Tips for a Successful Web Registration

- Check your registration status for your registration date.

- You must click on "submit classes" to secure your selections.
- Scroll down to the bottom of the screen to check for registration errors. Your schedule is not final until you have corrected all registration errors.
- You are advised to print your final schedule and confirm your registration with your instructor at first class session.
- Do not attend a class if you are not on the official course roster. Contact Registrar's Office.
- **Changes to course information may be made after the Class Schedule Bulletin is published. Check CSU X-Press for the most up-to-date course information.**

Personal Access Code (PAC)

Your first access to the secure area login requires your User ID (your University identification number, UID) and your Personal Access Code, (PAC), which is your birth date in the format of MMDDYY. *Example:* May 7, 1950 will be 050750.

The system is programmed to request you to immediately change your PAC on your first entry. Your new PAC must be six (6) characters and can be letters, numerals or a combination. Examples: AZ1234 or 135790 or KLMNOP.

You will be prompted to make up a security question and an answer on your first entry. If you forget your PAC, click the "Forgot PAC" button. Keep your PAC confidential and change it if you believe it has been compromised.

Registration Advising Personal Identification Number, PIN (RAP)

To register online, you must have a current registration advising PIN (RAP). Degree seeking students (undergraduate and graduate) will receive a RAP from their academic advisors during the advisement session. New RAPs are assigned each term and expire at the end of the regular registration period. At-large students will not need a RAP to register online.

Students may attend the university as students-at-large in any of the following categories: (1) individuals who are regular students at a regionally accredited college or university and who can demonstrate their good academic standing at their home institution; (2) individuals who are not currently regular students at a regionally accredited college or university but who can demonstrate their good academic standing at the institution last attended; or (3) individuals enrolling at CSU as part of a special program or a cooperative agreement with another institution. Students enrolling as students-at-large in category one or two who wish to earn more than 30 credits must be admitted as regular students. Students enrolling as students-at-large in category three will abide by the guidelines established for the program or cooperative agreement. At-large students are eligible to register online through the CSU X-Press web registration system without a registration advising PIN (RAP). For more information and an undergraduate at-large application, contact the Office of Undergraduate Admissions at 773-995-2513.

GRADUATE STUDENTS

Continuing Students

(Those who have attended at least one term since Fall 2009)

MASTER'S DEGREE CANDIDATES

Your graduate advisor will issue your Fall 2011 RAP in your advisement session for use on the CSU X-Press web registration system.

GRADUATE STUDENTS-AT-LARGE

If necessary, you will be referred to a department for advisement and course approval. Graduate-at-large students are eligible to register online through the CSU X-Press web registration system without a RAP.

New & Returning Students

Master's degree candidates attending for the first time must be advised. Your advisor will issue your Fall 2011 RAP (registration advising PIN) for use on the CSU X-Press web registration system during your advisement session.

New graduates-at-large who are attending for the first time must first report to the School of Graduate & Professional Studies (Graduate School) LIB 428, to complete a short data form. If necessary, you will be referred to a department for advisement and course approval. You will not need a RAP to register online using the CSU X-Press web registration system.

If you are a master's degree candidate or a student-at-large who has not attended prior to Fall 2009, an application for readmission must be completed. Forms may be obtained from the graduate school office, LIB 428. Master's degree candidates must obtain approval signatures

for re-entry and for advisement. The Graduate School will approve the registration form for the non-degree (graduate-at-large) student to register via CSU X-Press; restricted courses will require departmental approval.

NOTE: Cooperating teachers eligible for tuition waivers may contact the Office of Field Placement, ED 322, 773-995-2392. Note that the proper parties must sign the waiver form before a waiver is issued. Forms must also be submitted to and signed in the provost (ADM 306) and financial aid (ADM 207) offices.

TEACHER CERTIFICATION

If you plan to enroll for courses to achieve initial teacher certification and you have been evaluated by the Chicago Board of Education or the State of Illinois, present your deficiency statement at the College of Education Office of Teacher Certification. For more information, call 773-995-2519. All College of Education requirements for entry to teacher certification sequences must be met and appropriate departmental signatures obtained prior to enrolling in certification courses.

UNIVERSITY EMPLOYEES

Civil Service Staff

If you are a civil service employee enrolled in an undergraduate program, and intend to pay for tuition with a Civil Service Waiver, please be informed that you may be eligible for financial aid. Please complete and submit a Free Application for Federal Student Aid to the U.S. Department of Education, and complete the financial aid application process.

