- Given that grade point average influences admission requirements to professional programs, graduate school admission and other financial resources, the student must discuss with financial aid and the academic advisor the impact of the option and receive a signature from financial aid and academic advising prior to submitting the request. Once the grade option has been changed, it cannot be reversed.
- Modifications to the P/NP grading will be in effect for the **Summer 2020** semester.
- Students have until **July 20, 2020 (by the close of business)**, to elect P/NP grading for any undergraduate course.
