BS Ed in Early Childhood Education

Early Childhood Education Program Overview

Graduates who complete the Early Childhood Education licensure degree program earn an Illinois Professional Educator License with an Early Childhood Grade Level Endorsement, Gateways ECE Credential, Gateways Infant Toddler Credential, ESL Endorsement, and an Early Childhood Special Education Letter of Approval.

Candidates completing the licensure degree are accorded all rights and privileges of the Illinois Professional Educator License with respect to practicing in public school systems and adding additional grade-level and/or content area endorsements.

Mission and Purpose of the Program

The Early Childhood Education program prepares knowledgeable educational professionals who are dedicated to and capable of serving and advocating for culturally, linguistically, and ability diverse children and their families. The program exposes students to research and evidence-based practices that promote critical thinking, informed decision-making, and implementation of best practices to ensure our graduates' success. The program is committed to teaching, research, service, and community engagement, including social justice, leadership, and entrepreneurship.
