

MEET THE SPEAKER

The Work:

*A Journey of Experiential Therapy
and Rites of Passage for Men*

Phillip A. Beverly, Ph.D.

Phillip A. Beverly, Ph.D., has spent years guiding men through rites of passage and transformative work. A Certified Training Leader with the ManKind Project International, he facilitates initiatory programs that help men build emotional intelligence, accountability, and purpose. He also facilitates with the Inside Circle Foundation and the Jericho Circle Project, bringing circle work into prisons and underserved communities, and he co-created the Bridges & Boundaries workshop series. A former U.S. Air Force officer, Phillip holds a Ph.D. in Public Policy Analysis and teaches at the University of Illinois Chicago Honors College.