If you need assistance completing the financial aid documents, contact the Educational Opportunity Center/Project Success, DH 132 at 773-995-2371. To take tuition-free courses, the application for civil service employee education benefits must be completed, approved by your supervisor, and sent to the Office of Human Resources, ADM 203. Applications are available in ADM 203.

All university employees not possessing a bachelor's degree are limited to a maximum of thirty (30) semester hours of course work prior to their formal admission to the university.

University employees must adhere to the same academic regulations as other students at the university.

Faculty and Administrators

To take tuition-free courses, employees must receive written approval from their chairperson or supervisor and college dean, where appropriate, indicating the course(s) for enrollment. The written approval then must be submitted to the provost, ADM 306. The program identification code for faculty and administrators who are not seeking a degree is GSAL. All University employees are subject to the rules and regulations set forth by Chicago State University regarding education benefits for employees.

Tuition Waiver Applicants

Eligible employees and cooperating teachers requesting tuition waivers must present applications to the Office of Financial Aid, ADM 207, with all appropriate signatures by September 15, for the fall term, January 30 for the Spring term and by the first day of classes for any intersession or summer session in which the waiver is presented and the individual enrolls.

The tuition waiver is to be applied toward the term in which the course is taken, which means waiver applications are to be submitted for each term of enrollment. Waivers do not cover past due bills and will not be accepted after the deadline date.

ADVISEMENT

All degree-seeking students are **REQUIRED** to be advised prior to their registration. Advisors will give a RAP to a student during the advisement session to use with the CSU X-Press web registration system.

Special undergraduate students-at-large (USAL) do not need advisement and are eligible to register through the CSU X-Press web registration system without a registration advising PIN (RAP). Master's degree candidates and graduate certificate students must be advised by the department supervising the program to which they have been admitted. RAPs are distributed by graduate advisors.

Graduate-at-large students (GSAL, GSUM) do not need advisement and are eligible to register through the CSU X-Press web registration system without a RAP. However, special permission is required for at-large students to enroll in any 5000-level or higher graduate course. Students registering online must obtain the academic department's approval prior to attempting to register for these or any other restricted course. Students should not attempt to register for two different sections of the same course. If additional work is desired in a variable credit course, students should talk with the department chairperson.

Graduate-at-large students may enroll in graduate level courses by obtaining permission from the academic department supervising the courses prior to attempting course registration. Restrictions or safeguards are built into the registration system that prevent registration in these courses by students-at-large. Students at-large who wish to enroll for graduate courses should first check with graduate advisors or chairpersons to have these restrictions lifted prior to registration. Graduate-at-large students may enroll in graduate level courses by obtaining permission from the academic department supervising the courses prior to attempting course registration. Restrictions or safeguards are built into the registration system that prevent registration in these courses by students-at-large. Students at-large who wish to enroll for graduate courses should first check with graduate advisors or chairpersons to have these restrictions lifted prior to registration.

Students should note that the time for advisement is not during registration. To speed up your registration, have your schedule prepared with alternative courses to take, if certain courses are closed.

Student Registration Responsibility

If an admitted student presents unofficial transcripts as a basis for advising, the student is responsible for any consequences related to course selection, registration and academic progress based upon the unofficial transcripts.

It is the responsibility of each student to enter the proper course reference number (CRN) for all registration transactions. A student should only register for advised courses. Abuse of the web registration system may result in your courses being dropped by request of the department or the instructor of the course.

A student is responsible for his/her registration transactions made via CSU X-Press and official registration forms. While students are required to seek advisement prior to registration (add, drop or total withdrawal of courses), it is the student's responsibility, (NOT the advisor's) to enter registration transactions via CSU X-Press using a student's UID and PAC.

A student is responsible for dropping/withdrawing courses that he/she has no intent on or has stopped attending. Instructors **MAY** issue grades of WA (Withdrawn-Attended Class at least once) or WN (Withdrawn-Never attended). However, it is **NOT** the responsibility of the University to withdraw students from courses for nonattendance. **See Class Attendance Policy.**

Students are responsible for obtaining a receipt for payment on your account by the published payment due dates, even if your account is being paid through a grant, scholarship, loan or another party. You must confirm your registration with a paid receipt from the cashier's office, ADM 211.

Students are responsible for confirming registration in all courses with each instructor during the first class session. If your name does not appear on the roster, contact the Office of the Registrar (ADM 128). **Students are not allowed to sit/participate in a class for which they are not officially registered.**

STUDENT REGISTRATION AGREEMENT

By registering for classes at the Chicago State University (CSU), the student promises to pay all assessed tuition and fees as a result of Fall 2011 registration, unless he/she withdraws the registration prior to August 30 (deadline for 100% reversal of tuition and fees). The student also promises to pay any additional charges incurred including but not limited to charges for room and board, parking, class materials, and any other departmental or college charges.

