in oral English proficiency complaints shall remain confidential.
