Guest: M Fernandez

1. Call to Order
2. Approval of Agenda
3. Minutes of 11/10/15 UGC Meeting (will distribute for review at April UGC meeting)
4. Announcements
 - a. Final UGC Meeting of Academic Year – May 10 2016 – read student petitions into minutes (see below) and address any additional curriculum actions needed this academic year.
 - b. Applications for Graduation – Sp 16 – 279 applications for Sp 16 degree award and certificate award received. Dr. Osika has kindly volunteered to assist with degree audits. Spreadsheets will be forwarded to depts./programs at regular intervals to communicate student status and needs. Programs need to forward non-course related requirements (comp exams, EdTPA, etc.) as soon as available. Degree award deadlines have not changed.
 - i. Deadlines for Summer 16, Fall 16, Spring 17, Summer 17 will be posted this week.
 - c. Thesis/Dissertation completion/ProQuest -
 - i. Twenty one students attended ProQuest workshop on March 3, 2016.
 - ii. Submission deadlines remain same (posted on csu.edu/graduateadmissions) despite earlier graduation date to benefit students.
 - iii. Deadlines for Summer 16, Fall 16, Spring 17, Summer 17 will be posted this week.
 - d. Applications for Graduate Program Admission (extended to June 1, 2016 except MOT, PharmD). Graphic on revolving banner on CSU home page.
 - i. Deadlines for Fall 16, Spring 17, Summer 17 graduate program admission will be posted to csu.edu/graduateadmissions within next 2 weeks
 - e. Student Petitions - Salahuddin, Young, Seo volunteered for committee – please plan to meet to address student petitions and take action prior to May 10 meeting. Review of Spring 16 applications this week will identify any students who need to petition for Spring 16 degree award. Will reach out to students/departments/programs to process. Other subcommittees will commence next academic year.
 - f. Curriculum committee chairs meetings – ongoing – to communicate processes and needs.
 - g. Automated curriculum approval process update – Banner Workflow is complete and ready for piloting. Training materials need to be developed and COE trained in process – Fall 16 pilot.