The University is advancing value to each student in the form of educational services and a student's right to register is expressly conditioned upon the student's agreement to pay the costs of tuition and fees and any additional costs when those charges become due. Regardless of eligibility for financial aid, the student is personally responsible for the full amount assessed as a result of registration and attendance. If a student fails to pay his/her debt in full on the date specified on the billing statement (E-Bill), he/she will be assessed late payment charges in accordance to University policy. The University may refer a past due account for collection and may authorize legal actions against a student for the collect of the debt. The student is liable for all reasonable collection costs, including attorney fees, court costs, and other charges necessary for the collection of a past due account. **See Payment Policy for more information.**

Academic Petition Policy

Effective Summer 2011: Academic petitions for any term prior to Fall 2011 must be submitted by October 5, 2011.

Academic policies and procedures are the building blocks of all academic planning at Chicago State University. All students are expected to be familiar with University policies. Knowing these policies and referencing them on a regular basis allows students, faculty, staff, and administrators the ability to operate under the same set of expectations as all parties work together to achieve the best possible student experience.

Exceptions to policy may be requested in writing and delivered to the Office of the Registrar using the Academic Petition form. Requests for exceptions are to be clearly written and expected to include a detailed explanation about why the student believes an exception is warranted, required appropriate signatures, and attached supporting documentation where applicable.

Students can petition for administrative withdrawal or other registration modifications due to extenuating circumstances within 60 days of the term's end date. With each petition, students are required to submit evidence of the circumstance and proof of attendance/grade from each instructor.

Students can petition for an extension of the deadline to remove an Incomplete ("I" grade) for a period not to exceed one additional semester. The petition must include written consent of the instructor of record as well as the extension deadline date. In addition, a petition for an extension must be submitted 30 days prior to the final date of completion as listed on the Incomplete Grade Request and Contract form.

Students can petition for reinstatement after one full semester of dismissal for not maintaining academic standards. The student must present the request for reinstatement using the academic petition form and must include written consent of the college dean or designee. All petitions for reinstatement must be filed by the following dates: Fall term: July 15; Spring term: November 15; Summer term: May 1.

Cancelled Classes

The University reserves the right to limit the size of classes and to cancel classes for which there is insufficient enrollment. If the class for which you are registered is cancelled, you will automatically be dropped from the class. If you do not register for an alternative class, a tuition refund will be processed to your account according to the refund policy. Students receiving financial aid benefits may wish to consult with their financial aid counselor concerning any award implications.

Class Attendance

Students are expected to attend all class sessions in the course sections for which they are registered unless prevented by illness, an official University activity, or other urgent and unavoidable reasons. The responsibility for maintaining class attendance records rests with each faculty member. Students are expected to consult with instructors to complete class work and all assignments when classes are missed.

The following is the university policy on class attendance:

- An instructor may drop students who do not attend the first day of class and make no attempt to contact the instructor or department chairperson prior to the absence. The instructor may report students who do not attend the first two weeks of class without evidence of a legitimate excuse to the registrar who will drop the student from the class.
- Instructors are required to monitor and keep records of the attendance of students at all class meetings. **If a student's total absences are equal to or exceed the equivalent of two weeks of instruction, the instructor may drop the student from the course with a grade of W by September 21.** The instructor may assign a nonattendance grade of W/A or W/N. (See Withdrawal from the University)
- To drop or withdraw from courses, the student must use the drop/withdrawal form, have an advisor sign it, and then submit the form to the Office of the Registrar.
- **If a student stops attending a class but fails to officially withdraw from the class before the drop/withdrawal date, the result may be a failing grade. Although the instructor may drop a student for nonattendance, it is ultimately the student's responsibility to withdraw from the class(es).** See **Withdrawal from the University** for more information.
- **If a student stops attending a class but fails to officially withdraw from the class before the drop/withdrawal date, the student is still responsible for the tuition and fees assessed.** See Fall 2011 Academic Calendar for drop/withdrawal deadline dates.

Confirm your registration in each course by reviewing your class schedule on CSU X-Press. If you are informed by the instructor and department representative that your name does not appear on the official preliminary and/or subsequent class rosters, it is your responsibility to investigate the matter immediately by contacting the

Office of Records and Registration, ADM 128, at 773-995-2517.

