

## **APPLICATION FOR READMISSION (DEGREE AND NONDEGREE)**

**Please print or type**

This application is for previously admitted graduate degree and non degree students who have not been enrolled in graduate classes for two years or more that have not gone beyond their time limitations (**6yrs for degree seeking**). To receive proper advisement, we recommend that readmitted students bring a copy of transcripts for any outside coursework completed during their absence from the university.

**For Degree Seeking Students:** Readmission for degree seeking students is not automatic. The department supervising the degree program will carefully review the student's application, progress to the degree and the length of time remaining to degree completion. Students who are readmitted to a degree or certificate program may need to meet other entrance requirements. **Upon approval the student is responsible for completion of the degree by the initial time limit set forth (6yrs from first admittance to the Program).**
