EAC Update

Our last EAC meeting was with HR April 19th, 2023. We have 2 more meetings scheduled this year; the next one is in October. Big concern was the limited residency requirement to update to include applications from candidates outside of Illinois. This will help with filing positions on our campus. This supports remote working and hybrid possibilities. Grant funded employees' issues were

discussed, such as a grant employee should be able to bump another grant employee. The duration of grant should be considered, and the renewal.