CRSU 268-0 • 773-995-4533

Health Insurance is Mandatory

Chicago State University provides a mandatory Injury and Sickness Insurance Plan underwritten by United Healthcare Insurance Company. All full-time students (undergraduates enrolled in 12 hours or more, graduates enrolled in 9 hours or more, and doctoral students enrolled in 6 hours or more) are automatically charged for the plan. All international

students are required to have insurance and are eligible for the plan. The fee is applied to the accounts of students enrolled in all on-campus courses or a combination of off-campus (Extension/online) and on-campus courses.

Waiver/Enrollment Process

Students are required to complete an online form to waive out of or enroll into the mandatory CSU insurance plan every fall and spring semester. Failure to submit an online waiver or enrollment form by the deadline will obligate students to pay the full time (FT) Student Insurance Premium coverage indicated on your tuition bill. A confirmation e-mail will be required for any waiver dispute.

Students who have health insurance coverage are able to waive the mandatory health insurance plan provided through the university by going online during the specified waiver/enrollment period and completing the waiver form provided there. Students who do not have insurance or simply want to keep the plan must go online to complete the enrollment form to expedite activation of enrollment. Waiver/enrollment periods and deadlines are published in the academic calendar each semester. To submit a waiver or enrollment form, go to <https://studentcenter.uhcsr.com>.

Waiver/Enrollment Period and Deadline

The Waiver/Enrollment period for the Fall 2011 semester will open on June 15, 2011. The deadline for submitting a waiver or enrollment form will be 12:00 Midnight on August 30, 2011.

Fee & Payment Information

ADM 211 • 773-995-2470

The assessment of tuition and fees will be made prior to the first day of classes. An e-mail notification will be sent to students' CSU e-mail addresses alert students to view their E-Bills reflecting tuition and fees and balances due to the University. See section on E-Bill for more information.

Calculate Your Tuition

This formula shows how to tabulate your tuition charges:

- On Campus: Total number of credit hours selected x tuition per credit hour + fees applicable to your total credit hours = your tuition.
- Off Campus: Total number of credit hours selected x tuition per credit hour + fees applicable to your total credit hours = your tuition.
- Distance Learning: Total number of credit hours selected x tuition per credit hour + \$50 distance learning fee = your tuition.

NOTE: Some courses carry additional fees. These fees are not included in the tuition and mandatory fee information. The list of courses with additional fees is in the back of this bulletin.

E-Bills

What is an E-Bill? An E-Bill is the electronic version of your monthly statements. E-Bills are snapshots of the information contained on your student financial account. Your student account includes all charges and payments, financial aid, and other credits. The charges you will find on your account include, but not limited to, tuition, health insurance, room and board, and other related fees. All charges are subject to change as you make changes to your living arrangements, course schedule, and other related charges might change either before or after you receive your initial E-Bill for the term.

Chicago State University does not issue paper statements/bills. E-Bills are issued monthly throughout the term of enrollment. All charges incurred for the term are due by the published final payment due date. All past due balances are subject to additional collection fees if unpaid.

Online Account Access: You can access/view your financial account information online through CSU X-Press. E-Bills are posted onto CSU X-Press monthly. When a new E-Bill/statement is available, you will receive an e-mail notification to your CSU e-mail address.

An official notification of the availability of your bill will be sent to your CSU e-mail address monthly.

Four-Year Guaranteed Tuition Plan

The "Truth in Tuition" bill mandates that Illinois public universities provide four years of level tuition for new students enrolling for the first time beginning with the Fall 2004-2005 academic year. Undergraduate and transfer students enrolling at CSU for the first time after Fall 2004 and students who enroll for the first time every semester beginning Fall 2004-2005 and thereafter will maintain the same tuition rate for four consecutive years, or until the student reaches 120 credit hours. The hours will be extended to accommodate any majors or programs that exceed the 120 hours or four years. The guaranteed rate will remain in effect, except in the event of a break in enrollment of more than one year (two semesters, excluding summer school). In no case will the initial guaranteed rate be valid beyond five years of total enrollment. A tuition surcharge of 10% will be assessed for students who extend beyond the four-year guarantee period (120 credit hours) or five years of total enrollment. For all other students, CSU's current tuition program will remain in effect.

IMPORTANT NOTE: A change in major will not affect the guaranteed rate. That rate will continue for the number of credit hours necessary to complete the new major, not to exceed five years of total enrollment. Beyond five years of total enrollment, a 10% surcharge will be assessed.

Extended illness and military service will be given special consideration. The rate guarantee will be extended on a case-by-case basis through the student appeal process.

Transfer student rates will be guaranteed based upon 120 credit hours less the number of credits transferred at the time of first enrollment. All extensions and exceptions that apply to new freshmen will be extended to new transfer students.

Credit hour pricing / Beginning with the Fall 2004-2005 academic year, tuition and mandatory fees will be charged on a per credit hour basis up to 15 hours. This 15 credit hour cap will allow students to complete 120 credit hours in eight semesters or four years. Credit hours exceeding 15 will be charged at the rate for 15 credit hours.

Out-of-state tuition / The Four Year Guaranteed Tuition Plan is extended to all undergraduate out-of-state new freshmen and transfer students.

In - State tuition / Effective Fall 2010, newly admitted students whose state of permanent residency is Indiana, Iowa, Kentucky, Missouri or Wisconsin are extended in-state tuition rates at Chicago State University.

Payment and Refund Policy

By registering for classes at the Chicago State University (CSU), you acknowledge financial responsibility for the confirmed courses resulting from this registration, and all fees assessed to your student account (including the student health insurance fee). You also accept responsibility for any additional costs related to your enrollment at CSU including, but not limited to, room, board, parking, library fines, books and other class materials and any other departmental or college charges. By enrolling, you acknowledge that you are receiving an educational benefit from CSU, and that the costs associated with that benefit are an extension of credit from the University which is due and payable upon the date specified (final payment due date). Tuition and fee charges are billed on a monthly basis.

CSU does not mail billing statements to students. If you are a currently enrolled student, you will receive e-mail notification each month, at your university e-mail address, indicating your tuition and fee statements are available online. The online statement, called the E-Bill, allows you to see your charges in an easy-to read, user- friendly format.

Student account balances are expected to be paid in full by the final payment due date each term. These charges, in accordance with CSU Policy, apply to all customers billed through the Student Accounts Receivable system, and are subject to a LATE PAYMENT CHARGE of \$25.00 when the full amount is not paid when the final payment is due. Such accounts will also be assessed a PENALTY of \$40.00 IN ADDITION to the LATE PAYMENT CHARGE when the account balance becomes past due

(delinquent). A financial hold will be placed on any delinquent student account. This hold will prevent registration, release of transcripts, and may also prevent graduation and the release of a diploma.

In addition, you understand that Chicago State University may refer your past due account for collection and may authorize legal action against you for the collection of this debt. You agree to be liable for all reasonable collection costs, including attorney fees, court costs, and other charges necessary for the collection of your past due account. You understand that if you allow your account to go into delinquent status, your registration, release of your transcript and diploma will be prohibited until such time as your account is paid in full.

No registration transaction is complete until the business office has processed the transaction and the student has been issued a printed receipt. If you register online, please confirm your registration by obtaining a paid receipt for your registration at the cashier's office. All students registered for Fall 2011 must obtain a receipt for their first installment.

All registered students must present an initial payment to the Cashier's Office (ADM 211) to validate and maintain registration in your Fall 2011 classes. Students must present one of the following payment arrangements by the 100% reversal/refund deadline of August 30, 2011:

- Financial Aid Memo
- TMS installment plan for remaining account balance
- Bursar Office Third Party Authorization Memo
- Initial monetary down payment
- Quick Pay payment receipt

The deadline for the 100% refund/reversal to drop/withdraw from registered courses is August 30, 2011. Please validate your classes to avoid being dropped for non-payment.

Failure to make a payment may result in administrative withdrawal. See Student Registration Responsibility, Student Registration Agreement, and Bursar sections for more information.

No Reinstatement

Students who are eligible to register after being dropped or administratively withdrawn for non-payment will not be reinstated into course sections for which they were previously registered.

5. Installment Payment Option

A. Eligible: All Illinois resident students registering for six or more hours during advance, regular and late registration.

B. Non-eligible: Students who have tuition and fee charges that amount to less than the required deposit due to financial aid credits are not eligible. Students registering for less than six hours are not eligible.

C. Tuition Management Installment Plan: Chicago State University offers an interest-free monthly payment plan to distribute your education expenses over time instead of one large payment. For more information, or to enroll, call 800-722-4867 (TMS/ 24 hours a day) and speak with an education payment counselor or log onto www.csu.edu/. Or, you can log on directly to Tuition Management Systems at www.afford.com. Only students enrolling for three or more credit hours are allowed to use the Tuition Management Installment Plan.

Students using the installment payment option are required to make an initial payment at the time of registration. Remember your initial deposit must go to Chicago State or your registration will be cancelled. The enrollment fee for using the installment plan varies according to the number of payments in your plan. Whether or not you are on the installment plan with TMS, you will still pay the deferred fee amount if tuition is not paid in full at the time of registration. The deferred fee is non-refundable.

Fall 2011 CTA U-Pass Policy

The Chicago State University Board of Trustees is pleased to announce that it is joining the Chicago Transit Authority to provide the U-Pass to all students with 12 or more credit hours undergraduate, graduate, doctoral and pharmacy students. The U-Pass is a discount fare card that replaces cash for all CTA fares and can be used for unlimited rides on all CTA buses and trains.

Who is eligible for the U-Pass?

- All full-time students are eligible for the U-Pass.
- To receive a U-Pass, you must be present when the CTA is onsite to take photos and issue cards.

How much does the U-Pass cost?

CTA sets the price for the U-Pass on an annual basis. For the 2011-2012 academic years, the U-Pass costs \$113.00 per semester. All full-time students with 12 hours or more will have their accounts billed automatically. And any students, who have less than 12 hours, may also purchase the U-Pass for an additional cost.

Can I waive receiving the U-Pass?

The Chicago Transit Authority designed the U-Pass program not only as a way to offer a discount to full-time students but also to increase CTA ridership. Therefore, for a school to participate in the program, CTA requires that all full-time students at the school receive the U-Pass. However, there are limited circumstances when the U-Pass may be waived if the student meets one of the following criteria:

- Student enrolled in distance learning or online courses
- Student enrolled in extension courses
- Student with disabilities
- Student studying abroad
- Student who is 62 years or older

In order for a fee waiver to be considered, the student must submit all requests in writing with supporting documentation to the U-Pass Coordinator, Bobbie Stewart, in the University Cashier's Office at ADM 211 by 5 p.m. CST on September 1, 2011. The U-Pass Coordinator can be reached by telephone at (773)995-2029 or e-mail to upass@csu.edu.

Can I receive a credit towards semester parking permit?

- Students who purchased a semester parking permit will be issued up to a \$50.00 credit on their student account towards the cost of the parking permit.
- Credit will only be issued for full-time students.

Can I receive a credit towards full year parking permit?

- NO, Students must purchase a semester parking permit to receive the credit towards the cost of the parking permit.

How will the waiver credit be issued?

The credit waiver towards the parking permit will be issued on October 1, 2011. No waiver will be issued to students who purchase their parking permit after the 100 percent refund drop date of August 30, 2011.

When is my U-Pass activated?

You will receive a new U-Pass at the beginning of each semester. The following are the dates and times for U-Pass distribution for the Fall Semester:

Pick-up location: Jones Convocation Center

- Thursday, August 18, 2011 from 9 a.m. to 6 p.m.
- Friday August 19, 2011 from 9 a.m. to 6 p.m.
- Monday, August 22, 2011 from 9 a.m. to 6 p.m.
- Tuesday, August 23, 2011 from 9 a.m. to 6 p.m.

CTA is off campus now so where can I go with my U-Pass?

- See the U-Pass Coordinator (Bobbie Stewart) in the Cashier's Office

When will my CTA U-Pass be available for pick up?

- Students who have completed the authorization form and contacted the U-Pass coordinator will pick up their U-Pass at the Cashier's Office located in the Cook ADM 211 on the following Friday.

Do I use the same U-Pass card for fall and spring semesters?

- Yes. Your U-Pass card will re-activated at the beginning of each semester. At the start of a new semester, the U-Pass Coordinator will announce the dates and times of U-Pass distribution for new students. Every effort will be made to distribute U-Pass cards before or on the activation date.
- For the Fall 2011 semester, your U-Pass will work from Monday, August 15 to Monday, December 12, 2011.

Can I give my U-Pass card to someone else to use?

No. U-Pass cards are not transferable and will be confiscated by the CTA and its holder subject to criminal prosecution if it is misused or presented for transportation by any person other than the person to whom it is issued. CTA maintains the right to inspect the U-Pass used by a student and to ask the student for another form of identification to ensure that the pass is being used by the person to whom it is issued. Furthermore, CTA maintains the right to deny a student access to the CTA system at the U-Pass reduced fee if the student does not possess both the U-Pass and a current CSU ID card.

What do I do if my card is lost or stolen?

Lost or stolen cards should be reported to the U-Pass Coordinator, Ms. Bobbie Stewart, in the Cashier's Office. The card will be deactivated. Students must go the Cashier's Office to request a new pass. A \$50.00 charge will apply. Only one replacement card is issued in one semester. If students lose their replacement card, they have to wait until the new semester to apply for another U-Pass.

Student Financial Aid

ADM 207 • 773-995-2304

What do I do if my card is damaged?

Most students damage their U-Pass by allowing it to touch the magnetic strip of another card such as a credit card. If a card is damaged, it will be replaced for free, but students have to go to the Cashier's Office to request a new card. It takes five days for the replacement card to be ready and students will be given a temporary card to use while they wait for their replacement card. The Cashier's Office will notify students when their replacement card comes in and can be picked up in the Cashier's Office.

What do I do if my card is captured on a bus?

If a card is captured on a bus, it is considered a student error. Contact the bus driver to get a receipt stating that the card was captured. Students must then take the receipt to the U-Pass Coordinator in the Cashier's Office to request a new U-Pass. It will take five days for a replacement card to be mailed to Chicago State University from the CTA. No free passes are given to students while they wait. The Cashier's Office will notify students when their replacement card is available and they can pick it up from the Cashier's Office.

What do I do if my card is captured on a train?

If a card is captured on the train, contact the CTA personnel to write a "Fare Discrepancy Report." The CTA personnel will give the student a free transit card to get to their destination. Students will have to take the report to the U-Pass Coordinator in the Cashier's Office to request a new replacement card. The Cashier's office will notify students when their replacement card is available and they can pick it up from the Cashier's Office.

Deadlines and policies are available in the Office of Student Financial Aid and on the financial aid website. The University provides an established financial assistance program designed to best meet the needs of Chicago State University students. Assistance is available to eligible students in the form of scholarships, grants, assistantships, student employment and loans. All students wishing to be considered for financial assistance must complete the FAFSA (Free Application for Federal Student Aid).

To be eligible for Federal Grants

Students must be enrolled in a program leading to a degree/certificate to be eligible for Federal Pell Grants, Federal College Work-Study, Federal Stafford Loans and Federal Perkins Loans.

Special students (at-large, conditionally admitted graduate students, or students enrolled in contract courses) are not eligible for state or federal financial assistance. Generally, students must be enrolled for at least halftime to be eligible for assistance from these programs.

Undergraduate students must be enrolled for at least nine hours to be considered three-quarter time, and twelve or more hours in order to be considered full time. Nine hours is considered full time for master's and doctoral candidates; five hours half-time. A change in enrollment status (hours enrolled and/or grade level) that occurs after a financial aid recipient's original registration must be reported immediately, in writing, to the Office of Student Financial Aid. Failure to report changes in enrollment status may result in overpayment, cancellation of benefits, and jeopardize future eligibility for student financial assistance.

Students selected for verification by the U.S. Department of Education or the University will be required to provide requested documentation before their financial aid awards can be processed.

Review your financial aid status anytime

Students may review their financial aid status at any time on the CSU X-Press website. This website provides students with information relating to the amount of their financial aid awards, if any, as well as, any requirements that they might need to fulfill, such as, but not limited to, submitting verification documents, tax forms, SAP (Satisfactory Academic Progress) petitions, etc., before their financial aid package may be finalized.

The Office of Student Financial Aid no longer mails document tracking and award letters to continuing students. Instead, students are notified via e-mail that there is "activity" on their financial aid accounts and that they should go to the CSU X-Press website to review their status. All continuing CSU students have been assigned an e-mail account. It is every student's responsibility to access his/her e-mail periodically and to review any communication from the Office of Student Financial Aid.

Student Financial Aid Satisfactory Academic Progress Policy and Procedures

Federal and state regulations require Chicago State University to establish and implement a “Satisfactory Academic Progress (SAP) Policy” for undergraduate/graduate/professional students. Chicago State University’s SAP Policy(s) measures whether students are progressing at a reasonable rate toward the completion of their educational objectives. Students must comply with the applicable SAP policy to maintain their continued financial aid (including loans) eligibility. Copies of the current SAP policies are available for students in the Office of Student Financial Aid. They are also available for review in both the undergraduate and graduate catalogs, as well as on the Chicago State University website.

Mitigating Circumstances/Appeal Process

A student who fails to make satisfactory academic progress may petition for reinstatement of their eligibility to the Financial Aid Appeals Board. The student must document mitigating circumstances, such as injury, illness, family death or other emergencies. Petitions are available in the Office of Student Financial Aid, and are available for download from the Office of Student Financial Aid web site.

NOTE: The Satisfactory Academic Progress Policy(s) is subject to change without notice. The Office of Student Financial Aid will make every attempt to provide students with timely notice regarding their satisfactory academic progress status. However, it is every student’s responsibility to read the policy and monitor his/her own progress.

Student Loans

The Federal Stafford Loan program limits, if combined, cannot exceed the established limits and cost of attendance. During the 2011-2012 year a student may be eligible to borrow a Federal Stafford Loan based on the following limits:

	<i>Subsidized.....</i>	<i>Unsubsidized</i>
Freshman	\$3,500	\$6,000
Sophomore.....	\$4,500	\$6,000
Junior	\$5,500	\$7,000
Senior.....	\$5,500	\$7,000
Fifth Year	\$5,500	\$7,000
Certification.....	\$5,500	\$7,000
Certificate	\$5,500	\$5,000
Master’s/Doctorate	\$8,500	\$12,000

You will only be eligible to borrow one loan for one academic year. For example: If you borrow \$3,500 through a subsidized Stafford Loan as a freshman, you will not be allowed a subsequent loan until you advance to the sophomore level.

October 15, 2011 is the deadline to accept "Offered Loans" or submit requests for loan revisions to the Office of Student Financial Aid. Procedures for obtaining a loan for the Fall 2011 semester are published on the Office of Student Financial Aid website at www.csu.edu/financialaid/.

Financial Aid Refund/Repayment Policy

If a student who receives any federal and/or state student financial assistance completely withdraws prior to the end of an academic term in which s/he receives federal/state aid, federal regulations require CSU to prorate or reduce the award(s) received, according to the actual number of calendar days in which the student was enrolled. Funds to which the student was not entitled, due to the proration calculation, must be returned to the federal/state award program(s). If a student’s charges exceed the prorated awards remaining on her/his account, a balance will

be owed to the university. If a student receives a disbursement check prior to obtaining a complete withdrawal or uses some of the awarded funds for a book voucher-based upon the proration, s/he will be required to repay a portion or all of such funds to the University and/or the award program(s). Before initiating a complete withdrawal, contact the Office of Student Financial Aid at 773-995-2304 for a complete explanation.

Timeline Dates

Timeline dates will be posted in the Office of Student Financial Aid for recipients of the basic state and federal financial aid programs. Timeline dates do not apply to recipients of other aid that may be based on academic performance, pursuit of a specific program/degree, etc., or aid from private sources.

Loan Counseling

Students who receive loans are required to complete Entrance Counseling prior to receiving a disbursement and Exit Counseling when they graduate, drop to less than half-time enrollment, or completely withdraw from the University. Online Entrance Counseling and Exit Counseling may be accessed through StudentLoans.gov web site.

Federal Work-Study / Student State Aid Employment

A limited number of positions are available throughout the university through the federal work-study and state aid funded student employment programs. Students with exceptional need are awarded FWS/SA eligibility and given the opportunity to be employed. Students wishing consideration for student employment should indicate their interest on the FAFSA. Rates of pay vary, depending upon the type of work and the level of responsibility. A student must be paid at least the minimum wage. Students are responsible for monitoring the time/hours they work so that they will not exceed their award balance.

Veterans Affairs Office

Students receiving veterans benefits are required to adhere to the University’s academic standing policies as outlined in the University’s catalog. A change in enrollment status that occurs after the veteran’s status has been certified must be immediately reported to the Veterans Affairs Office which is located in the Office of Student Financial Aid, ADM 207. Failure to report changes in enrollment status may result in overpayments. An unapproved change of program may cause termination of future benefits.

Financial Aid Website, E-mail & CSU X-Press

All information provided in this student financial aid section is subject to change. Any such changes and/or modifications will be reflected on the Office of Student Financial Aid website. It is the responsibility of all students to stay informed about issues that may affect their financial aid eligibility by regularly monitoring e-mail correspondence from the Office of Student Financial Aid and accessing the Office of Student Financial Aid website and CSU X-Press.

ORAL ENGLISH PROFICIENCY Student Complaint Procedures

Approved September, 1991

Illinois statute requires each public institution of higher education to "establish a program to assess the oral English language proficiency of all persons providing classroom instruction to students," and to "ensure that each person who is not orally proficient in the English language attain such proficiency prior to providing any classroom instruction to students."

Students with complaints about the oral English proficiency of Chicago State faculty should first contact the chairperson of the department involved. The complaint must be in writing and should be as specific as possible. Copies of the complaint must be sent to the appropriate college dean and to the provost/vice president for academic affairs.

The chairperson will investigate the complaint and may observe the class. If the chairperson concludes that the faculty member's English is adequate, the chairperson will notify the student, the faculty member, the dean, and the provost/vice president for academic affairs. The student may appeal the chairperson's decision to the dean. The dean will then investigate the complaint and follow the same notification procedure. The decision of the dean will be final.

If the chairperson or the dean finds that the faculty member's oral English is unsatisfactory, he or she will make a recommendation to the provost/vice president for academic affairs. The provost will take action on this recommendation and notify all parties involved of his or her decision.

Except for the necessary notifications, the identities of all students and faculty involved in oral English proficiency complaints shall remain confidential.
